FOREWORD

The present volume of the Annual Report of the Department of Higher Education presents the status of higher education in the State of West Bengal during the year 2006-2007 and describes in particular, the activities of the department and also the various organizations and institutions attached to the Department of Higher Education.

There have been perceptible developments in various spheres of higher education during the year. The State Government has been striving to maintain its commitment for expansion of the base of higher education and maintenance of quality. At the same time utmost efforts are being made to ensure that access to higher Education is not denied to anyone merely due to financial constraints. The State Govt. has introduced from the academic year 2006-2007, a new scholarship scheme, 'West Bengal Merit-cum-Means Scholarship' for providing financial assistance to the poor but meritorious students of the State pursuing their studies at various Post-Madhyamik levels.

The State Government works under large number of Central Regulatory Agencies with their innumerable fiats in the name of standardizing and improving quality education in a manner where access to higher education is being restricted. We have brought this matter to the notice of Government of India. We are mainly concerned about the National Knowledge Commission's recent recommendation for establishing an All India Regulatory Authority of Higher Education.

We attach highest degree of priority for quality of education, equity and access to higher education for all. An education map has been prepared with active support from the Department of Science and Technology of this Government. This will reduce regional imbalances while setting up of new colleges and opening new subjects in our institutions.

During the year 2006-2007, seven new general degree colleges with full financial commitment from the State Government under 'pay packet scheme' have been established. 16 more such colleges have also been cleared for next financial year. In addition, three B.Ed. colleges, three Physical Education Colleges and four Law collegesl have been approved to be established on self-financing basis.

Establishment of 2 new State-aided Universities and three Government colleges in backward areas of the State are also under active consideration of the State Government.

National assessment and Accreditation Council under UGC have accredited the universities and colleges of the State. Similarly, National Board of Accreditation set up under the aegis of AICTE has accredited a good number of Engineering and Technology institutions. At the time of preparing the report, 119 colleges have been accredited. Out of these, 3 colleges received A+, 10 colleges A and 23 colleges received B++ grade. As regards Engineering and Technology colleges, three technology programmes, leather, ceramic and textile in four erstwhile technology colleges and three engineering programmes in each of the two Government Engineering and Technology colleges i.e. Jalpaiguri Government Engineering College and Kalyani Government Engineering College have been accredited. In addition a good number of undergraduate engineering programmes in self financing Engineering and Technology colleges have also received NBA accreditation.

Apart from NAAC accreditation, the State Government has also evolved a method to measure the performance of the individual colleges based on college specific socio-economic and location specific data.

In order to upgrade the quality of technical education in the State, Technical Education Quality Improvement Programme with World Bank assistance, has been sanctioned by Govt. of India in 2004. A total provision of

Rs.130 crores out of lifetime allocation of Rs.153 crores was made in the state Budget for three years, upto 2006-2007. Utilizing the amount, the three universities (Jadavpur University, Bengal Engineering and Science University and Calcutta University) acting as lead institutes and 8 colleges including 4 private self-financing colleges have strengthened their infrastructure and brought about qualitative improvement in technology education. Progress of the State towards achieving the objectives of TEQUIP, has been significant.

In order to supplement the efforts of various non-Govt. organizations and autonomous institutions in expanding their social, cultural and educational activities throughout the State, a total amount of Rs.3,81,05,350/- was released during the year. Organisations like, 1) Bankim Bhavan Gavesana Kendra, 2) Paschim Banga Hindi Academy, 3) Netaji Institute of Asian Studies, 4) West Bengal State Book Board, 5) Institut de Chandernagor, Hooghly 6) Institute of Development Studies, Kolkata, 7) Jagadish Bose National Science Talent Search and a good number of such other institutions have benefited with this fund.

PREFACE

An attempt has been made to highlight the major activities of the Higher Education Department in the State of West Bengal, in this Annual Report. The data and information available in this compilation would help identification of priority areas of action.

Admittedly, the base of higher education facilities in the State of West Bengal has expanded significantly, in the last few years. There has been marked growth in student enrollment in colleges and universities. Quality upgradation, improving upon accessibility and inclusive growth happen to be the major thrust areas of action in the plans and programmes of the Higher Education Department. To facilitate quality upgradation new posts of teachers and non teaching staff and technical personnel were created, both in degree colleges and engineering colleges, all over the State of West Bengal in 2006-2007. All categories of educational institutions have been advised to get themselves accredited by the National Assessment and Accreditation Council of UGC and the National Board of Accreditation of the AICTE. During 2006-2007, the State Government introduced an incentive scheme linked to the overall performance of degree colleges in West Bengal. Eleven engineering colleges including three universities, received assistances under the World Bank supported Technical Education Quality Improvement Programme (TEQIP) towards acquiring new equipments and gadgets, staff development and raising the quality of teaching. There are special provisions in TEQIP to encourage the engineering colleges to extend technical supports to local industries and artisans for improving upon their productivities. Several new educational institutions were set up in identified backward areas in the State of West Bengal to help students belonging to economically and socially backward families access higher education facilities. The private engineering colleges have been advised to earmark certain percentages of seats for award of full freeship and half freeship. A Merit-cum-Means Scholarship Scheme was introduced by the State Government in 2006-2007, to extend financial assistances to meritorious students belonging to distressed families to pursue higher studies. Several initiatives are being taken to improve upon enrollment of girl students in institutions of higher studies. A series of dialogues were held in 2006-2007, with the industries and business houses in West Bengal to secure a tie-up between functioning of technical institutions and need for trained manpower in the State of West Bengal, during the next 5, 10 and 15 years.

We hope this publication would help the policy planners, educationists, administrators and research organisations to identify the strengths and weaknesses of the higher education infrastructures in West Bengal and come up with considered views for further improvements. The Higher Education Department will be grateful to receive comments and suggestions from the readers.

CHAPTER – 2

ADMINISTRATIVE SET UP OF THE HIGHER EDUCATION DEPARTMENT

2.1 INTRODUCTION

This report is being published for the 15th year in succession. It presents the status of higher education in the state of West Bengal. It describes in particular, the activities of the Department of Higher Education of the Government of West Bengal for the year 2006-2007. It also contains an account of the activities of different organisations and institutions attached to the Department of Higher Education as furnished by the organisations/institutions themselves. However, the report does not provide information on other departments concerned with education. The report does not have any relevance as a Government Order or official policy pronouncement.

PRESENT STATUS

The Higher Education Department is the successor to the erstwhile Department of Education. The Department of Mass Education Extension was carved out of the Department of Education to deal with, among other things, the subject of adult education, in terms of Notification No 5106-A.R. dated the 21st April, 1988. The Department of Technical Education & Training was similarly created in terms of Notification No 16129-A.R.dated the 29th June, 1991. The Polytechnic institutions which had so long functioned under the Higher Education wing of the erstwhile Education Department were taken over by the newly created department. Finally, the Education Department was abolished and in its place were created two departments, namely, the School Education Department and the Higher Education Department in terms of Notification No 670-Home (Cons) dated, the 8th Nov, 1995.

2.2 ADMINISTRATIVE SET UP

The highest executive of the Higher Education Department is the Minister-in-Charge of the Department. The Principal Secretary is the official head of the Department of Higher Education. He is assisted by Special Secretaries, Joint Secretaries, Deputy Secretaries, Assistant Secretaries and Officers on Special Duty. The Principal Secretary also functions as the Secretary to the Chancellor of the State Universities connected with the Department.

ADMINISTRATIVE SET UP

The Department of Higher Education is comprised of a number of branches and cells, namely, Establishment Branch, Budget Branch, University Branch and Chancellor's Secretariat, Non-Govt. College Branch, Govt. College Branch, Appointment Branch, Technical Education Branch, Archives Branch, Miscellaneous and Social Education Branch, Pension Cell, N. S. S. Cell, Vigilance Cell, Audit Cell and Computer Cell.

CHAPTER – 3

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

3.1 INTRODUCTION

JU and BESU have been conferred the status of "Institutions of National Importance by UGC. Both the universities have been sanctioned special UGC grant. St. Xaviers College, Kolkata has been declared by NAAC to be the first autonomous college in West Bengal. Ramkrishna Mission Vivekananda Educational and Research Institute(RKMVERI) has been established as the 1st self financing (DU). Calcutta Madrasah celebrating its 225 years of establishment has been given the status of an autonomous college by the State Govt. Presidency, Scottish Church and Loreto College have earned the distinction to be the "Colleges with Potential for Excellence" by the UGC. Accreditation status of the colleges (by NAAC) has been improved substantially. Scope for Post Graduate education has been expanded in General Degree Colleges. The State Govt. has provided fund for the construction, repair and renovation of buildings, setting up of laboratories and new class rooms in the universities and colleges. The Government, as in previous years, approved the setting up of self financing colleges including non-government colleges under pay packet scheme and sanctioned the creation of teaching and non-teaching posts for these colleges. Govt. also created 1000 teaching posts in non-government colleges and provided funds for development of infrastructure.The West Bengal State Council of Higher Education took an active role in coordinating activities of the state universities and advised them on various issues relating to improvement in the quality of Higher Education in the State. For Qualitative improvement of technical education, State Govt. has sanctioned Rs.65 crore under World Bank Programme.

3.2 POLICIES

The following principles have guided the formulation and implementation of different programmes for higher education.

(i) Expansion of access to higher education and decentralisation of power-base.

(ii) Equity in educational opportunity and social justice.

(iii) Consolidation and qualitative improvement of colleges and expanding the base of social relevance of higher education.

(iv) Linkage of education to employment through vocationalization.

(v) Emphasis on engineering and technological education with special reference to Information Technology and Bio-Technology.

(vi) Diversification of subject compositions.

(vii) Emphasis on Basic Science courses and scientific research.

(viii) Emphasis at the same time on arts, culture, languages, physical education and humanistic values.

(ix) Mobilisation of internal resources.

(x) Accountability at all levels.

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

Inter Non Govt. College Sports Competitions 2007

The VIII Inter Non Govt. College Athletic Meet and Football Championship 2007 were held successfully. The competitions were held at the District Level (19 districts) in the month of February, 2007 and the State Level Competitions among the District Level champion teams were held at Yuba Bharati Kriangan and SAI Complex from 16th April to 23rd April, 2007. Govt. sanctioned grant to conduct the sports meet at district level and state level also. It has been reported that almost 260 colleges turned up in the said competitions. No. of participants and improvement in performance level has creditably increased.This type of competitions are held only in West Bengal and Govt. encourages participation in sports and youth activities.

3.9 GOVERNMENT COLLEGES

Various programmes have been taken up by the State Government for improvement and strengthening of the Government Colleges.

The XVIII Inter Govt. College Athletic Meet, XVI Inter Govt. College Football Championship, VII Inter Govt. College Table Tennis and IV Inter Govt. College Badminton Championship 2007 were held successfully at SAI Complex. Almost 350 participants of 17 Govt. Degree Colleges participated in the competition which is unique in its nature.

3.10 MEASURES FOR QUALITY IMPROVEMENT OF HIGHER EDUCATION

A) NAAC Accreditation Status :

The State Level Quality Assurance Co-ordination Committee constituted in 2003-2004 for the purpose of facilitating NAAC accreditation process for the colleges in the State, has been functioning satisfactorily. In the State, 7 universities and 106 colleges have been accredited by NAAC so far. Out of the colleges accredited, Midnapore College, Ramkrishna Mission Vidya Mandir, Presidency College, Kolkata have been awarded 'A+' ranking and 9 colleges have been awarded 'A' ranking. The process of accreditation has gained momentum and has been progressing steadily.

B) Accreditation of Engineering & Technology Courses (NBA of AICTE) :

All the three technology courses in 4 Govt. tech colleges have been accredited by NBA. In addition, three courses each in Jalpaiguri and Kalyani Govt. Engg. Colleges have been accredited. A few courses in six self financing colleges also received MBA accrediation.

3.11 SCHOLARSHIP & STIPEND

In order that no brilliant student is prevented from pursuing post-matric, higher studies because of poverty, the Central Government as well as the State Government introduced various scholarship schemes, four of which are being currently administered in the state by the Scholarship and Stipend Section of the Education Directorate, Government of West Bengal, Bikash Bhavan, 9th floor, North Wing, Salt Lake, Kolkata-700 091 :

i) National Scholarship Scheme

ii) National Merit Scholarship Scheme

iii) D.P.I. Special Stipend Scheme — General Stipends / Adhoc Grants (institutional)

iv) Hindi Scholarship Scheme

v) West Bengal Govt. Merit-cum-Means Scholarship Scheme

I. National Scholarship Scheme

Introduced in 1961-62, this scheme ran continuously for more than two decades before being formally withdrawn from the 2004-05 session. This means no candidates passing their qualifying examination (like Madhyamik / H.S / Graduation) in 2004-05 or later can apply for the National Scholarships any more; only the renewal cases will be sanctioned now for those scholars who qualified for this scholarship before 2004-05.

MAIN ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR

Rates of National Scholarship :

Stage	Non-hosteller or Day Scholar	Hosteller or Residential
At H.S Stage (for Madhyamik-passed candidates)	@ Rs.60/- per month	@ Rs. 100/- per month
At Graduation Stage of General Education-1st year	@ Rs.60/- per month	@ Rs. 100/- per month
(for H. S.- passed candidates) - 2nd & 3rd years	@ Rs. 90/- per month	@ Rs. 140/- per month
At Graduation Stage of Professional Courses (for H. S.- passed candidates)	@ Rs. 120/- per month	@ Rs. 300/- per month
At P. G. Stage of General Education (for B.A./ B.Sc / B.Com. passed candidates)	@ Rs. 120/- per month	@ Rs. 300/- per month

Sanction Figures in 2006-2007 :

Budget – Head	Amount sanctioned	Number of Scholars awarded
(Plan) 2202-80-107-SP-001-V-34	Rs.32,98,930.00	1181
(Non-Plan) 2202-80-107-NP-003-V-31-02	Rs.10,54,970.00	396
Total	**Rs. 43,53,900.00/-**	**1577**

II. National Merit Scholarship Scheme

This scheme has been introduced since the 2004-05 session, replacing the earlier National Scholarship Scheme. A few changes in the funding pattern, rate, quota, selection criteria etc. have been effected. The main distinctive part of this scheme are given below :

(i) The scheme is absolutely centre-funded.

(ii) The parental income ceiling is Rs. 1.00 lakh per annum.

(iii) Total quota of scholarships for the state is 1421.

National Merit Scholarship Rates and Quota (for West Bengal) :

Stage of study for which Scholarship is given	Rate per month	State's quota of scholarship(NMS)
Classes IX – X	Rs. 250/- (for 10 months in a year)	678
Classes XI – XII	Rs. 300/- (for 10 months in a year)	853
Graduation	Rs. 500/- (for 10 months in a year)	426
Post-Graduation	Rs. 750/- (for 10 months in a year)	142

N.M.S. Sanction Figures from the Education Directorate in 2006-2007

Budget – Head awarded	Amount sanctioned	Number of Scholars
2202-03-107-CS-(New Scheme)-002-V-31-02	Rs. 21,70,250/-	105

The procedure which is followed for selecting candidates at the PG & UG-level for the National Merit Scholarship Scheme and for disbursement of the scholarship to them is as follows :

The State's quota (142) for PG – level scholarships (NMS) is divided among different universities of the state. The universities then prepare their own Merit Lists (as per the quota) based on the results of their students in their graduation – level examinations and on the annual family income of the students.

For the UG – level National Merit Scholarships (quota = 426), the West Bengal Higher Secondary Council prepares the merit list and distribute the formal application forms plus Entitlement Cards to the suitable HS – passed candidates in a similar manner as described above.

III. D.P.I. Special Stipend Scheme :

This covers two types of financial assistance : (i) General Stipend, and (ii) Ad-hoc grant.

D.P.I. Special Stipends (General Stipend) are given to those Madhyamik-passed / graduation-passed students who have good results but not enough to get them a place in the merit list for National Scholarship / National Merit Scholarship. A fresh Madhyamik-passed student may continue to get the stipend till the last year of his / her graduation, provided.

Current rate, quota and eligibility information for D.P.I. Special Stipend Scheme (General Stipend) :

Qualifying students	Stipend for which stage of study	Total quota	Rate per month	Current Minimum marks required	Guardians' / parents income ceiling (per annum)
M.P.-passed	H.S. & U.G	250	Rs.40/-	65%	Rs. 25,000 p.a.(for Non-salaried parents/ Guardians) Rs. 35,000/- p.a.(for Non-salaried parents/ Guardians)
Graduation (with Honours) -passed	PG	200	Rs.60/-	50%	Rs.50,000/-p.a (for non-salaried parents/ Gurdians Rs.60,000/- p.a. (for Salaried parents/ Guardians)

The other category of D.P.I. Special Stipend, called Ad-hoc Grant, is given to four institutions in the state – (i) R.K. Mission Vidyapith, Purulia, (ii) R.K. Mission Ashrama, Sarisha, (iii) R. K .Mission Multi-purpose school, Kamarpukur and (iv) Jalpaiguri Govt. Engineering College, who in turn disburse this grant among a fixed number of their most needy and meritorious students.

Sanction Figures in 2006 – 2007 :

Type Scholars	Budget – Head	Amount Sanctioned	Number of Scholars awarded
D.P.I. Spl. Stipend (General Stipend)	2202-80-107-NP-001-V-31-02	Rs. 1,97,340/-	254
D.P.I. Spl. Stipend (Ad-hoc Grant)	2202-80-107-NP-002-V-31-02	Rs. 50,274/-	(distributed among the four institutions)

Efforts are on to revise and rationalise the rate and quota of D.P.I. Special Stipends (both General Stipend and Ad-hoc Grants).

IV. Hindi Scholarship Scheme :

In order to encourage the study of Hindi in Non-Hindi speaking states, Government of India has implemented the Hindi Scholarship Scheme for the post-matric students [H.S., U.G., P.G., and Research (M. Phil. / Ph.D. etc)]. The scholarship is given to students whose mother tongue is not Hindi and who are studying in a Non-Hindi speaking state in a recognized full-time course with Hindi as the sole subject or as one of the subjects. The quota of Hindi Scholarships For West Bengal is 239.

Hindi Scholarship Rates and Eligibility Criteria :

Stage of Study	Quota (Total = 239)	Rate	Eligibility for applying
For H.S. stage	143	@Rs.300/- per month	Hindi is to be subject In H.S. course and 60% marks in aggregate in the Matric Exam. (Madhyamik / CBSE/ ICSE etc.)
For Graduation (UG) stage	72	@Rs.500/- per month	Hindi to be a subject in UG-course and 60% aggregate marks in the H.S. Exam.
For Post-Graduation (PG) and/or Research Stage	24	@Rs.1000/- per month	Hindi to be the subject of study and 60% marks in Graduation or Post-Graduation as the case may be

Sanction Figures for Hindi Scholarship in 2006 – 2007 :

Budget – Head (Non-Plan- Developmental)	Amount sanctioned	Number of Scholars awarded
2202-05-200-ND-001-V-50	Rs. 7,06,200/-	217

V. West Bengal Merit-cum-Means Scholarship Scheme :

The State Govt. has introduced from the academic year 2006-2007, a new scholarship scheme, 'West Bengal Merit-cum-Means Scholarship' for providing financial assistance to the poor but meritorious students of the State pursuing their studies at various Post-Madhyamik levels. The amount of such scholarship will vary from Rs.500/- to 1500/- per month depending of the course of study.

The student who are domicile in West Bengal and are studying in one of the State Govt. institutions or State Govt. aided institutions after passing out from the State Board/Council of Secondary Education or State Aided University in West Bengal will be eligible for this scholarship.

3.12 FULL AND HALF FREE STUDENTSHIP FOR THE ENGINEERING & TECHNOLOGY STUDENTS :

In order to extend relief to the poor and meritorious students admitted into Govt. Engineering and Technology colleges, the State Govt. has taken measures to grant the benefit of full and half free studentship. 10% students selected on merit cum means basis will come under the purview of the scheme each year. Private self financing colleges have also been asked to extend such facilities to the possible extent.

3.13 PHYSICAL EDUCATION

Although Physical Education and Sports are not included in regular curriculum of all Govt. and Non Govt. Colleges but Government encourages these activities in various ways. These are part of Physical Instructor. Physical Instructors in colleges and they are entrusted with responsibility of organising games and sports in various colleges. Grants are released for development of play facilities and for purchase of equipments.

1. Development grant were sanctioned to the Govt. Physical Education Colleges for purchase of Books, Journals, Research Equipments etc. to four Govt. Physical Education Colleges for the 2006-07.

2. Development grant for purchase of sports equipment to all the Govt. Degree Colleges for promotion of games and sports.

3. Development grant for improvement of Laboratories and Libraries to P.G. Deptt. of Physical Education for Banipur and Hastings House.

4.2 Management Education

CHAPTER – 4

ENGINEERING & TECHNOLOGY AND MANAGEMENT EDUCATION

4.1 ENGINEERING AND TECHNOLOGY EDUCATION

Till 1968, West Bengal had only 9 engineering institutions, all of which were either in the government or in the university sector. The total intake of undergraduate and postgraduate students in engineering was in the range of 1500 only. This went up slightly to a figure of 2050 in 1994. Self-financing engineering colleges were encouraged in a big way by the government and barring the notable exception of the Kalyani Government Engineering College - the only engineering college in the government sector that was established at Kalyani in Nadia in 1995 – all others were in the private sector. In last 10 years time, the number of engineering institutions has leapfrogged to 62 (sixty-two) with a total intake capacity of nearly 16000.

6 (six) new Engineering & Technological Colleges have been set up on self-financing basis in the academic session 2006-2007 – 3 (three) Engineering and the others for Pharmaceutical Technology. Total number of Engineering & Technological institutes (including university Engineering departments) in the State is now 62 (sixty-two) with an approved intake of nearly 16000.

Information and Communication Technology related courses :

It may be emphasized that due to increasing demand of technical manpower in the field of information technology and related areas, most of the newly established institutions have introduced degree courses in Information Technology, Computer Science & Engineering and Electronics & Communication Engineering. Thus out of nearly 16,000 engineering seats , share of seats in Information Technology, Computer Science & Engineering, Electronics & Communication Engineering and other similar courses is 8700.

Biotechnology courses :

Biotechnology, Bio-Medical Engineering and Food Technology courses are now taught at undergraduate level in a number of colleges. Biotechnology and Food Technology courses are available at Jadavpur University, Calcutta University and West Bengal University of Technology and some private engineering colleges.

Introduction of Master of Computer Application (M.C.A.) Courses :

The expansion of engineering and technology education in the State has been further facilitated by the introduction of M.C.A. course in as many as 28 (twentyeight) Institutions including the universities. The total intake capacity for the Master of Computer Application (M.C.A.) course is more than 1300 .

This apart, NIT, Durgapur; Bidhan Chandra Krishi Viswavidyalaya , Netaji Subhas Open University, Visva-Bharati and Indira Gandhi National Open University also conduct MCA course.

Lateral Entry Scheme :

In tune with the scheme of the All India Council for Technical Education, the State Govt. has extended the scope of degree level engineering education to the diploma holders in engineering in the State through the Lateral Entry Scheme. Under this scheme, diploma holders from the Polytechnic institutions have got the opportunity to seek direct entry in the second year of undergraduate engineering courses after qualifying in a state level admission test conducted for the purpose to the extent of 10% of the total intake along with vacant seats of 1st year.

Revision of fee structure :

Fee-Structure Committee set-up by the State Government in the Higher Education Deptt. as per the judgment of Supreme Court has made an interim recommendation for the revision of fee structure of the Engineering and Technology courses. The Committee recommended for revision of existing tuition fee (Rs.31,200) to Rs. 41, 000/- per annum maximum for self-financing Engineering and Technology Colleges. A Government Order has been issued vide No. 410-Edn(T) , dated, 21.06.2006.

ENGINEERING & TECHNOLOGY AND MANAGEMENT EDUCATION

World Bank Assisted Govt. of India sponsored project – Technical Education Quality Improvement Programme(TEQIP). :

This is for the first time in the State of West Bengal that any externally aided Govt. of India sponsored programme for upgradation of degree level Engineering & Technology Education is being implemented.

Under TEQIP, three universities, e.g. Calcutta University , Jadavpur University and Bengal Engineering and Science University acting as lead institutions and eight network institutions (4 Govt. Institutions and 4 Self-financing/Private institutions) have been selected.

Govt. Institutions: Jalpaigur Govt. Engineering College, Jalpaiguri; Kalyani Govt. Engg. College, Kalyani; Govt. College of Engg. & Ceramic Technology , Kolkata and Govt. College of Engg. & Textile Technology, Serampore.

Private self financing Institutions: Haldia Institute of Technology, Haldia; Institute of Engg. and Management, Salt Lake; Asansol Engineering College, Asansol and Netaji Subhas Engineering College, Kolkata.

Lifetime allocation of the programme is Rs. 153.00 crore. The 1st phase of the Project will be completed in August, 2008. Till 2006-07 the State Govt. released Rs. 130 crore.

Areas of development under the TEQIP are :

1. Introduction of new programmes (Engg. & Technology both in U.G & P.G.)
2. Reformation (obtaining partial autonomy)
3. Internal Revenue Generation
4. Faculty and Staff Development Programme
5. Net working
6. Infrastructural Development
7. Community Development; Tribal Development.

Government Merit-cum-Means Scholarship :

From 2006-2007, a scholarship scheme has been introduced with 'Chief Minister's Fund' at the rate of Rs. 1400 per month per student. Higher Secondary passed students studying in Government /Government aided Institutions (family's annual income not more than Rs. 50,000) are eligible for applying under this Scholarship Scheme. Rs. 5,88,000/- has been sanctioned for this purpose initially, 75 persons have been targeted for granting this Scholarship.

Other Professional Courses :

West Bengal University of Technology (WBUT) has launched several professional courses other than Engg. & Tech. from 2001-2002 academic year . Initially the university gave affiliation for B. Optometry (4 year's course), BBA (3 Year's course),etc. Entry level qualification for these courses is '10+2' level. Gradually, WBUT started affiliating courses like Hospitality Management , Travel and

Tourism Management , Insurance and Risk Management , etc. In 2006-2007, there are 28 No. of affiliated Colleges under WBUT conducting various Non-AICTE professional courses and the total intake capacity is about 6,000.

Significant Policies adopted for effective Governance of the Private Self-financing Institutions :

1. **Financial Assistance to poor and meritorious students :**

   While recommending enhancement of tuition fees, the Fee-structure Committee has also recommended for a provision of free-studentship to the meritorious and economically handicapped students at least to the extend of 5% of the annual intake. This provision has been implemented by most of the Colleges authorities towards financial assistance to such students who submitted prayer for such financial assistance.

2. **Refund of fees for re-admission to second Institution through re-counselling**

   Large number of applications were received in the Directorate from the students opting for admission in other colleges through re-counselling requesting refund of tuition fees .The Directorate has taken initiative and requested the colleges to refund the fees to the students concerned following the Government Order issued in this regard. The institutions have responded voluntarily.

3. **Restructuring of the Governing Body and its proper functioning as per guidelines of the AICTE**

   Due attention has been given for constitution of the Governing bodies of the colleges following the AICTE norms. The State Government has taken pro-active role towards their proper functioning. The colleges have been instructed to conduct Governing Body meetings at regular intervals.

4. **Rating of Private Institutions for their gradual up-gradation**

   Some quality markers have been identified and information on those aspects are being collected from the self-financing Colleges. Some grade points have been assigned against each such quality marker based on which scoring of each of the Colleges has been initiated. In this way, the significantly weak areas of each College could be identified so that those can be improved by joint effort of the Directorate and the Institutions.

EXISTING FACILITIES IN ENGINEERING & TECHNOLOGY EDUCATION :

B.E./B.Tech./B.Pharm and B.HM courses at post-H.S. Level are available in more than 60 (sixty) Engineering and Technology Institutes of the State. These includes the 5 (five) university/university faculties, 6 (six) Govt. Engineering & Technology colleges, the Institute of Jute Technology under the Ministry of Textiles, Govt. of India, Institutes and rest are private Engineering/Technology/Hotel Management colleges.

PROPOSED DEVELOPMENT IN ENGINEERING & TECHNOLOGY EDUCATION

1. The State Govt. in the Higher Education Department will issue No Objection Certificates for establishment of a new private engineering & technology colleges selectively for the courses in emerging areas only.

2. Introduction of postgraduate courses in the College of Leather Technology, Kolkata, the College of Ceramic Technology, Kolkata and also in a few well performing private engineering colleges are under consideration.

3. Further development of infrastructural facilities at all the Govt. Engineering & Technology Colleges of the State.

4. The efforts for the development of infrastructural facility for the aided Engineering Institutes would be further supplemented.

5. Action-oriented drive for filling up the vacant posts of faculties & technical supporting staff would be expedited.

6. Qualitative improvement of higher technical education concentrating on consolidation of the gains rather than going on further expansion.

4.2 MANAGEMENT EDUCATION

Indian Institute of Social Welfare and Business Management is the oldest Management Institute not only in West Bengal but also in whole of India, offering MBA (CU) and a few other specialized Management Programmes. Subsequently, Management Programme (PG) was introduced in Central Govt. funded Institutions, in a few state universities and also in a good number of private self financing institutes.

Presently, full time (2 yr. post graduate Management Programme) MBA/PGDBM is imparted in Central Govt. funded institutions like, IIM, Kolkata; IIT , Kharagpur; NIT, Durgapur and Visva Bharati, Santiniketan.

Full time MBA Programme is also imparted within the purview of the Department of Higher Education, West Bengal in the following catagory of institutes.

CHAPTER – 5

UNIVERSITIES

5.1 GENERAL INFORMATION :

Out of Fifteen State aided universities in West Bengal, ten universities come under the administrative jurisdiction of the Department of Higher Education. A list of the universities is given below. The Department has in recent years, set up two universities. The Netaji Subhas Open University was established in 1997 for the education of the distant learners. The West Bengal University of Technology was set up in 2000 to improve the quality of instruction and research in Engineering and Technology and Management. B.E. College (DU) has been upgraded to Bengal Engineering & Science University by virtue of Bengal Engineering & Science University Act, 2004.

The Bidhan Chandra Krishi Viswavidyalaya (BCKV) and Uttarbanga Krishi Viswa Vidyalaya come under the jurisdiction of the Department of Agriculture. A university for the study of animal sciences and fisheries was created out of the BCKV in 1995 by the Department of Animal Resource Development. A new agricultural university, Uttar Banga Krishi Viswavidyalaya was also carved out of the BCKV in 2001. The West Bengal National University for Juridical Sciences under the jurisdiction of the Department of Law started functioning in 2000. Recent addition to the universities in the State is The West Bengal University of Health Sciences which started functioning from 1st January, 2003.

In 2005, Ramkrishna Mission Vivekananda Education and Research Institute, (RKMVERI) the first private self financing "Deemed University" has been established at Belurmath, Howrah.

5.1.3 ACADEMIC STRUCTURE

Academic activities of the universities are carried out through various departments under different Faculty Councils. The Deans of these Councils advise on academic matters and co-ordinate the departmental programmes. For the planning and implementation of the academic programmes of the departments, there is a departmental committee in each of them. The Head of the Department is the Chairman of the said committee. The Board of Studies under each Faculty Council plans and reviews the syllabus and assists the examination process.

5.2 CALCUTTA UNIVERSITY (1857)

The Calcutta University along with the Bombay University and the Madras University was established in 1857. The university is now being governed by the Calcutta University Act, 1979 which came into force on February 10, 1983.

The Calcutta University affiliates colleges mostly at the under-graduate level and also offers courses directly at the post-graduate level. The number of colleges affiliated by the University is 204. The university has allowed a few of its affiliated colleges including the Presidency College, the Maulana Azad College and the Dinabandhu Andrews College to teach at the post-graduate level.

The Calcutta University has four campuses, namely,

- ASHUTOSH SHIKSHYA PRANGAN at 87/1, College Street,
- RASHBEHARI SHIKSHYA PRANGAN at Rajabazar,
- TARAKNATH SHIKSHYA PRANGAN at 35, Ballygunge Circular Road, and
- SAHID KHUDIRAM SHIKSHYA PRANGAN at Alipore.

It has 58 departments and offers 80 courses to nearly 12,000 post-graduate students.

The university monitors and awards Ph. D. degrees to research scholars. On an average, the Ph.D. degree is awarded to 175 students each year. According to a **NISSAT** report, in terms of output and impact, the university is among the first ten universities of the country in research on science and technology. The **UGC** has awarded **CAS/DSA/DRS/COSIST** programmes to more than fifteen departments of the university on the basis of research performance.

The four major campuses of the university have leased line access to the **VSNL** server. Through optical fibre network different departments and faculty members get access to E-mail and Internet facilities by router system. The central library is automated by using **SOUL** developed by **IFILIBNET**.

The university has created the B.C. Guha Center for Genetic Engineering and Biotechnology and the S.N. Pradhan Institute of Neuroscience with financial assistance from NRIs and eminent individuals.

The State Government and the Government of India have also extended financial assistance to the B.C. Guha Centre.

The National Assessment and Accreditation Council (NAAC) visited the university and awarded a five star status to it in May 2001. The University has also been declared by UGC as the "University with potential for excellence".

5.3 JADAVPUR UNIVERSITY (1955)

In the year of 1905-06, the attempt of the British rulers to partition Bengal led to a countrywide agitation. The intense nationalist movement found cultural expression in one form of reaction against the prevalent system of education. The National Council of Education, Bengal, was started in 1906 'To impart and promote the imparting of Education – Literary and Scientific, as well as Technical and professional – on national lines and exclusively under national control, not in opposition to, but standing apart, from existing system of Primary, Secondary and Collegiate Education.

The foundation of the National Council of Education, Bengal, was made possible by three generous donors: Raja Subodh Chandra Mallik, Brojendra Kishore Roy Chowdhury of Gouripur and Maharaja Surya Kanta Acharyya Choudhury Bahadur of Mymensingh. The first President of NCE, Bengal was Sir Rash Behari Ghose. Thereafter Rabindranath Tagore, Sri Aurobindo, Dr. Bidhan Chandra Roy, Prafulla Chandra Ray and other eminent leaders were associated with it.

Under the leadership of Sir Rash Behari Ghose, a society named 'Society for Promotion of Technical Education in Bengal' in parallel to NCE, Bengal, was founded with the objective of imparting scientific and technical education for industrial progress. The Bengal Technical Institution (later known as the College of Engineering and Technology, Bengal) was started in the wake of such efforts. In 1910 the Society for Promotion of Technical Education in Bengal was amalgamated with NCE, Bengal.

At the time of Independence the College of Engineering and Technology, Bengal was virtually functioning as a University. Under the statutory recognition of the Govt. of West Bengal, on 24 December 1955 the institution was accorded the status of a University and its name was altered to 'Jadavpur University'.

5.3.1 FACULTIES & DEPARTMENTS

UNDER-GRADUATE COURSES :

A. Faculty of Science :

B.Sc. Hons. (Day Course) – 3 years (6 Semester)
Chemistry, Geological Science, Mathematics & Physics.

B. Faculty of Arts :

B.A. Hons. (Day Course) – 3 years (6 semester)
Bengali, Comparative Literature, Economics, English, History, Library & Information Science, Philosophy, Physical Education. Political Science, Sanskrit.
B.A. Hons. (Day Course) – 1 Year examination system Library & Information Science.

C. Faculty of Engineering & Technology :

B.E. (Day Course) – 4 years (8 semester)

Chemical Engg., Civil Engg., Computer Sc. & Engg., Construction Engg., Electrical Engg., Electronics & Telecommunication Eng., Information Technology, Instrumentation & Electronics Engg., Mechanical Engg., Metallurgical & Material Engg., Pharmaceutical Tech., Power Engg., Printing Engg., Production Engg.

B.Tech. (Post B.Sc.) (Day Course) – 3 years (6 Semester.)

i. Food Tech. & Bio-Chem Engg.,

ii. Instrumentation & Electronics Engg.

Architecture Engg. B. E. (Day Course) – 5 years (10 Semester.)
B. E. (Eve. Courses) – 5 Years (10 Semester)

Civil Engg., Electrical Engg. & Mechanical Engg.

POST-GRADUATE COURSES :

A. Faculty of Science :

M.Sc. (Day Course) – 2 years (4 Semester)

Chemistry, Applied Geology, Mathematics, Electronics Science & Physics.

M. Tech. in Bio-Technology – 1½ years (3 Semester)

M.Phil. in Environmental Science – 2 years

M.Sc. (Eve. Course) – 3 years (6 Semester)

Chemistry , Mathematics & Physics.

B. Faculty of Arts :

M.A. (Day Course) – 2 years (4 Semester)

Bengali, Comparative Literature, Economics, English, History, International Relation, Library & Information Science, Philosophy, Physical Education, & Sanskrit.

M.A. (Eve. Course) .- 3 years (6 Semester)

Bengali, Economics, English, History, Philosophy

M.Phil. in Arts – 2 years

Bengali, Comparative LIterature, Economics, English, History, International Relation, Philosophy, Sanskrit, Sociology & Women Studies.

C. Faculty of Engineering & Technology :

M.E. /M.Tech./ M.Pharm. (Day Courses) – 2 years (4 Semester)

Architecture Engg., Chemical Engg., Civil Engg., Computer Sc. & Engg., Electrical Engg., Electronics & Telecommunication Engg., Food Tech. & Bio-Chemical Engg., Software Engg., Instrumentation & Electronics Engg., Mechanical Engg., Metallurgical & Material Engg., Pharmaceutical Tech., Production Engg., Master of Bio-Medical Engg., Master of Control Engg., Master of Water Resource Engg., M.Tech. in Energy Science, M.Tech. in Material Sc., Master of Multimedia Development.

Master in Computer Application (MCA) – 3 years (6 Semester)

M.Tech. in Computer Technology (Eve.) – 3 years (6 Semester)

B. Ed (Special Education) course in Locomotor & Neuromuscular Disorders & Mental Retardation and P.G. Diploma in Bioinformatics.

D. Following Language courses are also conducted by the University –

French, German, Italian, Spanish, Bengali, Japanese, Hindi, Sanskrit, Portugese, Russian, Tamil.

E. New Courses :

Faculty Council of Arts –

2 years Post Graduate Diploma Course in Digital Library Management (Evening)

2 years Post Graduate Diploma Course in Yoga Therapy.

Faculty Council of Science –

Dept of Instrumentation Science –

- 1 yr. P.G. Diploma in Instrumental Techniques in Chemical.
- 25 weeks Certificate course on Training of Lab. Asst.

Faculty Council of Engineering & Technology –

M.E. (Automobile Engineering) - {two years full time} - Dept. of Mechanical Engineering.

Master of Illumination Engineering.- {two years full time}- Dept. of Electrical Engineering.

Master of Power Engineering {two years full time} - Dept. of Power Engineering.

Master of Clinical Pharmacy & Pharmacy Practice - {two years full time} - Dept. of Pharmaceutical Tech.

Master of Nanoscience & Technology - 2 years Day Time

Master of VLSI Design & Micro- Electronics Technology. (Eve. Course) – 3 Years

M.Tech. in Distributed and Mobile Computing (Eve. Course) – 3 Years

Multi-modal Digital Distance Education –

- M.Tech IT Courseware Engg. - 2 years
- P.G. Diploma in Multi-Media & Web Technology.

5.3.5 HIGHLIGHTS OF ACTIVITIES DURING 2006-2007

New courses introduced :

1. All India Council for Technical Education (AICTE) has approved a 3-year Part time P.G. course in VLSI Design and Microelectronic & Intelligent Automation Robotics and 2 years full-time PG courses in Clinical Pharmacy and Pharmacy Practices, Nanoscience and Technology, Illumination Engineering, Power Engineering and I. T (Courseware Engineering).

2. Department of Adult, Continuing Education and Extension has introduced the following four One- Year Post Graduate Diploma Course from this session, namely,

   i) Software Engineering & Business Management

   ii) Bioinformatics

   iii) Montessori and Kindergarten Teachers' Training and

   iv) Herbology.

3. The Department of Adult, Continuing Education and Extension has also introduced from this year B. Ed (Special Education) degree programme in Locomotor impairment and Cerebral Palsy in collaboration with Indian Institute of Cerebral Palsy. This is the first of its kind in Eastern India and is in tune with the identified thrust area of Special Education under the **'University with Potential for Excellence' scheme**.

4. The School of Education Technology (SET) has introduced a M. Tech I.T (Courseware Engineering) course in the class-room format. Further, the university through SET is also offering (a) P.G Diploma in Multimedia and Web Technology and (b) M. Tech IT (Courseware Engineering) in Multimodal Digital Distance Education format.

- The Faculty of Engineering and Technology, Jadavpur University has been selected as a lead Institution under the World Bank assisted Technical Education Quality Improvement Programme (TEQIP) of Government of India. The University has been granted an allocation of Rs. 23.57 crores under the programme.

- In the Faculty of Arts, a 2 - year Post Graduate Diploma in Yoga Therapy under the Department of Physical Education has been introduced. A P.G. Certificate course in Editing and Publishing has also been introduced.

- Two new Centres for specialized Studies and Research viz, **1) Centre for Quality Construction and Sir C. V Raman Centre for Physics & 2) Music** have been started.

- Department of English has been designated by the UGC as a **Center of Advanced Studies (CAS).** This is a great national recognition considering the fact that the Department is the first among Indian Universities to get this status. Further, Department of Philosophy has been approved for CAS, Phase IV for five years, 2004 -2009 by the UGC.

- **University Grants Commission** has also extended support to four Departments of the Arts Faculty, namely, Comparative Literature, Philosophy, International Relations & Economics under its AS/HSS (Strengthening of the Infrastructure of the Humanities and Social Sciences) programme.

- The Department of History received the Departmental Research Support (DRS) grant of Rs.38.00 lakhs under the UGC Special Assistance Programme to conduct Research on the 'Environmental History of India'.

- The Department of Science and Technology, Government of India has extended support to the Department of Chemical Engineering and School of Energy Studies with grants of Rs. 65.00 lakhs and Rs. 20.00 lakhs respectively under its FIST (Funding for Improvement of Science & Technology Infrastructure in University) programme.

- UGC has brought two of the premier Engineering Departments, Mechanical Engineering and Chemical Engineering, under its Departmental Research Support (DRS) of Special Assistance Programme (SAP) and Department of Metallurgical & Material Engineering has been upgraded from DRS to DSA (Department of Special Assistance) status.

- **Industry Institute Partnership Cell** has accelerated its speed in industry interaction providing multiple services towards consultancy/testing /R & D facilities to about 160 organizations/ Government departments as well as in public and private sectors all over India. A few examples of such Industries are: Bridge & Roof, ABB, Metro Railway, The Asiatic Society, Indian Ordinance Factories, Eastern Railways, Hindustan Paper Corporation Ltd., Price Water House, BSNL, KMDA, Exide Industries Ltd., Indian Oil, ESAB India Ltd., Jute Corporation of India, CPWD, Hindustan Petroleum, Britannia Industries, CESC, M.N. Dastur and Company, Airport Authority of India etc.

- Prof. Samaresh Bhattacharyya, Department of Chemistry and Dr. Nibir Mondal, Department of Geology of the University have been awarded the prestigious "Bhatnagar Award' of the year 2005 for their outstanding contribution in the field of concerned research areas.

- An MOU has been signed for **Indo-Italian Academic collaboration** jointly by C.U., J.U. and R.B.U. with 4 reputed Italian universities, namely, Rome University, Turin University, Venice University and Naples University.

5.4 RABINDRA BHARATI UNIVERSITY (1962)

The Rabindra Bharati University was founded on May 8, 1962 under the Rabindra Bharati Act to mark the birth centenary of poet Rabindranath Tagore. Its main objective is "to encourage in conformity with the ideas and thoughts of Rabindranath Tagore, the integration of cultural heritage of the nation consistent with its linguistic and socio-economic history and to enable it to function more efficiently as a university encouraging and providing for instruction, teaching, training and research...". The Maharshi Bhaban and Bichitra located at Jorasanko Complex of the university houses (i) a biographical museum on Tagore and aspects of the Bengal Renaissance; (ii) three Art galleries–the first one exhibiting Tagore's paintings (original), the second the portraits and personal effects of the family and the third the paintings of the Bengal School painters, notably Abanindranath Tagore, Nandalal Bose, Jamini Roy, Ramkinkar Baij etc.

(i) Course – B. A. (Hons.) (3 – year)
Subject : 1. Bengali, 2. Economics, 3. English, 4. History, 5. Philosophy, 6. Sanskrit, 7. Political Science.

(ii) Course – M. A. (2 – year)
Subject : 1. Bengali, 2. Economics, 3. English, 4. History, 5. Philosophy, 6. Sanskrit, 7. Political Science, 8. Education.

(iii) Course – B.Ed. (1 year)
Subject : Education

(iv) Course - B.LISc. (1 year.)
Subject : Library & Inf. Sc.

(v) Course - Diploma in Tagore Literature (1 year)
Subject : Bengali

(vi) Course – M. Phil. (2 – year)
Subject : 1. Bengali, 2. English, 3. Philosophy, 4. Sanskrit.

B. FACULTY OF FINE ARTS (Jorasanko Campus)

(i) Course – B. A. (Hons.) (3 – year)
Subject : 1. Dance, 2. Drama, 3. Instrumental Music, 4. Percussion, 5. Rabindra Sangeet, 6. Vocal Music

(ii) Course – B. A. (Spl. Hons.) (2 – year)

Subject : 1. Dance, 2. Drama, 3. Instrumental Music, 4. Percussion, 5. Rabindra Sangeet, 6. Vocal Music

(iii) Course – Senior Diploma (3 year)

Subject : 1. Dance, 2. Drama, 3. Instrumental Music, 4. Percussion, 5. Rabindra Sangeet, 6. Vocal Music

(iv) Course – Junior Diploma (2 year)

Subject : 1. Dance, 2. Drama, 3. Instrumental Music, 4. Percussion, 5. Rabindra Sangeet, 6. Vocal Music

(v) Course – M. A. (2 – year)

Subject : 1. Dance, 2. Drama, 3. Instrumental Music, 4. Percussion, 5. Rabindra Sangeet, 6. Vocal Music, 7.Musicology, 8. Mass Communication & Videography

C. FACULTY OF VISUAL ARTS (Jorasanko Campus)

(i) Course - Bachelor of Visual Arts (BVA) – (4 - Year)

Subjects : 1. Applied Art, 2. Graphics (Print Making), 3. Sculpture, 4. History of Art, 5. Painting

(ii) Course - Master In Visual Arts (MVA) - (2 - Year)

Subjects : 1. Applied Arts, 2. Graphics (Print Making), 3. Sculpture, 4. History of Art, 5. Painting

D. Other Courses :

i) Ph. D. in all subjects of Arts, Fine Arts & Visual Arts Faculties.

ii) D. Litt.

5.4.2 Other Sponsored Centres for Study and Research

1. Centre for Tagore Studies.
2. School of Vedic Studies (Zonal Advance Centre).
3. Centre for Gandhian Studies.
4. Centre for Dr. Radhakrishnan Studies.
5. Centre for Mass Communication and Videography.

Originally these centres were sponsored by the U.G.C. but at present the liability is borne by the State Govt.

5.4.3 Other Establishments at Jorasanko Campus

A. The West Bengal State Academy of Dance, Drama, Music and Visual Arts

B. Biographical Museum on Poet Tagore and Bengal Renaissance.

C. Art Gallery : (i) Tagore's Paintings, (ii) Family Portraits, (iii) Bengal School of Paintings.

The Centre for Adult, Continuing Education and Extension, Community Services, National Service Scheme, Rabindra Bharati Sanskrit Prachar Prakalpa — 2 centres.

5.4.4 No. of Affiliated Institutions

Art College - 1(Indian College of Art and Draughtmanship)

Course - B.V.A. (Hons.)

5.4.5 D.Litt./ Ph.D. Programme

i) Ph.D. Programme : Bengali, English, History, Philosophy, Political Science, Economics, Sanskrit, Painting, Dance, Vocal Music, Drama, Instrumental Music, Rabindra Sangeet, History of Art, and Visual Art.

ii) M. Phil Programme : (2 Year) - Bengali, English, Philosophy, Sanskrit.

5.6.3 HIGHLIGHTS OF THE MAJOR ACTIVITIES UNDERTAKEN DURING THE YEAR.

New Courses and Prgrammes :

Accreditation by NAAC & subsequent steps :

After the process of Assessment and Accreditation of the University as a whole by NAAC during 2001, the University is taking Strategic Plans for accelerating new programmes of teaching and research in Emerging Areas before the next visit of the Peer Review Team of NAAC which is due in 2007. The Internal Quality Assurance Cell is going to organize one day workshop on Best Practices under the auspices of NAAC and for which financial assistance to the tune of Rs.1.05 lakh has been received from NAAC.

Assistance received from UGC & State Govt. under Plan Head :

The progress of the Developmental schemes also speaks for continuing progress. The University has received and fully utilized a grant of Rs. 204.00 lakh out of a total allocation of Rs. 340.00 lakh as Xth Plan Developmental Assistance from UGC. Appreciating the progress the university has so far made, UGC has released the third installment of Developmental Assistance to the tune of Rs. 68.00 lakh.

UNIVERSITIES

To take steady stride towards sustained development the University in the current financial year has submitted a proposal for capital construction to the tune of Rs. 2.50 crore to the Govt.of West Bengal towards construction of the Departments of Molecular Biology & Biotechnology, Microbiology, Physiology, Geography and renovation of Library Building and those are under active consideration of the Higher Education Department. Against an administrative approval of Rs.14.00 lakh the University has received an amount of Rs. 7.50 lakh towards construction and repair of Science Faculty Road.

Earned Accolade from DST- Govt. of India :

It would be worth mentioning that after availing of the funding of Department of Science & Technology (DST), Govt. of India under the FIST(Fund for Improvement of infrastructure in Science & Technology) Programme to the tune of Rs. 143.00 lakh the departments of Chemistry, Biochemistry & Biophysics, and Zoology have now applied for the Special Assistance Programme of the UGC and those are under active consideration.

Research Activities :

The University Departments in all of its faculties have recorded remarkable performance in research. The University is oriented towards serious effort to develop its potential by strengthening and extending research activities in its preferred areas through collaborations with other Institutions/ Bodies in India and abroad. On-going Foreign Collaborations in research on selected areas with Countries like Japan, Sweden, Germany, UK, France are helping the University for proceeding towards its goal. The University very recently has entered into a Memorandum of Understanding with Valencia University, Spain.

In the changing scenario of Higher Education system in the twenty first century, the University is active in strengthening its research activities in the emerging and developing areas. Following on-going Research Projects at different University Departments as mentioned below are noteworthy :-

i) To combat the problem of arsenic contamination in ground water of several districts of West Bengal, the Chemistry department has been continuing extensive researches on arsenic mobilisation and its possible remedial measures with the support of Indo-French Centre For The Promotion of Advanced Research (IFCMR), **Indo-Swedish Collaboration and with the Project supported by Rajiv Gandhi National Drinking Water Mission of the Govt. of India .**

The Collaborative Project entitled " **Nanoscale Biogeochemistry of Arsenic and Remediation of High Arsenic Groundwaters in Southern Asia" funded by EPSRC, Wiltshire, UK with a sanctioned amount of £75,000 sterling pound (Rs.54.00 lakh) involving University of Manchester, UK has left much impression in this regard.**

A number of Major Research projects have also been sanctioned in the recent past by DST and CSIR in Chemistry department. One of such projects is" Mono and Poly nuclear complexes

of heavier transition metals incorporating Ligands with extended delocalization. A search for new electron transfer centres and photoactive materials."

Researches in emerging areas are also being conducted with the help of the equipment procured out of the grant received from DST under FIST programme.

ii) The Department of Biochemistry & Biophysics is continuing its research with funding of various agencies like CSIR, DBT, DST, ICMR, DRDO, LSRB etc. The projects entitled "Molecular mechanism of DNA entry into E.coli cells during its artificial transformation" funded by DBT; "Studies on the mechanisms of oxidant mediated Ca2+ release from microsomes of pulmonary vascular smooth muscle" funded by DRDO and "Studies on signal transduction mechanism in oxidant induced alteration of Ca2+ dynamics on microsomes of Pulmonary smooth muscle cells " funded by DBT have yielded in considerable research output.

iii) With the **second phase of support from UGC** against a sanctioned amount of **Rs. 18.70 lakh** extensive researches on **"High Temperature Superconductivity"** are being conducted at the Department of Physics.

iv) The Department of Zoology has been able to maintain its excellence through its research projects like "Identification , pathobiology and control of some dreaded protozoan poultry diseases of West Bengal" funded by DST, " An investigation for testing efficacy and mechanism of action of certain potentized homoeopathic drugs in combating artificially induced hepatocarcinoma in mice and rats " funded by **AYUSH , Ministry of Health & Family Welfare, Govt. of India**, " A comprehensive study on arsenic toxicity and its amelioration by administration of ultra-low doses of homoeopathic drugs " a **BOIRON LAB, Lyon, France project** for which the foreign collaborator has **sanctioned an amount of 80,000 EURO**. etc.

In the recent past DST, Govt. of India has sanctioned a Major Project entitled " LH/HCG receptor gene expression in mouse uterus and its relevance in steroid hormone and prostaglandin synthesis" against an allocation of **Rs. 19,86,702/-**.

Research in Humanities Streams :

v) In the Department of Economics researches are going on "Economic efficiency in petro-refining in India" funded by ICSSR and on "The political economy of labour in a globalised economy" funded by IDPAD- ICSSR against an allocation of Rs.15,11,114/- .

vi) Under the aegis of financial support of the Ministry of Tribal Affairs effective researches are being conducted in the Department of Sociology on the projects entitled "Mother and Child health care programmes among the tribal in the district of Nadia and "Tribal girl students hinderance towards achievement – A micro study of welfare strategy in the district of Nadia". UGC has provided support through a major research project entitled "Risk and labour: Concern for human sufferings in Small and medium-scale industries in low and high performing economics."

8.	Prof. Dilip Mukherjee, Dept. of Zoology	Epidermal growth factor family in the regulation of rat endometrial function : EGF and TGFa – stimulated cyclooxygenase activity and production of prostaglandin in uterine endometrial cells in Vitro.	3 Years	U.G.C.	**Rs. 6,19,500.00**
9.	Prof. C. R. Sahu, Dept. of Zoology	Evaluation of pesticide intoxication in check development and toxicity amelioration by various diet amendments.	3 Years	U.G.C.	**Rs. 5,50,060.00**
10.	Dr. Animesh Kr. Dutta Dept. of Botany	Induced cytogenetical exploration of Nigella Sativa (Block cumin) for the production of polyploids and also for development of reciprocal translocation and genetic Male sterile lines.	2 Years	U.G.C.	**Rs. 4,60,220.00**
11.	Prof. Sujata Choudhury Dept. of Botany	Exploitation of growth promoting substances of Lantana Camara for improvement in yield and other characters of some important crops.	3 Years	U.G.C.	**Rs. 5,42,960.00**

12.	Dr. A. Mukhopadhyay Dept. of Sociology	Risk and labour : concern for human sufferings in Small and Medium-scale Industries in Low and High performing Economies.	3 Years	U.G.C.	**Rs. 3,14,560.00**
13.	Dr. Tarakdas Basu Dept. of Biochemistry & Biophysics	Molecular mechanism of induction of heel-stock response on E.Coli by treatment with ethanol and other membrane perturbants.	3 Years	D.S.T.	**Rs. 13,32,517.00**
14.	Prof. C. R. Sahu Dept. of Zoology	Use of some ameliorative agents in the recovery of pesticidal effects of Demicron in developing chick embryos.	3 Years	D.S.T.	**Rs. 4,13,820.00**
15.	Prof. K. C. Majumder Dept. of Chemistry	Synthesis of Heterocyclic compounds and reaction mechanism.	3 Years	C.S.I.R.	**Rs. 7,46,000.00**
16.	Dr. Shital Chattopadhyay Dept. of Chemistry	Synthesis of naturally occurring Acyclic and cyclic peptides Biological interest.]	3 Years	C.S.I.R.	**Rs. 3,82.000.00**
17.	Prof. B. B. Jana Dept. of Zoology	Optimisation of pond fertilisation through microbial biogeochemical activities for sustainable Fish Production Phase-II.	3 Years	I.C.A.R.	**Rs. 10,09,808.00**

18.	Dr. Sajal Chakraborty Dept. of Biochemistry & Biophysics	Studies on oxidant mediated activation of Ca2 dependent proteases in Pulmonary vascular smooth muscle membrane.	3 Years	I.C.M.R.	**Rs. 3,35,000.00**
19.	Prof. C. K. Manna Dept. of Zoology	Efficacy of some herbal medicines used by the Tribal people and their impact in the control of Fertility.	3 Years	I.C.M.R.	**Rs. 2,08,760.00**
20.	Dr. D. Chatterjee Dept. of Chemistry	High Arsenic in ground water in West Bengal : Mechanism and mobilisation of Arsenic in W.B. and realistic approaches for in-situ remediation.	3 Years	Rajib Gandhi National Drinking water Mission	**Rs. 26,35,000.00**
21.	Prof. A. K. Biswas Dept. of Botany	Evaluation of Neem Germ Plasm of different Agro-climatic regions of eastern India for potential use as biocide against phytopathogenic microbes.	3 Years	N.A.B.A.R.D.	**Rs. 2,63,000.00** (Out of 5 Lakhs)
22.	Dr. Sajal Chakraborty Dept. of Biochemistry & Biophysics	Studies on the Mechanisms of Oxidant-mediated Ca2+release from microsomes of Pulmonary vascular smooth muscle.	3 Years	DRDO [Life Sciences Research Board, Ministry of Defence, Govt. of India]	**Rs. 19,05,000.00**

23.	Dr. Sajal Chakraborty Dept. of Biochemistry & Biophysics	Studies on signal transduction mechanism in oxidant induced alteration of Ca2+dynamics in microsomes of Pulmonary smooth muscles cells.	3 years	D.B.T	**Rs.30,62,000/-**
24.	Dr. Swati De Dept. of Chemistry	Flurimetric study of Serum Proteins and Heme proteins- Effect of Quenchers, Denaturants and Amphiphiles.	3 years	C.S.I.R	**Rs.2,52,667/-**
25.	Dr. Shital Chattopadhyay Dept. of Chemistry	Studies towards the synthesis of analogues of the novel Telomerase inhibitor Telomestatin.	3 years	D.S.T	**Rs.18,82,320/-**
26.	Prof. Samiran Chakraborty Dept. of Zoology	Identity of heteroecious aphids (Homoptera: aphifidoe from India.	3 years	U.G.C.	**Rs.4,18,000/-**
27.	Prof. B. B. Jana International Centre of Ecological Engineering	Development of Socio-economic status of the SC and ST populations in villages of West Bengal through propagation of the culture of some threatened and ornamental species of fish.	3 years	D.B.T.	**Rs.21,15,000/-**
28.	Dr. Tarakdas Basu Dept. of Biochemistry & Biophysics	Molecular Mechanism of DNA Entry into E.Coil cells during its Artificial Transformation.	3 years	D.B.T.	**Rs.16,83,600/-**

29.	Dr. P. K. Bandyopadhyay Dept. of Zoology	Identification, pathobiology and Control of some dreaded protozoan poultry diseases of West Bengal.	3 years	D.S.T.	**Rs.16,92,000/-**
30.	Dr. Soma Mukherjee Dept. of Environmental Science	Studies on transition metal chemistry via design of unnatural amino Acids: Synthesis, Characterization, Reactivity and Magnetic studies.	3 years	D.S.T.	**Rs.10,32,000/-**
31.	Dr. Surajit Chattopadhyay Dept. of Chemistry	Mono and polynuclear complexes of heavier transition metals incorporating Ligands with extended delocalization. A search for new electron transfer centers and photoactive materials.	3 years	D.S.T.	**Rs.18,91,507/-**
32.	Prof. A. R. Khuda Buksh Dept. of Zoology	An investigation for testing efficacy and mechanism of action of certain potentized homoeopathic drugs in combating artificially induced hepatocarcinoma in mice and rats.	3 years	AYUSH [Ministry of Health & Family Welfare, Govt. of India]	**Rs.17,13,000/-**

33.	Dr. Sajal Chakraborty Dept. of Biochemistry & Biophysics	Protein kinase C-mediated activation of $Ca2^{+}$ dependent phospholipase A2 in pulmonary vascular smooth muscle cells under oxidant simulation: Role of camp, cGMP and pertussis toxin sensitive protein.	3 years	I.C.M.R.	**Rs.5,32,800/-**
34.	Prof. B. B. Jana International Centre of Ecological Engineering	Hazard Analysis and risk assessment of fishes grown in sewage-fed ponds for in situ development of strategies for improved treatment system and waste water-fed aquaculture practice.	3 years	C.S.I.R.	**Rs.7,00,000/-**
35.	Dr. Sajal Chakraborty Dept. of Biochemistry & Biophysics	Studies on signal transduction mechanisms in oxidant induced alteration of Ca^{+} dynamics in microsomes of pulmonary smooth muscle cells.	3 years	C.S.I.R.	**Rs.4,50,000/-**
36.	Dr. Kumaresh Ghosh Dept. of Chemistry	Molecular Recognition : Design & Synthesis of Model Receptors for carboxylic Acids.	3 years	C.S.I.R.	**Rs.2,32,000/-**

37.	Dr. Sajal Chakraborty Dept. of Biochemistry & Biophysics	Role of signal transduction mechanisms in regulating cPLA2 activity by the calcium ionophore A23187 in pulmonary endothelium.	3 years	C.S.I.R.	**Rs.2,32,000/-**
38.	Prof. A. R. Khuda Buksh Dept. of Zoology	A comprehensive study on arsenic toxicity and its amelioration by administration of ultra-low doses of homeopathic drugs.	3 years	BOIRON LAB, Lyon, France	**80,000 Euro @ Rs. 54/= Rs.43,20,000/-**
39.	Prof. P. D. Ghosh Dept. of Botany	Somatic Embrayogenesis & analysis of somaclonal variants in Cymbopogon martini and Cymbopogon flexuosus using Cytogenetic and molecular approaches (RAPD analysis).	3 years	U.G.C. (MRP)	**Rs.5,42,600/-**
48.	Prof. Dilip Mukherjee Dept. of Zoology	LH/HCG receptor gene expression in mouse uterus and its relevance in steroid hormone and prostaglandin synthesis.	3 years	D.S.T.	**Rs.19,86,702/-**

5.7 UNIVERSITY OF NORTH BENGAL (1962)

The University of North Bengal was established by an Act of the Legislature of West Bengal in 1962 and assigned the mandate of providing teaching, training and research in various branches of advanced learning and promoting the dissemination of knowledge to fulfill growing socio-economic and technical manpower needs in the six North Bengal districts and the neighboring state of Sikkim. The University occupies an area of about 330 acres and is situated at a distance of 9 km from Siliguri and 4 km from Bagdogra Airport in the Terai region of Darjeeling District. The University Act was amended by the West Bengal Act of XXV of 1981, which came into force with effect from September 16, 1981.

5.7.1 Postgraduate and Postgraduate Diploma / Diploma Courses in the Faculties of the University.

(i) FACULTY OF ARTS, COMMERCE AND LAW

M.A. in Bengali, English, Nepali, Hindi, Economics, Philosophy, Sociology, Political Science, Geography & Applied Geography,

M.Com., LL.M.,

Adult and Continuing Education, Extension & Field Outreach.

* M.B.A.
* Post Graduate Diploma in Marketing Management / Tourism & Hotel Management / Environmental Law.
* Diploma in Museum Studies.

M.Phil. in Political Science, History , Philosophy, Nepali, Himalayan Studies, Economics, B.Lib. & Information Science (1 yr.)

LL.B. Hons. (5 years).

'*' means self-financed Courses.

(ii) FACULTY OF SCIENCE

M.Sc. in Botany, Chemistry, Computer Science & Application, Mathematics, Physics, Zoology, Anthropology, Bio-technology, Computer Science.

M.C.A.

* Post Graduate Diploma in Tea Management/ Disaster Management./Information Technology
* B.B.A./B.C.A.
* M.Phil. in Remote Sensing & GIS.

'*' means self-financed courses.

(iii) FACULTY OF MEDICINE

D.O. and M.D. courses (2 years) in Anatomy, Physiology, Community Medicine, Anaestheology, Pathology are conducted in the North Bengal Medical College.

5.7.2 CENTRES IN THE UNIVERSITY

(i) Centre for Himalayan Studies, (ii) Centre for Life Science, (iii) Centre for High Energy & Cosmic Ray Physics, (iv) Centre for Development Studies, (v) Centre for Women's Studies, (vi) Centre for Remote Sensing Applications, (vii) University Science Instrumentation Centre, (viii) Computer Centre, (ix) Centre for Studies in Local Languages & Culture, (x) Centre of Distance Education and (xi) Information Technology Centre.

5.7.3 UNDERGRADUATE COURSES

B.A./B.Sc./B.Com./B.Ed./B.Phy.Ed./B.B.A./B.C.A./B.Pharm. Course are conducted in the following affiliated colleges.

Types of Colleges	Number
General Degree Colleges	55
B. Ed. Colleges	10
Physical Education College	1
Law Colleges	2
Total	68

5.7.4 COLLEGES WITH P.G. COURSES

Name of the College	Subjects
Raiganj College (University College)	Bengali
Balurghat College	Bengali, M.Com.
Malda College	English, History
Darjeeling Govt. College	Botany, Zoology, Nepali
Ananda Chandra College	Bengali
Sikkim Govt. Law College	L.L.M.

UNIVERSITIES

5.7.5 (a) Distance Education Directorate offers M.A.(2 years) in English, Bengali, Nepali, History, Political Science, Philosophy & M.Sc.(2 years) in Mathematics and B.A.(3 years) in English, Bengali, Nepali, History, Political Science, Philosophy, Sociology & Education and B.Sc. (3 years) in Mathematics and bridge course (one year) in English, Bengali, Nepali, History, Political Science, Philosophy and Mathematics.

(b) Bachelor of Internet Science (3 yrs.), Bachelor of Software Systems (3 yrs.), PGDCA (1 yr.), PGDIT (1 yr.) and Diploma in multimedia technology (DMT - I yr.) are offered under off- campus distance education mode in authorized study centres across the districts of West Bengal in partnership with (Zee Network Education Group).

5.7.6 ON GOING RESEARCH PROJECT EXTRA MURAL RESEARCH (EMR) PROJECTS

5.7.8 Major Highlights during 2006-2007

(a) The University introduced the following courses on Self-financed basis during 2005-06.

1. M.A. in Strategic & Area Studies in the Centre for Himalayan Studies.
2. Master in Library & Information Science (1 year) in the Department of Library Science.
3. M.Sc. in Microbiology in the new Department of Microbiology.
4. P.G. Diploma in Mass Communication and Video Production in partnership (MOU) with Ritwick Academy, Kolkata.

(b) A Telephone Exchange of BSNL has been installed in the campus whereupon all the telephone numbers have been changed (the first four digits have changed to 2699 and the last three digits remain unchanged).

(c) The University applied to the NAAC for Re-accreditation and submitted all documents for the same. The visit will take place during April 4- 7, 2006.

5.8 VIDYASAGAR UNIVERSITY (1981)

The University was established on 29th September 1981 under the Vidyasagar University Act 1981 (West Bengal Act VIII of 1981). It has been named after Pandit Iswar Chandra Bandyopadhyay, known as Vidyasagar, the great educationist and social worker of Bengal. The Vidyasagar University was established with a mission to serve the society through development of Higher Education. Moreover, this university intends to serve the local needs depending on ethnic, socio-cultural and geographical factors and at the same time, the demands of mainstream education. The University logo with the motto "Education, Knowledge, Progress" embodies the mission stated above.

The campus of the university has an area of 182.75 acres (the main campus measuring 103.79 acres, the residential campus 35.09 acres and the third campus 43.97 acres to be developed as the Centres of the University).

The university is an affiliating one with its jurisdiction extending to the limit of Midnapore District or any District, which may be created in future out of any part thereof. Thirty colleges of Calcutta University within the District of Midnapore were initially deemed to have been affiliated to Vidyasagar University after ceasing to be affiliated to that university. Thereafter, a few colleges were established and affiliated to this university, taking the total number to 46. The figure includes three Law Colleges (one at Midnapore town, one at Haldia and another at Sarsuna, Kolkata) and 4 para-medical colleges, 2 Govt. colleges and 2 Girls' Colleges.

Departments : 1. Applied Mathematics with Oceanology and Computer programming; 2. Anthropology; 3.Botany and Forestry; 4.Chemistry and Chemical Technology; 5. Computer Science; 6. Geography and Environment Management; 7.Human Physiology with Community Health; 8. Physics and Techno-Physics; 9.Zoology; 10. Electronics; 11. Microbiology

5.8.3 Other Post-Graduate Courses : B.Tech. Course; M.Sc. etc.

B.Tech Courses : i) Chemical Engineering, ii) Computer Engineering , iii) Instrumentation Technology

M.Sc. Courses : i) Geography with Environment Management, ii) Microbiology, iii) Electronics, iv) Botany & Forestry (Distance Mode), v) Physics & Techno physics (Distance Mode)

M. A. Courses in Distance Mode : i) Bengali, ii) English, iii) History, iv) Political Science, v) Commerce

M.B.A. Course : i) Master of Business Administration

M.C.A. Course : i) Master of Computer Application

5.8.4 COLLEGES WITH DETAILS OF VOCATIONAL COURSES :

1.	Belda College	Office management & Secretarial Practice
2.	Egra S. S. B. college	Office management & Secretarial Practice
3.	Jhargram Raj College	Functional English
4.	Mugberia C. Mahavidyalaya	Tax Procedure & Practice
5.	Panskura Banamali College	Office Management & Secretarial Practice
6.	Raja N. L. Khan Mohila Mahavidyalaya	Sericulture
7.	Ramnagar College	Industrial Fish & Fisheries
8.	Sabong Sajanikanta Mahavidyalaya.	Industrial Fish & Fisheries
9.	Seva-Bharati Mahavidyalaya	Seed Technology
10	Y. S. Palpara Mahavidyalaya	Computer Application
11.	Hijli College	(i) Office Management & Secretarial Practice (ii) Computer Application
12.	Subarnarekha Mahavidyalaya	Tax Procedure & Practice
13.	Chandrakona Vidyasagar Mahavidyalaya	Computer Application
14.	Kharagpur College	Advertising, Sale Promotion & Sales Management
15.	Bajkul Milani Mahavidyalaya	Automobile Maintenance

16.	Sitananda College (Nandigram)	Industrial Fish & Fisheries
17.	Garhbeta College	Office Management & Secretarial Practice
18.	Mahishadal Raj College	Industrial Chemistry
19.	Moyna College	(i) Agro-Service (ii) Functional English
20.	Prabhat Kumar College	Industrial Fish & Fishery
21.	Pingla Thana Mahavidyalaya	Principles and Practice of Insurance
22.	Haldia Govt. College	Tourism and Travel Management
23.	Midnapore College	Instrumentation
24.	Tamralipta Mahavidyalaya	Tax Procedure & Practice
25.	Khejuri College	Agro-Service

5.8.5 FACULTIES AND DEPARTMENTS

POST GRADUATE COURSES :

FACULTY OF ARTS & COMMERCE :

1. Bengali, 2. Commerce with Farm Management, 3. Economics with Rural Development, 4. English, 5. History, 6. Library and Information Science, 7. Philosophy and Life–World, 8. Political Science with Rural Administration.

FACULTY OF SCIENCE :

1. Applied Mathematics with Oceanology and Computer programming , 2. Anthropology, 3. Botany and Forestry, 4. Chemistry and Chemical Technology, 5.Computer Science, 6. Geography and Environment Management, 7. Human Physiology with Community Health, 8. Physics and Techno-Physics, 9. Zoology.

OTHER COURSES :

A. B.Tech. Courses : (i) Chemical Engineering , (ii) Computer Engineering, (iii) Instrumentation Technology.

B. M. Sc. Courses : (i) Electronics, (ii) Microbiology.

C. Master of Computer Application

D. Master of Business Administration.

5.8.6 MAJOR HIGHLIGHTS DURING 2006-2007

- The University has extend affiliation to Kharagpur College for conducting 2-Year Postgraduate Course in Bengali from the session 2005-2006.
- The Department of Economics with Rural Development organized the University Grants Commission sponsored Refresher Course on "Decentralisation, Planning and Participatory Development".
- A Pilot Research Project offered by the State Land Use Board, Department of Development and Planning, Government of West Bengal has been accepted by the Department of Economics with Rural Development of the University to conduct pilot survey and to report on the potential of improvement of land use and cropping pattern in the laterite western part of West Bengal.
- The Department of Bio-Medical Laboratory Science & Management conducted a National seminar on Bio-Medical Laboratory Science taking funds from UGC, DST & ICMR.
- The Department of Bio-Medical Laboratory Science & Management is going to start condensed MLT Course for the PGDLT students of the University.
- The Department of Philosophy and the Life-World organized the University Grants Commission sponsored Refresher Course on Ethics and Social Philosophy.
- Establishment of new three P.G. departments of Vidyasagar University viz. Sanskrit, Sociology and Bio-Medical Laboratory Science & Management.
- Postgraduate courses of Sanskrit and Chemistry has been introduced under distance mode.
- As approved by the Executive Council as well as the COURT the P.G.Courses in Sociology and Sanskrit has been introduced at this University from the session 2005-2006.
- 23 Nos. (07 + 16) of students of the department of Aqua-culture Management & Technology have been screened for placement and trainee through campus interview. The trainee students will get placement after completion of final Part-II examination.
- A Digital Image Processing (DIP) and Geographic Information System Lab set up primarily with FIST/DST/Govt. of India by the Department of Geography and Environment Management which does not have a parallel in any University of West Bengal.
- 80% of the students from the Department of Chemistry and Chemical Technology of the University are qualified in UGC/CSIR/NET Examination every year.

5.9 NETAJI SUBHAS OPEN UNIVERSITY (1997)

Netaji Subhas Open University was established by an Act of the State Government (Act XIX of 1997) on the occasion of birth centenary of Netaji Subhas Chandra Bose. The main objective of this Open University has been to provide higher education opportunities to those who can not pursue higher education due to socio-economic, inaccessibility or other limitations.

The headquarters of the University is housed in a historic building originally owned by Sarat Chandra Bose, a freedom fighter and an elder brother of Netaji Subhas Chandra Bose. Now the University is going to offer its various courses outside the State of West Bengal.

The University at present operates through 142 Study Centres in different colleges covering enrolled students of 69,000 of 15 Programmes in 55 courses.

VISION :

Netaji Subhas Open University, the State University of West Bengal, will contribute to the building up of quality human resource base of the State and collaborate with other Open Universities of the National and State level towards the improvement of the quality of distance education and to promote and develop appropriate technology to create the distance education scenario of an international standard in our country keeping in view of the demands of the knowledge seekers for education appropriate to the twenty first century.

MISSION :

To spread higher education in different parts of the State and to cooperate with Universities to provide access to higher education and to different skill enhancing educational programmes Netaji Subhas Open University shall :

- provide quality education in flexible mode to serve the arm of establishing an equitable knowledge Society within the State.
- provide higher education through distance learning through the language of the State, i,e. Bengali.
- make education affordable to disadvantaged.
- provide facility for lifelong education to the intending learners.
- strive for upgradation of technology without compromising the basic values of the society.
- contribute to the development of the State and the nation and motivate learners to strive for secular, scientific and democratic education.

ROLE OF STUDY CENTRES :

The University through 142 study centres runs B.P.P (Bachelor Preparatory Programme), B.D.P (Bachelor Degree Programme -Arts, Commerce and Science), Post Graduate Degree Courses (Arts, Commerce and Science) Post Graduate Diploma, Certificate Courses and Vocational and Professional/ Management Courses.

NETAJI SUBHAS OPEN UNIVERSITY HAS INTRODUCED THE FOLLOWING COURSES :

(a) **Undergraduate Courses** (Arts) : Bengali, English Language, History, Political Science, Sociology , Economics and Public Administration. (Science) : Mathematics, Physics, Geography, Chemistry , Botany and Zoology Commerce.

(b) **Post Graduate Degree Courses** :- Bengali, English, English Language Teaching, Political Science, Social Work, Public Administration and History Commerce Mathematics, and MCA

(c) **Post Graduate Diploma Courses**:- Co-operation, Journalism and Mass Communication, Public Relations Advertising.

(d) **B.Ed. (Special Education)** for Mental Retardation and Hearing Impairment in collaboration with RCI.

(e) **BLIS** (Bachelor Degree in Information and Library Science).

(f) **Diploma Courses** :-Entrepreneurship Development and Business Management, Medical Laboratory Technology, Yoga therapy and Physiotherapy, Basic Photography, Advanced Photography.

(g) **Certificate Courses** :- Preparatory Teachers Training (Professional courses) English for Communication, Bengali Language and Human Rights.

(h) **Vocational Courses** (i) Tailoring and Dress Designing related Courses, (ii) Electrical and/ Electrical related Courses, (iii) Automobile related Courses,(iv) Information Technology related courses, (v) Agriculture related courses,(vi) Art & Craft related courses,(vi) Fitting and Plumbing related courses.

(i) **M.Phil Course in Education** in collaboration with IASE, David Hare Training College.

(j) **Degree of Doctor of Philosophy** in Arts, Science, Commerce, Management, Computer Science, Distance Education and Interdisciplinary subjects.

(k) **M.B.A.** : This is one of the popular Courses of the School of Humanities and Social sciences is the Management programme at the completion of which the students will be awarded the MBA degree.

UNIVERSITIES

IMPORTANT DEVELOPMENT

MoUs have been signed between NSOU and the following Institutions for the purposes as mentioned below.

(i) **Chennai Mathematical Institute :** The premier Institute of Mathematics pioneered by the legendary Mathematician C.S.Seshadri F.R.S in an effort to provide the best opportunities to the students for interactive studies and research in Mathematics. It is indeed a previlege that CMI has come forward with the scheme of scholar Exchange Programme with Netaji Subhas Open University.

(ii) **M.S.Swaminathan Research Foundation, Chennai** under the initiative of eminent Agricultural Scientist Professor M.S. Swaminathan, Chairman of the Foundation for carrying out a programme for rural uplift by the application of ICT Techniques.

(iii) **Rehabilitation Council of India** for B.Ed (Special Education) Course to serve the Disability Sector.

(iv) **CARE Foundation :**

Netaji Subhas Open University in collaboration with CARE Foundation will launch the following courses from the academic year 2005-2006. The courses identified are :- (i) 3-year Physician Assistant Post Graduate Diploma Course, (ii) 3- year Nurse Hospital Administrator M.Sc. Course.

(v) **3-year Cardiovascular Nursing Post graduate Diploma Course**

A MoU between Netaji Subhas Open University and CARE Foundation was signed on 09.12.2005 to start the courses at CARE Hospitals, Hyderabad.

Commissioning The Digital Reception system :

All arrangements have been made for commissioning the digital reception system in KU Band for downlinking Gyan Darshan educational T.V. Channel of India at our twelve study centres. Keeping pace with the advancement of the ICT in propagating and strengthening the ODL System, the venture will add to the activities of the University.

EDUSAT : The works relating to the installation and commissioning of VSAT for ISRO under EDUSAT Project has already been completed.

Video Conferencing Facilities :

A video Conferencing Unit was installed at our Salt Lake Campus for facilitating the development of ODL through the virtual mode and helping this region catch up with the developments in virtual education taking place elsewhere in India and abroad. This network, expected to be widened soon will serve as a launch pad for future expansion and integration.

On- Line Bangla :

Netaji Subhas Open University in collaboration with the Central Institute of Indian languages, Mysore, launched its On-Line Bangla Course. This web based course designed for the virtual mode is carefully crafted to suit the varied needs of learners interested in learning Bangla Language not only in other parts of India but also in the huge Bengali diaspora abroad.

Interactive Radio counselling :

Apart from GYAN VANI F.M., NSOU broadcasts programmes on different subjects on the 4th Sunday of every month through All India Radio concentrating on the electric assortment of Awareness Programme, Support Services, Special programmers of National importance.

Seminars/Conferences/Memorial lectures :

As usual there has been a spate of activities, Seminars, Symposium, workshops, Conferences and Memorial lectures round the year. A few of these are illustrated in brief :-

Scholarship : Post graduate students and students studying vocational courses are entitled to SAF-Madanjit Singh scholarship on fulfillment of certain eligibility criteria.

5.10 THE WEST BENGAL UNIVERSITY OF TECHNOLOGY (2000)

The West Bengal University of Technology (WBUT) has entered in the Seventh year of its functioning since it came into operation formally with the assumption of office of the first Vice-Chancellor in the month of January 15, 2001 as a sequel to the promulgation of THE WEST BENGAL UNIVERSITY OF TECHNOLOGY ACT, 2000, under the West Bengal Act XV of 2000 passed by the West Bengal Lagislature.

VISION

The vision of the University is to provide an equal opportunity, affirmative action and not to distinguish on the basis of gender, caste, creed and religion. The University wants to grow nurturing innovative/ novel ideas that would touch all segments of the society especially the marginalized ones. It looks at the technology from a broad social perspective and are organizing postgraduate courses in basic and applied sciences with interfaces to social sciences. The University has introduced new courses in emerging areas to develop, enhance and strengthen the country's position in research and higher education. The motto of the University is to strive for optimum utilization of resources and believe in unleashing individual initiative for enterpreneurial development without compromising the collective need.

The University is steadfastly proceeding towards its twin objectives :

a) to serve as a Centre of Excellence in teaching and researching in technology and management area - and

b) to provide framework of industrialization based on knowledge economy.

MISSION OF THE UNIVERSITY

- To create awareness in key areas of environmental science, conservation of energy and resource, information technology and biotechnology;
- To organize countinuing education programmes for updating the khowledge and skills of working professionals;
- To organize and other consultancy to industry and organizations' assistance;
- To undertake such other activities as may be necessary to fulfuill the mission of sustaining the merging areas of Science and Technology.

- In the academic year 2006-07 the University organized a reckonable number of Seminar and workshops both at regional and national level in the field of Basic Science, Engineering and Technology, The eminent scholars and educationist took part in those Seminars and Workshops. The fist "Acharya Jagadish Chandra Bose Memorial Lecture" was organized in the University Campus on 21st February, 2007. The lecture was delivered by Sir Gregory Winter of Cambridge University, a pioneer of therapeutic monoclonal antibodies and inventor of techniques to fully humanise antibodies for therapeutic uses.

To realize its mission of emerging as a Centre of Excellence the University has created three Schools of Studies viz. School of Information Technology (SIT), School of Biotechnology (SBT) and School of Management (SOM) comprising, presently, five departments, viz, Department of Information Technology, Department of Computer Science and Engineering, Department of Biotehnology, Department of Bioinformatics and Department of Natural Science, Humanities and Management.

SPECIAL FEATURES

The teaching staff of University includes, besides the core faculty, visiting faculty, adjunct faculty members and distinguished visitors from the industry and frontline academic and research institutes of the country and abroad.

The basic objective of the University shall be to organize undergraduate courses of study in Engineering and Technology, specially in emerging areas. The University in the academic year 2006-07 affiliated 105 institutions spread over in the 15 districts of the State of West Bengal. Postgraduate study and research is being carried out for the grooming of Scientists, Engineers and Technologists. In this venture our affiliates are our cherished partners. The University is continuously seek new partners in excellence be it industry or other institutions of higher learning. The University has intimate and collaborative linkages with national and international research institutes, universities and the industries.

The affiliated colleges enjoy finanical autonomy from the beginning. They also enjoy substantial autonomy in academic matters. They can suggest establishment of elective papers, frame their syllabus and get it ratified by the University Academic Council at UG level. At PG level some of the selected colleges directly offer PG programmes.

MANPOWER POSITION :

Faculty (Sanctioned Posts)	–	34
Presetn position (filled up)	–	20

UNIVERSITIES

Officer (Sanctioned)	–	10
Officer (filled up)	–	3
Non-Teaching staff	–	55
Non-Teaching staff (filled up)	–	47

EVALUATION :

In the academic year 2006-07 the results of even semester examination held in June'06 and for odd semester examination held in December '06 were as follows :

	In the even semester examination June, 2006	**In the odd semester examination December, 2006**
Students appeared :	52,302	63,432
No. of students passed	47,413	58,353
Percentage of pass	90.65%	92%

The University conducts the JEMAT examination for the admission in the MBA course in different Universities, Colleges (affiliated to the WBUT). In the year 2006, the JEMT-2007 examination was also counducted by West Bengal University of Technology the result of which was as under :

No. of Candidates	2626 (approx)
GD/PI	1392
No. of students called for counselling	1032
No. of students appeared in counselling	500 (approx)

The Common Entrance Test (CET) for the first-degree professional courses viz. BBA, BCA, B. OPTM etc. is also being conducted by this University and in the year 2007 also the said examination took place the result of which was as under :

7,800 (approx) candidates appeared

7,500 (approx) qualified

THE LIBRARY OF THE UNIVESITY

The University has established a Digital Library in collaboration with L2C2 Technologies. It involved an upgradation of a Library Management software KOHA to a truly Digital Library Management Sofware. The LIbrary remains open for 14 hours a day on weekdays and 12 hours on Saturdays, Sundays and Holidays. The 'Earn While You Learn' system is still in vogue for the students. Under this scheme the students can earn @ Rs. 50 per hour for a maximum of 25 hours in a month. The Library has now in its possession the following number of title books, e-books, e-journals and journals. The details are as under :

1)	Total no. of Books in the Library	-	10,564	Nos
2)	Total titles of Books	-	4,148	"
3)	e-books	-	13,500	"
4)	e-journals	-	2,083	"
5)	Journals	-	117	"
6)	Total terminal	-	20	"
7)	Server (Functional)	-	05	"

SCHOOL OF INFORMATION TECHNOLOGY

The School of Information Technology consists of the twin departments of Computer & Engineering and Information Technology.

The Department of Information Technology : This department is offering and undergraduate course leading to B.E. Degree in Information Technology and two Post Graduate Course as follows :

1. M. E. in Information Technology
2. M. Tech. in Software Engineering

The Department of Computer Science & Engineering : The department is presently conducting two Post Graduate Courses as follows :

1. M. E. in Computer Science & Engineering
2. Post Graduate Diploma (P. G. Dip.) in Embedded Computer Systems

The School of Information Technology offers Ph. D. Programmes in various areas of Information Technology and Computer Science & Engineering.

INDUSTRY INSTITUTE PARTNERSHIP AND RESEARCH ACTIVITIES IN THE SCHOOL OF INFORMATION TECHNOLOGY DURING THE YEAR 2006-07

A reconfigurable Parallel DSP Processor :

Due to the rapid development of communication, video, medical imaging, high definition TV, there are high demands for high performance and cost effective DSP processor. Keeping this in view WBUT took up this challenging project. The research has been made possible by the interest and support provided by the ESP microDesign Inc. a start up company at Kutztown, Pennsylvania, U.S.A. The aim of the company is to commercialize a remarkable new parallel digital processor with fully supporting design tools and platform.

ON GOING PROJECT UNDER COMPUTER SC. & ENGINEERING DEPTT.

Title : Online Bangla Handwriting Recognition.

Funding : AICTE

Scheme : AICTE RPS (a)

EDUSAT

The University took decisions in its meetings of both Executive Council and Academic Council to install SITs in its affiliated Colleges/Institutes. The background of taking such decision was to interact amongst the students/faculty/scholars/Researchers on various topics/subjects through this SIT.

The Ministry of Human Resource Development (MHRD) in collaboration with the Indian Space Research Organization (ISRO), has launched a major project in September 2004 for enabling satellite communication network for supporting extensive outreach of quality education at all levels through the EDUSAT, a dedicated satellite for education.

EDUSAT COVERAGE

EDUSAT coverage includes –

- 5 Spot Beams in Ku Band (cover all states in India excluding Andaman and Nicober)
- 1 National Beam in Ku Band (cover Indian sub-continent including Pakistan and Bangladesh)
- 6 National Beams in Ext C Band

Regional beam network includes –

- Minimum 1 Hub/each state.

- Each Hub can handle maximum 8 networks with 1.2 Mbps data rate.
- Each network can have 500 SITs (max)
- Unlimited numbers of ROTs. With solar powered option.
- The return channel will have 512 kbps data rate with 20% active SITs.
- 4 SITs can have video conferencing in a batch of 2 with data rate of 384 kbps (can be augmented to 1 Mbps)

EDUSAT UTILIZATION IN WBUT

The first meeting of the state level one committee for 'EDUSAT' was held on 22nd September 2005. WBUT is associated with this project from the beginning.

WBUT has subscribed 3.75 crores for installation of 102 SIT (Satellite Interactive Terminal) in its 102 affiliated colleges. This also include the teaching end at WBUT premise.

WBUT teaching end and SITs will use the regional hub (of eastern spot beam) at Raoopkala Kendra for transmission of the classes that will be organized at WBUT teaching end. Students at all SITs will be able to participate in those classes/seminars in interactive manner.

SCHOOL OF BIOTECHNOLOGY

The School of Biotechnology consists of two departments viz. the Department of Bioinformatics and the Department of Biotechnology. This school has several teaching programmes viz.

1. M. Tech. in Biotechnology
2. M. Tech. in Bioinformatics
3. Post - B. Sc. Integrated Ph. D. in Bioinformatics
4. Post - B. Sc. Integrated Ph. D. in Molecular Biology

DEPARTMENT OF BIOINFORMATICS

WBUT has realized the need for introducing teaching and research programme in bioinformatics in addition to the biotechnology programme. In fact the University is already running four-semester M. Tech. as well as five-year Post-B.Sc. Integrated Ph. D. programme in Bioinformatics. These courses are becoming increasingly popular from the point of view of job opportunities. In fact the B. Tech programme of WBUT under the School of Information Technology also includes bioinformatics as a part of teaching curriculum.

UNIVERSITIES

The teaching and research programme in bioinformatics is one of the thrust areas at WBUT. During the last 50 years, since the developement of modern biology based on protein and DNA structures, there has been an amazing increase in molecular and genetic information. Creation and handling of crystal data bases for huge molecular and genetic information. Creation and handling of crystal data bases for huge molecules like proteins and DNA are of utmost importance today. Since the unfolding of genetic information in the human genome in recent years, data management has reached new dimensions altogether. The discipline of Bioinofrmatics encompasses not only structural database analysis but also other aspects like rational drug design, QSAR, phylogenetic studies etc.

LIST OF SOME ONGOING RESEARCH PROJECTS

DEPARTMENT OF BIOTECHNOLOGY

The Department of Biotechnology was established in 2003 with a view to develop a Centre of Excellence for education and research in biotechnology. In so doing, a four-semester AICTE - approved M. Tech. Programme in Biotechnology was started with students qualifying in the All India level Joint Entrance Examination (JEE) conducted by Jawaharlal Nehru University, New Delhi. In fact the M. Tech, programmes in biotechnology at WBUT and at Anna University, Chennai are the only two programmes in the country supported by the Department of Biotechnology, Govt. of India. The department also runs a post - B.Sc. five-year Integrated Ph. D. program in Molecular Biology - students admitted are eligible for award of a University Fellowship of Rs. 4000/- per month (subject to certain Conditions). The department has excellent laboratory infrastructure in all the major areas of biotechnology and molecular biology.

FOLLOWING ARE THE ONGOING FUNDED PROJECTS :

1. Title : Genetic Resource Management of East Calcutta Wetland.
   Funding : Department of Science and Technology, New Delhi
   Scheme : DST Fast Track Scheme for Young Scientist

2. Title : Ionizing radiation induced DNA DSB studies of methanogens isolated from East Calcutta wetland.
   Funding : UGC-DAE Consortium
   Scheme : UGC DAE CSR

3. Title : Trace element profiling of East Calcutta Wetland for phylogeny based growth condition prediction.
   Funding : UGC-DAE Consortium
   Scheme : Experiment programme at IOP, Bhubaneswar

4. Title : Development of sulphate reducing bioremediation package for Jaduguda Effluent discharge.
   Funding : DAE
   Scheme : BRNS

5. Title : Understanding the scopes of value added waste management through fisheries.
   Funding : Jointly by WBUT, India and EPRC, Bangladesh
   Scheme : Pre-Proposal Project

6. Title : Analysis of Microbial Population in urine from normal and UTI patients.
   Funding : Departmental (for project students)
   Scheme : Project for integrated Ph. D. in Molecular Biology

7. Title : Isolation of efficient SRB from East Calcutta Wetland.
   Funding : A CISR NET qualified JRF is working as the fund is yet to be transferred for this work from CSIR
   Scheme : CSIR-JRF

8. Title : Studies on Heavy ion irradiated metal induced radiation sensitization in *Bacillus subtilis.*
   Funding : IUAC-UGC
   Scheme : UFUP scheme

9. Title : Studies on nanocrystal formation in microbes undergoing Heavy ion irradiation. (Co-PI)
   Funding : IUAC-UGC
   Scheme : UFUP scheme

10. Title : Molecular investigation of heavy metal tolerance/hyperaccumulation in plants growing on the Uranium tailing ponds in Jaduguda Sanction no 2005/36/30/BRNS
    Funding agency : BRNS

11. Title : Investigating the molecular basis of heavy metal tolerance in Brassica juncea (Indian Mustard) using yeast as a functional model. Sanction no 38(1120)06/EMR-II
    Funding agency : CSIR

SCHOOL OF MANAGEMENT FOR ADVANCE STUDIES AND RESEARCH

The School of Management (SOM) has been set up by WBUT as a Centre for Advanced Studies and Research in Management. This school presently consists of the Department of Natural Sciences, Humanities and Management.

SOM propose to address the urgent need for a programme to develop and train management faculty in affiliated colleges by offering in Integrated Doctoral Programme in Management (M. Phil. / Ph. D.) and a Ph. D. Programme in Management.

Specifically keeping the management faculty in mind SOM will also offer refresher courses, workshops and seminars on a regular basis. Through these efforts, SOM will cultivated research activities in the area of management with a conscious effort develop an interdisciplinary approach. The link with industry will be maintained through regular consultancy services which will be offered by SOM to the corporate sector. Hence the activities of SOMK will benefit both the academic and corporate sector alike.

ONGOING RESEARCH PROJECT

Award of UGC Major Project grant (for 3 years) for research on "Functional Instability or Paradigm Shift – study of Indian finance Market"

Natural Science and Humanities are also part of the activities of this department. Besides research activities pursued by individual faculty, the department has several teaching programmes. Faculty of this department take part in teaching in present B. Tech and M. Tech Programmes. Two post B. Sc. Integrated Ph. D. Programmes in Physics and Chemistry are being conducted in this nodal centre, S. N. Bose Centre for Basic Sciences. Student are admitted into the Physics course through the national level JEST examination. So far, 5 students have registered for Ph. D. in Physics. In the next five years the department will work on the improvement of these courses. WBUT has also started a one year M. Phil course on "Material Science" from this academic year 2006-07 because of the importance of material science in the present day industrial environment throughout the world. The course will stress on the theory of polymer, ceramics and nano-materials and will also have laboratory experiments as well as research. The department has a plant to start a study centre in Chaos, Non-linearity and Complexity. A web page has been put up as a start www.wbutccr.org and experts are being contacted. Since the department has the relevant expertise, M. Tech. courses in Polymer and Material Science will be developed and research will be pursued in collaboration with other institutes.

EKTA INCUBATION CENTRE

TECHNOLOGY BUSINESS INCUBATOR – (TBI)

The Department of Science & Technology, goverment of India as a policy decision in the year 2000 established the concept of supporting the establishment of TBIs in Technology Institutions of Excellence.

The purpose of TBI is to nurture and facilitate 'Lab to Land' concept by supporting Incubates that have cutting edge technologies into transforming the same to commercial ventures, that would ultimately benefit civil society.

India is now poised to grow in the Domain of Knowledge that in turn would drive our economy. Obviously the knowledge we speak of has to be of a high order. Thus in integrating the Incubator to the Insititute must imbide Practice and Process to further high standards in academia resulting in at least a percentage of its pass-outs to bea part of Technology development leading to a COMMERCIALLY ACCEPTABLE Process and/or a Product.

5.11 THE BENGAL ENGINEERING AND SCIENCE UNIVERSITY, (2004)

Genesis

Established way back in 1856, as the Civil Engineering College, Calcutta; renamed as 'Bengal. Engineering College' in 1921 and elevated to the status of a 'Deemed University' in 1992; the University with its present name as 'Bengal Engineering and Science University, Shibpur' has come into being with effect from October 1, 2004. With a presence of nearly150 years, it is considered to be one of the pioneers of engineering education in India;

UNIVERSITIES

The University is located in a sylvan surrounding in the district of Howrah, on the bank of the river Hooghly and is adjacent to the famous Indian Botanic Garden. It is only a few minutes drive to the heart of Kolkata through the Vidyasagar Setu.

Academic Programmes

UG Programmes

The University offers UG programmes leading to B.E/B.Arch. degrees in nine branches namely Architecture, Civil Engineering, Computer Science & Technology; Electrical Engineering, Electronics & Tele-Communication Engineering, Information Technology, Mechanical Engineering, Metallurgical Engineering and Mining Engineering. Admission to UG programmes, is based on W. B. Joint Entrance Examination, Recently, a BBA programme has also been introduced.

PG Programmes

The University has the distinction of being the first institute to offer postgraduate degrees in various branches of engineering since 1953. The following postgraduate programmes are offered at present :

- Master's of Engineering/Technology in Civil, Electrical, Mechanical, Metallurgy; Computer Science and Technology, IT, Electronics and Telecommunication, Engineering Mechanics, Mining, Materials Engineering
- Master's in Town and Regional Planning (MTRP)
- Master's in Computer Application (MCA)
- Master's in Business Administration (MBA)
- Part time PG programme in Civil Engineering in specialized fields and Industrial Metallurgy
- Full time M.Sc programmes in Applied Physics, Applied Chemistry; Applied Mathematics and Applied Geology

The following autonomous schools have already been established to facilitate interdisciplinary PG activities :

- Purabi Das School of Information Technology
- School of Management Sciences

- Dr. M.N. Dastur School of Materials Science and Engineering
- School of Community Science and Technology

Ph.D. Programmes

Doctoral programmes have been an integral part of the University since 1954. With the institute's upgradation to University status, these are being further strengthened with increase in number of Fellowships.

Funded Research

R&D activities in the institute are financed by different national and international agencies. The major funding agencies include AICTE, DST, CSIR, DRDO, INTEL, NASA-USA and World Bank to name a few. The institute has always contributed to community technology development. Innovative research works done in-house have already led to the procurement of several patents.

Cutting edge research

Besides conventional fields, the University has brought many frontier areas of Science & Technology under the purview of its research activity in recent years, Some such areas are : VLSI and Embedded Systems. Nano science and Technology, Disaster Engineering, Cellular Automata, Bio-Mechanics, Fuel Cell Technology; Intelligent Motion Control etc.

Achievements

- The University successfully completed the prestigious IMPACT project sponsored by the World Bank.
- The Journal of Technology, a referred journal for publishing national and international research works in science and technology is being published since 1956.

Industry Academia Interaction : The University has successfully carried out research projects sponsored by leading organizations like Intel-USA, Fujitsu-USA, NORTEL- USA etc. Ministry of HRD, Govt. of India has delcared the university 'an institution of National Importance' along with Jadavpur University and three other reputed institutions across the country and a grant of Rs.10 crore has been sanctioned at the first phase.

Collaborations : Faculty members of the University have been involved in research programmes in collaboration with experts in different academic institutions within the country and abroad. Noteworthy among them are the IITs; University of Illinois, Urbana-Champaign, USA; University of New South Wales, Australia; University of Ulm, Unlversity Fuer Verfahrenstechnik, Germany; Dalhousie University, Canada; Swiss Federal Laboratories for Material Testing and Researxch (EPMA), Switzerland and Delft University, Netherlands.

Plans for a second campus are also underway, with establishment of new departments of Chemical Engineering and Bio Technology; new schools in frontier technology areas like VLSI, Bio-Informatics, Mechatronics and Robotics, Environmental Engineering and other facilities.

6.1.6 RAMKRISHNA MISSION VIVEKANANDA EDUCATION AND RESEARCH INSTITUTE (RKMVERI) (DEEMED UNIVERSITY)

(Deemed University under UGC Act)
P.O. Belur Math, Dt. Howrah,Pin – 711202,
Telefax : 033-26549999; Mobile : 98302-16636
E-mail : rkmveri@gmail.com, atmapriyananda@gmail.com

Ramakrishna Mission Vivekananda Educational and Research Institute has been established as a self financing Deemed to be university, the first of its kind in West Bengal. This university under Ramakrishna Mission's aegis forms in a sense the actualization of Swami Vivekananda's vision about a university at Belur. Swami Vivekananda wanted a unique type of Educational Institute that would combine the best elements of the East and the West and impart such an education that would be character-building at the individual level and at the collective level help the enormous task of nation-building. The sincere efforts initiated by Ramakrishna Mission during Swami Vivekananda's birth centenary in 1963 culminated in the creation of a deemed university in 2005.

This new university bearing the name of Swami Vivekananda will focus on certain thrust areas which are generally the 'gap areas' in conventional universities in the country.

Some of these thrust areas are :

(1) Disability Management and Special Education (that would train teachers to manage visually impaired, mentally retarded and hearing impaired children and adults through teacher-training courses and research),

(2) Integrated Rural Development including Tribal Development (which would strive to achieve all round development for the rural and tribal people by imparting education in areas like integrated pest management, agro-based and appropriate bio-technology, etc.),

(3) Disaster Management (including pre- and post-disaster management techniques),

(4) Indian Cultural and Spiritual Heritage including Value Education (which would expose and sensitize our youth and adults to the eternal values enshrined in our heritage with a view to educating them in liberal, non- sectarian, non-dogmatic principles and doctrines conducive to peace, harmony, love, mutual respect and fellow-feeling).

While the central administrative office that would monitor and regulate the programmes will be situated in West Bengal at Belur Math in the district of Howrah, the university will operate and function in the matter of running the various courses etc through the different centres of Ramakrishna Mission spread over the country, all of them being under the regulatory control of Belur Math headquarters.

OTHER UNIVERSITIES

In addition to the above, the university has initiated research programmes in certain non-conventional areas like Ramakrishna-Vivekananda philosophy, Translation Studies, Vedanta vis-a-vis modern science, etc on the one hand, and in hard core fundamental sciences like theoretical physics, pure mathematics and theoretical computer science on the other.

6.2.2 IGNOU (Indira Gandhi National Open University)

6.2.2.1 A NEW CONCEPT

The concept of an open University is an important innovation of the last century. It aims to bring about revolutionary changes in the system of learning through DISTANCE EDUCATION.

The first open University ('The Open University') was established in England in 1969.

IGNOU was established by an Act of Parliament in 1985 to achieve the following objectives :

- To democratise higher education by taking it to the doorsteps of the students.
- To provide access to high quality education to all those who seek it irrespective of age, religion or formal qualification.
- To offer need-based academic programmes by giving professional and vocational orientation to the courses.
- To promote and develop DISTANCE EDUCATION.
- To set and maintain standards in DISTANCE EDUCATION in the country as an apex body.

6.2.2.2 DISTANCE EDUCATION AND OPEN LEARNING

Distance Education is often confused with Correspondence Education. The distinction between Correspondence Education and Distance Education lies in their aims, methods and orientation. Correspondence Education is an extension of conventional education. Distance Education aims at varied goals. These include personal growth, training for better job prospects and job enhancement, a change in attitude, etc., in addition to imparting knowledge. Distance Education allows learning at one's own pace and offers easy entry and exit points. It makes life-long learning a reality. Distance Education employs a multimedia learning package. It is characterised essentially by the advanced learning strategies effected by modern communication technology. Correspondence Education, on the other hand, depends mostly on printed materials distributed by post.

6.2.2.3 GOVERNANCE

The President of India is the Visitor of the University. The authorities of the University include the Board of Management, Academic Council, Planning Board, Finance Committee, etc.

6.2.2.4 INSTRUCTIONAL SYSTEM

The University follows the multimedia approach in imparting instruction. It comprises :

- Self-instructional printed course material packages.
- Assignments for assessment and feedback.
- Supporting audio-video programmes.
- Face-to-face interaction between the student and Academic Counsellors at Study Centres and Work Centres.
- Practicals at designated Institutions.
- Project Work in some programmes.
- Work related field project/functional assignments as per programme requirements.
- Telecast of video programmes on Doordarshan.
- Broadcast of audio programmes by All India Radio (Select Stations)
- Interactive Satellite Aided Communication Network (Teleconferencing)

6.2.2.5 STUDENT SUPPORT SERVICES

Support services are provided through a network of Study Centres scattered all over the country. Study Centres are the actual focal points where the learners receive regular information and learning support. Each Study Centre is provided with library, audio and video facilities for the students.

Senior and experienced academics and professionals are engaged in face-to-face counselling to further help them in the learning process. The Study Centres are generally located in existing educational institutions and normally function on holidays and Sundays and in the evening on working days. Each Study Centre is manned by part-time staff drawn from the host institution. To co-ordinate the functioning of Study Centres IGNOU has set up 19 Regional Centres in different parts of the country.

The IGNOU Regional Centre, Calcutta looks after the activities of the University in West Bengal. A list of Study Centres under Calcutta is given in the Appendix.

6.2.2.6 EVALUATION SYSTEM

IGNOU has a three-tier system of evaluation

(I) *Check Your Progress (self-assessment) :*

This is provided in study materials and is meant for self-assessment.

(II) *Assignments (continuous internal assessment) :*

This carries a weightage of 25% to 30%. There are two types of assignments.

- Computer Marked Assignment (CMA) and
- Tutor Marked Assignment (TMA). TMAs submitted at the Study Centre are returned to the students after evaluation with comments.

(III) *Term-End Examination (TEE) :*

This is the major component in the assessment as 70% to 75% weightage is given. University holds Term-End Examination twice a year (JUNE & DECEMBER).

6.2.2.7 STRIKING CHARACTERISTICS

- Relaxed entry regulations.
- Study according to one's pace and convenience.
- Flexibility in choosing the combination of courses from a wide range of disciplines.
- Study from one's own chosen place (during the course of study a student can change the opted Study Centre to any Centre anywhere in India except for certain exceptional cases).
- One may sit for Term-End Examinations generally anywhere in India and some select Centres abroad.
- Learners may also pursue their study in any other University while being a student of IGNOU.
- Cost effectiveness.

6.2.2.8 RECOGNITION

IGNOU is a Central University under the Ministry of Human Resources Development, Govt. of India. The Degrees, Diplomas, Certificates awarded by IGNOU are recognised by the Association of Indian Universities (AIU) and are at par with Degrees/Diplomas/Certificates of all Indian Universities/Deemed Universities/Institutions vide UGC Circular No : F1-8/92 (CPP) dated February, 1992.

The Directorate of Employment, Govt. of West Bengal has recognised the degrees/diplomas of IGNOU to be at par with the same of other Universities of the country in the matter of providing employment.

The Deptt. of School Education, H.S. Branch, Govt. of West Bengal has issued an Order No.187-SE(HS)/10M-3/97 dated 22nd August, 1997 by strength of which degrees/diplomas offered by IGNOU are acceptable for the purpose of further studies of teachers' training and employment in Schools of West Bengal.

6.3.2 NATIONAL INSTITUTE OF TECHNOLOGY

Durgapur

The Regional Engineering College, Durgapur, predecessor of National Institute of Technology, was established by an Act of Parliament in 1970 as one of the eight such colleges aimed to function as a pace setter for engineering education in the country and to foster national integration. It was a joint venture of the Govt. of India and Govt. of West Bengal and was administered by an autonomous Board of Governors.

By virtue of the policy decision the Ministry of Human Resource Development, Govt of India, Regional Engineering College, Durgapur has been upgraded to National Institute of Technology along with a few other Regional Engineering colleges in the country from 2003-2004. Entire financial responsibilities for the maintenance of National Institute of Technology, Durgapur has been taken over by M.H.R.D., Govt. of India and admission to the courses run by the institute are now through A.I.E.E.E.

6.3.3 INDIAN STATISTICAL INSTITUTE

203, B. T. Road, Kolkata-700 035.

The Indian Statistical Institute is one of the leading academic institutions in the world. It has a long and proud tradition of excellence in training, teaching and research in a number of academic disciplines including statistics, mathematics, computer science, economics, biology, geology, physics and social science. It attracts some of the brightest minds from all over India, and its alumni have made outstanding contributions to academics, governance and industry.

6.3.4 INDIAN INSTITUTE OF MANAGEMENT (IIM) - KOLKATA

Diamond Harbour Road, Joka-700104
Kolkata (Calcutta), West Bengal, India
Phone: 91-33-2467-8300/8301/8302
Fax : 91-33-2282-1498
Website : http://www.iimcal.ac.in

The Indian Institute of Management, Calcutta was established in 1961 - India's first national institute of management for post-graduate studies and research in management. Established in collaboration with the Alfred P Sloan School of Management, Ford Foundation, the Indian business community, the Government of India and the Government of West Bengal, a substantial part of the annual capital and revenue expenses of the Institute are provided for by the Government of India.

FACTS

- IIM Calcutta started functioning from Emerald Bower, Barrackpur Trunk Road. In those days the Institute was endowed with such eminent academicians as Douglas McGregor, Miles Kennedy, Ravi Mathai, Ashok Mitra, Barun De, Kamini Adhikary, Eshwar Dayal, Warren Bennis, Jati K. Sengupta & Gouranga Chattopadhyay.

- In 1975, The institute moved to its own sprawling 135-acre campus at Joka, on the outskirts of Calcutta.

The foundation stone of the Joka campus was laid by Sri Morarji Desai, the then Dy. Prime Minister of India on Dec 15, 1968. The Institute moved to its present campus in 1975.

CURRICULUM

- IIMC offers a wide range of courses for the aspiring business graduate to choose from. Apart from the **Postgraduate Diploma in Management(PGDM)**, a course ranked among the top 10 in Asia, IIMC was the first in the country to introduce a **Postgraduate Diploma In Computer Aided Management(PGDCM)** to cater to the burgeoning specific managerial need of the IT industry. For those seeking a research oriented education, IIMC offers the **Fellow Programme**.

- IIMC also offers a part time **Postgraduate Diploma in Business Management(PGDBM)** for working managers with relevant work experience. In addition to numerous consultancy services, IIMC also offers the industry an opportunity to utilise its extensive resources for managerial training and development through the numerous Management Development Programmes(MDP) that IIMC conducts regularly.

- **Postgraduate Diploma in Management, IIM Calcutta**

  The course enjoys a two-tier structure. The first year is committed to developing business fundamentals through compulsory courses spanning the areas of economics, finance, marketing, operations, systems and behavioural sciences. The second year offers a slew of optional.

- **Postgraduate Diploma in Computer-Aided Management, IIM Calcutta**

  Hundreds of dot coms get registered from India every year. Recognising the need for a specialised course that can make an individual the manager, the entrepreneur with the e-touch, the PGDCM course at IIM Calcutta is already in its 6th year. The focus is on IT, clearly. The course does not compromise on any of the fundamentals of the classical PGDM program. The electives and the core courses are designed to make students all ready to tackle on challenges in the area of information technology.

- **Fellow Programme, IIM Calcutta**

  The Fellow Programme of the Indian Institute of Management Calcutta is a full-time doctoral level programme in different fields of Management as well as in various disciplines and areas related to Management.

- **Postgraduate Diploma in Business Management, IIM Calcutta**

  Through an upgradation of its earlier 2-Year Evening Postgraduate Certificate Programme in General Management (PGCGM) offered since 1981, IIMC launched this 3-Year Part Time

Evening Postgraduate Diploma in Business Management (PGDBM) Programme in 1994 as one of its major initiatives. The PGDBM Programme is recognised by the All India Council of Technical Education (AICTE) and enjoys equivalence to an MBA degree of Indian Universities.

The Institute's concern for conducting this Evening Programme in Business Management emerged from the appreciation of a responsibility to offer a quality management education to the young practising and in-service executives of organisations in and around Calcutta.

Through this programme, IIMC facilitates a process for the students to integrate their real-life work experiences with the conceptual and analytical foundations and development in management disciplines. The focus of this Programme is to inculcate among the students such perceptions, knowledge, skills and abilities that would enable them to become effective managers in the modern business processes and to assume higher levels of managerial responsibilities.

MANAGEMENT DEVELOPMENT PROGRAMMES, IIM-C

MDPs are short-term residential courses for senior management personnel. People eligible to apply for the MDPs are General Managers and Heads of Marketing/Strategic Business Unit Heads / Senior and Middle level managers in Sales,Product and Brand Management and Corporate Planning. The teaching method will be participative,using case studies,group exercises and concept discussions.

The programme seeks to address the corporate need by developing strategic managers. It would enhance the strategic thinking, i.e. cross functional, holistic, and future oriented thinking ability of the participants in relation to the overall corporate objectives and the emerging company environment. By attending the programme participants will be equipped with various concepts, tools, and techniques to think and act strategically in a highly dynamic environment working at any level and at any function in the organisation. Management Development Programmes organised by IIM-Calcutta include:

MDP on Future Markets

MDP on The Strategic Management

MDP on Strategic Analysis, Planning and Posture

MDP on Total Productive Maintenance

MDP on Ethics in Business

MDP on Supply Chain Management

ADVANCED MANAGEMENT PROGRAMME

Indian Institute of Management Calcutta has a long tradition of offering the prestigious Advanced Management Programme (AMP) for senior executives of Public Sector Enterprises in collaboration with the Department of Public Enterprises (DPE), Ministry of Industry, Government of India. For more than a decade, a large number of senior managers have benefited from participating in this programme. Since last year the institute has opened up the programme to senior decision-makers of the Public as well as the Private sector.

6.3.5 SAHA INSTITUTE OF NUCLEAR PHYSICS

BL-AF, Sector I, Salt Lake, Kolkata-91 (Phone : 2350-2344/2337-0379)

Saha Institute was established in 1951 in memory of Late Dr. Meghnad Saha, one of the greatest Indian Scientists.

Major areas of research :

High energy Physics: Quantum field theory, Standard model and beyond, string theory, Cosmology and early universe. Phenomenology of heavy hadron physics. Plasma physics: Experimental research with Tokamak, Condensed matter Physics : High-Tc super conductors thin films, magnetic properties of solids, NMR studies, surface Physics :

Crystallography and Molecular Biology study of protein Molecules.

6.3.6 ASIATIC SOCIETY

Park Street, Kolkata (Phone : 2229-0779)

The Asiatic Society, Calcutta was founded in 1784 by Sir William Jones (1746-1794), eminent Indologist, with the objective of inquiring into the history, science, arts and literature of Asia. This institution proved to be the inspiration behind all literary and scientific activities in the country. Three main activities of the Society concerning the scientific pursuit of the knowledge are (i) Library services (ii) Academic activities and (iii) Publications.

Library :

The Library of the Asiatic Society is one of oldest learned institutions in Asia. The holding numbering more than 2,50,000 volumes comprises, among others, a vast treasure of rare books, journals and other printed materials on Asiatic Arts and Sciences. A vast collection of old volumes of journals are preserved at the Metcalfe Hall at 12 Strand Road, Kolkata. Exhibition and display of books in connection with seminars are regular activities of the Library.

OTHER UNIVERSITIES

Resource sharing with other Institutions :

The following deserve special mention :

1. INSDOC
2. Indian Association for Cultivation of Science.
3. State Gazetteers office, Govt. of West Bengal.
4. Paschim Banga Bangla Academy.
5. National Council of Science Museum.
6. National Library.
7. Bangiya Sahitya Parisad.
8. Indian Museum.

Museum Section

The Museum of the Society possesses the priceless and unique collection of Manuscripts and Archival documents both in English and Russian, Rare printed Books, Lithographs, Paintings, Busts, Photograph-print, Coins, and Copper-Plate-Inscriptions etc.

Publications

During the year 3 publications have been performed with two awaiting publication.

Exhibition

Several exhibitions of Rare Illuminated Manuscripts & other materials were organized in the Museum of the Society on the occasion of Visit of different distinguished visitors.

Visitors

639 Indian and 63 Foreign visitors from different countries of the world visited the Museum.

Reprography Section

The Reprography Section of the Society, is dealing to the work of making Xerox copies from Books for Reader Service and supplied to various Readers/Scholars of India and Abroad, and documents for official purpose.

Conservation Section

The Conservation Laboratory meant for the preservation and restoration of the Library and Museum materials has performed the following tasks in preserving and restoring manuscripts, rare books and other objects kept in the Museum and Library of the Society.

Publication Section

The Asiatic Society is known to the world of learning mostly because of its publications of high academic standard. The Society has been publishing original and outstanding books periodicals and Booklets which have been able to draw the attention of academic world.

Academic Section

Research works of Fellows with Scholar Supervisors for different projects including outside projects sponsored by the Society deserve mention. Lectures, Seminar, Symposia, Workshops and Training Programme were also held by the Society as a significant part of its academic activities.

6.3.7 BOSE INSTITUTE

P1/12, Acharya Prafulla Chandra Road, Kolkata-700 009

The Bose Institute was founded by Acharya Sir Jagadish Chandra Bose in 1917 for the advancement of science and dissemination of knowledge. The Institute has served the nation for the past 85 years through its pursuit of advancement of knowledge in science and technology. There are departments of Biochemistry, Biophysics, Botany, Microbiology, Chemistry and Physics and the research sections on Animal Physiology, Environmental Science, Immunotechnology and Plant Molecular & Cellular Genetics. In addition, there are support and service centres like RSIC, DIC, Library, Workshop etc.

Research Activities

The research programmes of the Biochemistry Department include studies for the basic understanding of gene expression in plants and bacteria, plant and animal biotechnology, yeast and parasite molecular biology, structure-activity relationship proteins and structural biology.

The major theme of the Biophysics Department is structure, function and dynamics of biomolecules. The research interests are mainly focused on proteins, nucleic acids and small pharmacologically active compounds.

The major research goal of Botany Department established in 1917 is to improve crop productivity using conventional and modern techniques, where genes with elite characters particularly those endowed with biotic and abiotic stress tolerance are identified and located in wild relatives, with an objective to incorporate those in cultigens of rice, Brassica, Beta and Chenopodium using breeding, tissue culture and genetic engineering techniques.

The programmes of the Chemistry Department are centred around studies on biomolecules. The major objective is to understand the chemical and biochemical nature of these molecules and gain information about their roles in biological processes.

The research activities of the Microbiology Department address mainly the problems in the areas of parasitic and bacterial infections, drug design, detoxification, plant-microbe and mineral-microbe interactions.

The Physics Department is one of the oldest departments in the Institute, as the founder himself was a physicist. The main objective of this department is to improve our understanding of the basic laws of nature, in the realm of both macro and micro worlds.

The Research Section on Animal Physiology was established in1930 with the objective of understanding basic amphibian, piscine and invertebrate physiology, reproductive physiology, drug research and nutrition.

The section on Environmental Sciences created in1992 mainly deals with studies on Air, Noise, Water, Land and Biological environment and provide consultancy services to Industries. The section extends consultancy work on Quality Control, Monitoring and Control and Environmental Pollution at the local and national level.

The Immunotechnology section was created in 1992. Newly introduced programmes include an effect to understand phage induced modifications and inactivation of host aminoacyl tRNA synthetase, and a study of white spot syndrome associated baculovirus affecting shrimp aquaculture in India.

The Plant Molecular & Cellular Genetics section was established in1989 with the objective of studying basic and applied aspects of plant processes through modern molecular approaches.

6.3.8 INDIAN INSTITUTE OF CHEMICAL BIOLOGY

4, Raja S. C. Mullick Road, Kolkata-700 032
(Established in the year 1935)

The Indian Institute of Chemical Biology has always focussed basic research in Bio-Medical science. Over the years, it has endeavoured to attain excellence in basic biological research and to focus attention on applied research.

MAIN AREAS OF ACTIVITY :

Leishmaniasis, Vibrio Cholerae, Developmental Neurobiology and Neurological Disorders, Cell Biology, Reproductive Biology, Chemistry of Bio-active Substances, Immunobiology and Immunochemistry, Protein Engineering and Structural Biology, Bio-technology, Theoretical Biology and Modelling of Bio-systems, Drug Designing and Molecular modelling.

AIMS AND OBJECTIVES

- Understanding the molecular basis of pathogenicity of parasitic and bacterial diseases of national importance. Development of early diagnostic methods and immunoprophlactic measures.
- Investigation of the role of thyroid hormones in brain development. Mechanisms of genesis of the features of Parkinson's disease and clinical studies of early diagnosis of the disease as also monitoring of drug therapy.
- Identification and characterization of bioactive materials from natural sources synthesis of new molecules and exploration of their usefulness as potential drugs.
- Mapping of small genomes and sequencing.
- Studies on human genetics of the Indian subcontinent. Identification of disease genes and gene therapy.
- Development of radiopharmaceuticals for diagnosis of different functional disorders.
- Development of diagnostic kits for determination of hormonal disorders.
- Understanding the molecular mechanisms of cellular regulation in gastric hyperacidity and ulceration, muscular dystrophy and related abnormalities.

6.3.9 SATYENDRA NATH BOSE NATIONAL CENTRE FOR BASIC SCIENCES

Block JD, Sector III, Salt Lake, Kolkata - 700 091.

The Satyendra Nath Bose National Centre For Basic Sciences was established in 1986 to foster the growth of advanced studies in selected branches of basic sciences and to conduct original researches in theoretical and mathematical sciences and other basic sciences in frontier areas including challenging theoretical studies of future application and to train young scientists for basic researches.

OTHER UNIVERSITIES

Main Programmes are :

Theoretical Physics, Applied Mathematics, Mathematical Modeling and Theoretical Chemistry. This centre has been maintaining an excellent standard in research activities, conducting various seminars and collaborating programmes with different universities in and outside the country.

Some of the research projects undertaken :

Electronic structure of random alloys, Nuclear Fission and Nuclear structure calculation, Probing the foundation of Quantum Theory, High-Tc Super conductors-effects of radiation damage, Liquid Crystals, Statistical mechanics-theory of sand piles and aggregates.

CHAPTER – 7

COLLEGES

7.1 GENERAL INFORMATION ON GOVERNMENT AND NON-GOVERNMENT COLLEGES:

There are, different categories of Colleges in West Bengal like Govt. colleges, non Govt. colleges under pay packet scheme and private self financing colleges under the administrative jurisdiction of the Higher Education Department. They include General Degree Colleges and professional colleges like Law Colleges, Teachers' Training Colleges, Management colleges and Engineering & Technological Colleges etc. Districtwise distribution of various category of colleges has been shown here.

General Degree Colleges in this State are under two broad categories—(i) Government Colleges and (ii) Non-Government Colleges. Self financing private colleges have also been set up in this area.

Government Colleges are directly controlled by the State Government. The entire expenditure for these Colleges are borne by the Higher Education Department. The teaching and non-teaching staff of these Colleges are Government employees.

The Non-Government Degree Colleges are also financed by the Higher Education Department almost entirely. In 1978, the PAY PACKET SCHEME was introduced for payment of salary of teaching and non-teaching employees of the Colleges under the West Bengal Colleges (Payment of Salaries) Act, 1978. All Non-Government degree colleges (including erstwhile sponsored colleges) receive salary under this scheme. Recently the State Govt. has allowed a few autonomous non profit making societies/trusts to set up a few private colleges on self financing basis. The General Degree Colleges have a wide variety in enrolment, subjects offered and in educational achievements.

The Department feels that Honours teaching facility should be evenly distributed in the districts amongst various subjects in Arts, Science and Commerce Groups. Efforts are being made to move in that direction.

In the case of extension of affiliation to new subjects in the existing colleges, the infrastructure of the particular college, its teaching strength, academic record as evidenced by examination results, location, area served, etc. are taken into consideration. Special importance is also given for according affiliation to new subjects in colleges, which have a higher SC/ ST student population. A number of Govt. and Non-Govt. Colleges have been given extension of affiliation in respect of new subjects during 2006-2007. Some colleges have more than one shift on account of student population.

Out of 380 General Degree Colleges in West Bengal only 258 Colleges have the facility for science teaching at General and / or Honours level. These science-teaching colleges are, however, not evenly distributed throughout all the districts. The following table will show percentage of distribution of colleges with science teaching facility in the districts.

COLLEGES

Most of the sciences teaching colleges teach physical sciences (Physics/Chemistry). Life Sciences (Botany/Zoology/Physiology) are taught in less number of colleges. Subjects like Statistics, Geology, Computer Science, Electronics, etc. are taught in a limited number of colleges although there is a great demand for those subjects. In view of the above, the Higher Education Department has been granting affiliation for Computer Science and Electronics in several colleges at both the general and the honours level.

It may be noted from the following table that only 207 colleges offer teaching in Commerce. As regards districtwise distribution of these colleges, the percentage is high (i.e. more than 60%) in only 6 districts, namely, Howrah, Hooghly, Burdwan, Birbhum, Nadia and South 24 Parganas.

There are girls' colleges in all districts except Birbhum and North Dinajpur. The oldest Girls' College in the State is Bethune College, which was established in 1879. Besides the above-mentioned colleges, there are some professional colleges (Teachers' Training / Fine Arts/ Home Science etc.) which are meant for girls' students only. There are some co-education colleges with facility of Girls' Hostel.

7.2 GAMES AND SPORTS IN COLLEGES

FACILITIES

Although games and sports are not included in regular curricular programme of General Degree Colleges, the Government encourages these activities in various ways. There are posts of Physical Instructor/ Physical Instructress in all Government Colleges and in some Non-Government Colleges. They are entrusted with the responsibility of organising games and sports in respective colleges. Grants are released to colleges for purchase of equipment for games and sports.

GOVERNMENT COLLEGES

Most of the Govt. Colleges have playgrounds within or outside. The students of the colleges are encouraged to participate in games and sports. An INTER-GOVT. COLLEGE ATHLETIC MEET is held every year.

NON-GOVERNMENT COLLEGES

The picture of the non-Govt. colleges is slightly different. It is understood from available data that 105 colleges have playground attached to those colleges, while 25 colleges have playground outside the campus. But the playgrounds of most of those colleges are not spacious enough for popular games like football or cricket. Like Govt. Colleges, inter non-Govt. College athletic meet and Football competition is organised by the Directorate of Physical Education annually.

7.3 HOSTEL FACILITIES IN COLLEGES

All the Government Engineering and Technological Colleges have hostel facility. All the Govt. Teachers' Training Colleges, excepting one, also have this facility. Amongst the Govt. General Degree Colleges, however, only ten colleges have hostels. Amongst the non-Govt. (General Degree and Teachers' Training) colleges, ninety three colleges offer this facility. The number of non-Govt. colleges in each district having hostel facility is shown below :

7.4 SOME SALIENT FEATURES OF COLLEGES

A. Government Colleges

- **Centre for Advanced Study :**

Presidency College has a Centre for Advanced Studies in Economics. This centre was started in 1972 under the Special Assistance Programme of the U.G.C. The centre helps in conducting the teaching programme in Economics at B.A (Hons) level and carries out research programmes. Seminars and workshops are also organised by the Centre on various aspects of macro and micro-economics. The primary thrust of research in the Centre has been in the formulation of approaches and methods for understanding some important problems of Indian economy. Two posts of Professors have been created by the Govt. of West Bengal exclusively for the Centre. The Geology Deptt. of Presidency College has been declared as Centre for Advance Studies (CAS) by the U.G.C. in 2006 and Rs. 1 Crore has also be granted for overall upgradation of infrastructure of this Department.

- **College of Excellence :**

Presidency College is the first college in West Bengal to be declared as the 'College with Potential for Excellence' by the UGC and Rs. 35 lakhs have been granted by UGC which is being used for total computerization of the college. Loreto College, St. Xavier's College and Scottis Church College, Kolkata have also earned this distinction.

- **Research / Partnership :**

Ford Foundation, UGC, DST -GoI, CSIR, etc, have funded special research and academic projects in top government colleges. Presidency College alone has received nearly Rs. 5 cr. Libraries, Laboratories and Computer systems have been upgraded to enhance research and other academic facilities.

- **Created financial flexibility :**

The Principal's of the Govt. Colleges have been given the financial powers of DPI/Secretary for sanctioning expenditure. They do not have to approach HE Deptt/DPI for these matters, as was the system before.

B. Non-Government Colleges

Beside the Government Colleges, the State at present has 501 Non-Government Colleges of different categories of which 375 are non-Government General Degree College. Serampore College, established in 1818 under the initiative of the Danish Government is the oldest. It thus coincides with the year of establishment of Hindu College (later Presidency College) in Calcutta. It was followed by Krishnath College (1858), St. Xaviers' College (1860), St. Paul's College (1865) and Midnapore College (1873). The establishment of the colleges was, in some cases, associated with the National (Education) Movement in India during the British period, such as Surendranath College (1884) and Jadavpur Vidyapith (now Jadavpur Vidyapith College of Education). The decadal growth of Colleges (Appendix II) will show the course of development of Non-Government Colleges.

Since Independence, the Central and the State Governments have appointed various commissions in the field of education, the University Education Commission, 1948-49, the Indian Education

Commission (Kothari Commission), 1964-66 and the Education Commission (Ashok Mitra Commission), 1992-93 etc. for the improvement of education and the service conditions of the Non-Government College teachers which were not at par with those of the Government Colleges teachers. Various effective steps have been taken for the improvement of the service conditions of teachers of Non-Government Colleges since the Left Front Government came into power in 1977, which include :

- As there was no security in service of College teachers and the payment of their salary was irregular, the present Government, after assumption of power, passed the West Bengal College (Payment of Salaries) Act, 1978 by which the security of service and the payment of salaries were ensured by the State Government. The Pay Packet Scheme is administered by Education Directorate.

- The Governing body of the Non-Government Colleges was democratized by the inclusion of elected representatives of the teaching and the non-teachings staff of the college.

- Previously the non-Government Colleges had to deposit 50% of their income in the Government Exchequer against the total payment of salary by the State Government. But the Government has waived this deposit.

- Similarly, Death-cum-Retirement benefit scheme was sanctioned for teachers of Non-Government Colleges in 1978. In 1993-94 an enhanced rate of pension and other benefits were sanctioned for teachers who had opted for them, making the benefits at par with those of the Government College teachers. A Pension Cell is attached to the Pay Packet Section of the Education Directorate to look after the payment of the Retirement Benefits of the Non-Government College teachers. Recently (2005-06) Govt. has taken urgent steps to clear the backlogs in pension related cases.

- Setting up of new departments/affiliation of new subjects in the emerging areas.

- Setting up of new courses/programme on self financing basis.

- Professional and vocational courses in collaboration with different organisations/institutes.

Expansion and Quality improvement :

The State Government has concentrated on the decentralization of educational opportunities to the rural and other backward areas of the State to meet the demands of the people for education. Between 1977 to 2004 of General Degree Colleges have been established in different parts of the

State. The State Government is equally conscious of the need for improvement of the quality of college education. Every year the State Government has been sanctioning grants for the development of libraries and laboratories of the Colleges. Funds are also released for the repair, reconstruction/ renovation and extension of college buildings.

The responsibility of management of non-Government colleges lies with the Governing Bodies of the colleges subject to overall jurisdiction of the State Govt. The academic matters of the Colleges are looked after by the University concerned to which the colleges are affiliated.

C. National Assessment & Accreditation Council (NAAC)

The last five decades have seen a notable increase in the number of Higher Education Institutions in the country. The need for quality in public Instructions cannot be overlooked in any level of educational

structure of the country. However, maintenance of quality in Higher Education considering all socio-economic aspects, including the higher amount of investment per student, is a matter of paramount importance.

In order to address this issue of quality in higher education in the country, an apex evaluatory body, the National Assessment and Accreditation Council (NAAC, Bangalore) has been constituted under the jurisdiction of the University Grants Commission, New Delhi in 1994.

In West Bengal seven state-aided universities attached to this department and one hundred six General Degree Colleges have been assessed and accredited by NAAC so far.

- **Placement of Teachers in Non-Government Colleges**

  The State Government established the West Bengal College Service Commission in 1979 for making recommendations for filling up the vacancies of different categories of teaching posts in Non-Government colleges. The College Service Commission has been successful in filling up the vacant posts of academic staff in large numbers and has helped in raising the academic atmosphere in the Colleges.

- **Commitment of the State Govt. towards Payment of higher remuneration to Part-time Teachers**

  Effective steps have already been taken towards payment of remuneration to part time teachers @ Rs. 4000/pm . Rs.107 crore has been allotted during 2005-2006 fiscal. Provisions have also been made in the current year's budget in this matter.

- **Sanction of Additional post of teachers for the Colleges**

  During the year, 1000 teaching posts in non-Govt. colleges and 125 teaching posts in Govt. colleges have been created.

PROFESSIONAL COURSES

8.1 TEACHERS' TRAINING

Secondary Teacher Education Programme in West Bengal :

In all there are 47 Secondary Teacher Education (B.Ed) Institutions established decades ago. Out of these 7 are Government Colleges, 19 are Government aided full-fledged colleges, 15 are Government aided General Colleges with B.Ed. Departments and 6 Universities where B.Ed. Course is offered.

In the last 3 years 35 new Secondary Teachers Education Institutions have been established on self-financing basis with a view to cope with the growing demand of trained teachers in the State. The Government of West Bengal has issued no objection for establishment of such colleges on the recommendation of West Bengal State Council of Higher Education and the Universities have given affiliation to some of those colleges for running the B.Ed. Course.

All the 7 Government Colleges and all 6 B.Ed. Departments in the Universities are, at present, recognized by the National Council for Teacher Education (NCTE). Out of 19 Non-Govt. full-fledged teacher training colleges 11 have already got recognition of NCTE and the rest are under process of getting the same very soon. Out of 15 non-Govt. Degree Colleges having B.Ed. Department 7 have already got recognition from NCTE. Out of 36 very recently established self-financing colleges 3 have secured NCTE recognition.

The training colleges not yet recognized by the NCTE are getting ready to achieve that and the Govt. of West Bengal has taken necessary steps to get those colleges recognized as soon as possible.for Women, Hastings House, Govt. Training College, Hooghly, and Ramkrishna Mission Sikshak Sikshan Mandir, Belurmath, have been upgraded to Centres for Teacher Education(CTE). Two more colleges are going to be upgraded to CTE very soon.

The Teachers' Training Colleges fall into two categories: (a) B.Ed Colleges and (b) Physical Education Colleges.

8.3 LAW EDUCATION

The introduction of law education in India can be traced back to the year 1827 when the course was introduced in Hindu College. When Presidency College came into being in 1855, law education became an important department of the College. Various factors, however, compelled this law department to be abolished in 1884. Ripon College (now Surendranath College) was granted affiliation to teach B. L. in 1885. The next major step in law education of the State was taken when Calcutta University opened its law college in 1909. Since 1970, four more law colleges have come up, along with law colleges at North Bengal and Burdwan Universities. The academic status of law education has however, fluctuated over the decades. Initially, it attracted brilliant scholars and produced most of the legal luminaries of the 19th century. After the First World War, the legal profession became overcrowded. After the Independence, law graduates came to be in high demand due to industrial and commercial growth and the facilities for law education was expanded.

Previously, the study of law comprised 3 year courses but of late, a major innovation has been made by introducing a 5-year integrated course on the recommendations of the All India Bar Council. The course starts beyond the H.S. stage and the first 2 years include, apart from some basic law courses, English, Political Science, History and allied subjects. The last three years are devoted to the teaching of only law subjects.

The West Bengal University of Juridical Science was formally inaugurated on 22nd April 2000. The admission to the 5-year Course in law offered by the University is made through an All India Entrance Examination. The present position in legal education in the State is enumerated below in a summary form. Law Colleges have also been established on self financing basis.

ACTIVITIES OF WINGS OF THE GOVERNMENT, ACADEMIES AND INSTITUTES

9.1 INSTITUT DE CHANDERNAGORE

Strand Road, Chandannagar, Hooghly, Phone-(003) 2683-9661

Indo French Cultural Centre & Museum (called Institut de Chandernagor) is situated on the west bank of river Hooghly. The ecology of this area is charmful and pleasant. Institute has potential in two aspects – education and tourism. The building of the Institute (Dupleix Palace) is a historical monument. The building itself is an object of the museum, architecture Neo-classical columns of Tuscan Order i.e. gothic style, rebuild in 1812-14.

The Institute is a mass Education Centre to run with three wings – Museum, Library and French language study, also to promote the culture and heritage of two countries India and France.

The 2nd and 3rd Meeting of the Governing Body of the Institut de Chandernagor were held on 27th July 2006 and 8th April 2007 respectively at Raj Bhavan, Kolkata. It was decided in these meetings that a new Indian Freedom Movement Gallery will be organized at the North Verandah of the Main Building which was approved by the Archaeological Survey of India.

Museum :

Open : 11 a.m. to 6 p.m. (March to November)

11 a.m. to 5.30 p.m. (December to February)

It was decided in the 3rd Meeting of the Governing Body of the Institut de Chandernagor on 8th April 2007 at Raj Bhavan that the collections of Harihar Sett would be displayed in one room and the 5th Convocation of the Institut de Chandernagor may be held in November 2007. It was proposed that Prof. Partha Chatterjee may be invited to deliver the Convocational Address.

A project of thematic display of the galleries is taken for preparing the blue print of the display plan. In this financial year 2007-2008, the display project work would be started soon.

Temporary Exhibition :

An exhibition on *"ROLE OF WOMEN IN THE EVOLUTION OF SOCIETY"* (Swamaj Bibartane Nari) was held on 23rd January – 31st January 2007 at the auditorium of the Institut de Chandernagor. Thousands of people observed the exhibition and appreciated the theme and representation of the ideas of the exhibition.

Library :

The Institut de Chandernagor has taken a project for the documentation of library books in the computer. Scientific proforma was prepared and filled up for the documentation of books in three languages French, English and Bengali. So, three windows of Excel were opened and the documentation of 4,180 books were completed before 31st March 2007.

For the interest of the public, the title of the French Books would be translated in English which is decided in the 3rd Meeting of the Governing Body of the Institut de Chandernagor.

French Language Course :

The Institut de Chandernagor, Higher Education Department, Government of West Bengal, conducts the Adult French Courses since 1966.

There is scope of higher education. The student who pass the B.A. Examination and also pass the Diploma Part – II Examination from the Institut de Chandernagor can get admitted in the Pre-M.A. and after passing the Pre-M.A. in French they can get admitted in the M.A. (French) under the University of Calcutta.

Fees :

The Tuition fees and admission fees would be moderated and increased in the next academic session July-December 2007.

Promotion of Teaching :

It was decided in the last meeting of the Governing Body of the Institut de Chandernagor that Memorandum of Understanding (MoU) would be made with the Embassy of France and French Association for the development of French Teaching.

Website : www.instituteofenglishcalcutta.org

The Institute of English, Calcutta (IEC) was founded in close collaboration with the British Council, Division of British Deputy High Commission, Calcutta through a Government notification (G.O. Number 3945 - Edn(D) dt 3.10.1962) in 1963. Since the inception the Institute of English, Calcutta has been

effectively handling the task of teacher training in the field of ELT entrusted to it, both in in-service and pre-service sectors. The Institute is still providing teachers of English with the necessary knowledge and understanding, skills and aptitudes apart from an active academic support in various forms. The Institute is unique in that it is not affiliated to any University and enjoys full academic autonomy in devising its own courses, framing syllabi, conducting examinations and conferring Diploma and Certificates. In the various aspects of its works, the Institute is in close touch with SCERT, NCERT, British Council, CIEFL (Hyderabad), WBBPE, WBBSE and WBCHSE.

9.5 NATIONAL SERVICE SCHEME (N. S. S.)

The National Service Scheme is a noble Youth Activity of our country started in 1969 on the occasion of the birth centenary of Mahatma Gandhi. The main objective of NSS is 'Education through Community Service'. " Not me but you" is the motto of NSS which means every person should realize that not he alone or she alone is important but the society in which he or she lives is on the whole important. NSS activities are multipurpose as well as multidimensional in their nature. And in practice, these activities take an important part to the service of mankind and in execution of the process of formation of the future generation of the country through various constructive programmes. The phenomenal success of Science and Technology in his service has made man forget the long cherished values such as love, peace, co-operation and tolerance etc. Materialism and its comfort shifted the importance of life to mere acquisition of material health. Further Globalisation has thrown the values out of greater life. The modern dehumanised materialistic civilisation has been neglecting human values. And, it is only the NSS activities which can lead young ones to become more meaningful and fruitful to the society which in an extended sense encompasses the entire humanity. As NSS has launched the movement of Awareness, Sensitization, Motivation, Dedication, Service etc. its thousands

of volunteers as well as dedicated teachers from schools and colleges are always active and sincerely busy in inculcating the basic principles and values of NSS among the student community through their society- friendly programmes and issues as Environment Enrichment and Conservation, Women's Development and Gender Justice, Production orientated programmes. Education and Recreation, Health, Family Welfare and Nutrition of the weaker section of the society, Social Service, Relief and Rehabilitation, Socio-Economic Surveys, Health Awareness and Scientific Awareness Generation etc. Involvement of Youth in Social Activities is a crying need of the day. Social responsibility shouldering should be taught through projects like NSS.

West Bengal is one of the first few States where NSS has been introduced since its inception in the country in 1969,. But over the years, it could not hold the momentum and has now slipped from the top rung in the arena of NSS. In the days to come, NSS activities will further be strengthened to take it to the optimum level by sincerity and commitment of all concerned.

9.6 PASCHIM BANGA HINDI ACADEMY

1, Bankim Chatterjee Street,
(In the Old Building Complex of the Government Sanskrit College)
Kolkata -700 073, Phone : 2219-1277

The Paschim Banga Hindi Academy founded in 1990 functions under the administrative control of the Department of Higher Education.

I. AIMS AND OBJECTIVES

The main objective of the Academy is to encourage the study of Hindi language and literature in the State of West Bengal, especially among the non-Hindi speaking people, both the rural and urban areas. The other objectives of the Academy are :

(1) to encourage and undertake translation of Bengali classics and scholarly works in Bengali on literature, history, science and technology – into Hindi;

(2) to publish Hindi text books for different classes following the syllabi and curricula meant for non-Hindi speaking people;

(3) to undertake and encourage research in Hindi language and literature, etc.

II. STRUCTURE

The academy has a General Council consisting of 61 members, a Governing Body consisting of 23 members. The Governing Body has constituted five sub-committees consisting of 5 members each. The Chief Minister, Government of West Bengal and the Minister-in-Charge of Higher Education Department, Government of West Bengal are the Chairman and the Vice-Chairman respectively of the Paschim Banga Hindi Academy.

9.7 WEST BENGAL DISTRICT GAZETTERS

The office of the State Editor, West Bengal District Gazetteers was set up in the late fifties to implement the Government of India Schemes of revision of Gazetteers which were compiled and published during the British Rule. Since then research, Compilation and publication of Gazetteers have been invoked for long periods. Thereupon many original district reports for making gazetteers were published. Besides that worthwhile reprints written by different personalities like Hunter, F.D. Ascoli, F.E. Pergiter's reports were also published. But now in view of audit objection for printing, the production of C.D. has been taken into consideration for the report (1) Rivers of Bengal Vol.IV, (2) Sannyasis, Fakirs and Maghs by J.M. Ghosh.

Staff pattern of the office

The staff pattern in this office is quite different from other offices; as this office is a publication-oriented one with its own accounting system; Editorial/Research/Publication Wings; Own Library enriched with precious rare books; own Sales Counter, etc. Having been set up in 1959 at the instance of the Government of India, the office has been writing/compiling/revising/editing and publishing West Bengal District Gazetteers and allied literature, initially under the guidance of the Expert Committee of the Government of India and then the State Advisory Committee.

Writers' Buildings, Block II, Ground Floor, Kolkata -700001 (Ph.No.22141339).

West Bengal State Archives is the oldest repository of Government records in the country. It occupies an important place in the Government set up since it is the custodian of records created by all Government Offices. Besides its primary function of preservation of records it caters to the needs of the users and as such, plays an important role in generating awareness about public records among common people. At present it functions from three wings viz. (a) Historical Section at 6, Bhowani Dutta Lane, Kolkata-73, (b) Current Section at Writers' Buildings, Kolkata-1 and (c) New Functional

Building at 43, Shakespeare Sarani, Kolkata-17. Historical Section houses pre 1900 records and Current Section preserves documents of post 1900 period. The Functional Building preserves such I.B. records so far transferred to the Archives and the voluminous P.W.D. records. There is also a Photo-Archives and Permanent Exhibition Gallery in the Functional Building.

Organisational Structure

The West Bengal State Archives is headed by the Director who is assisted by one Deputy Director, Two Assistant Directors, Two Chief Archivists, Six Archivists, Fourteen Assistant Archivists, One Micro Photographer and other Archival and Administrative Staff Members at different level.

The year 2006-2007 was one of continuing activities and programmes undertaken by W.B.S.A in connection with the celebration of centenary year of 'Partition of Bengal and Its Aftermath' and preparatory works concerning the Revolt of 1857.

Public Exhibition

To commemorate the 150th anniversary of the 'Great Revolt of 1857' W.B.S.A is going to organize an exhibition of records pertaining to the event that took place in Bengal and preserved in this storehouse. Selection of records and preparatory work for organizing such an exhibition has been done during the year in question.

Publication

Publication of records is a regular function of Archives. As a continuing programme of Celebration of Centenary Year of Partition of Bengal (1905), records on 'Partition of Bengal and Swadeshi Movement in Bengal have been selected and sent to the press for publication.

As 2007 is the 150th Year of the 'Great Revolt of 1857' WBSA has taken up the programme to celebrate the year and to bring out one publication on the occasion. Records pertaining to the event and preserved in this Archives have already been selected and preparatory work towards publication has almost been completed during this period. Negotiations are on with the Indian Council of Historical Research, the National Archives of India and other institutions of higher learning in India for this purpose.

WBSA is also going to publish the list of Subordinate Executive Servants, the manuscript of which has been prepared during the period under review.

Inspection of Libraries

As a part of Central Govt. Scheme of Financial Assistance to the different institutions for preservation of Manuscripts/Rare books, Archival Officers have inspected the holdings of the following institutions.

e) Society for preservation, Kolkata, f) Itihas Parikrama, Berhampore, Murshidabad,

g) Ghanashyampur Sadhan Child Welfare, South 24-Pgs.

Professional Training

W.B.S.A. imparts three months training on 'Conservation of Records' to the intended candidates who are deputed by their employing institutions. This year five candidates from the Intelligence Branch, West Bengal Police, Institut De Chandernagore, Prafulla Chandra College and Hooghly Sahitya Mandir joined this training which was conducted during November 2006- January 2007.

Project on Historical Event of Contemporary Relevance

Being the principal repository of records W B S A has decided to celebrate the 150th Year of the 'Great revolt of 1857' Keeping in view this celebration WBSA has designed its Annual Archives Week Programme along this line.

Function of new computer and digital unit :

To keep pace with the modern Technology of reproduction system and also provide service to the users, WBSA has set up its computer and digital unit. With a view to save the valuable records from further deterioration due to frequent use and inclement climate, WBSA has taken up a digitization programme. It started scanning & copying of records in CDS. A considerable volume of records preserved in the Historical Section have already been digitized during this period.

Conservation

As conservation is the primary function of Archives this year attempt has been made to restore Proceeding. Volumes of different departments, old books, I.B. records and PWD records, photographs and photo-slides received from I. B.

Assistance to other institutions

W. B. S. A has provided copies of records to the Andaman & Nicobar Administration, Calcutta Port Trust and others who are in need of such services.

Participation in Seminars/Meetings

As a part of their official function archival officers attended several Seminars. Meetings, Workshop etc. in order to enrich their knowledge about development of archival Science in different parts of the country and abroad and to keep them aware of the recent trends of research in different field of Social Science.

9.9 WEST BENGAL STATE BOOK BOARD

6A, Raja Subodh Mallick Square (8th Floor),
Kolkata-700013
Telephone : 2236-7854

Sales Counter : - 1, Bankim Chatterjee Street (Ground Floor of Sanskrit Collegiate School Premises), Kolkata - 700 073.

Pursuant to the recommendation of the Kothari Commission on 'Media Transfer' to implement the programme of switching over to regional languages as the medium of instruction at the level of Higher Education, Book Boards were formed in different States in the country. Accordingly, in the year 1970 the West Bengal State Foundation for Text Book Borad was formed and registered under the West Bengal Societies Registration Act.

The authority of general superintendence, direction and control of the Society is vested in the Board of Governors of the West Bengal State Book Board. The Minister-in-Charge of Higher Education, West Bengal is the ex-officio Chairman of the Board. The Principal Secretary (Higher Education) to the Government of West Bengal is the Vice-Chairman and the Chief Executive Officer, is the Member-Secretary of the Board.

The maintenance cost of running the Board is borne by the Department of Higher Education of the Government of West Bengal. The Government of India, provides assistance for the publication of text books on the basis of proposals prepared by the Board.

The number of publications of the Board has been on the increase. It rose from 766 in 2000-2001 to 783 in 2002-2003 to 792 in 2003-2004, 801 in 2004-2005, 820 in 2005-2006 and 838 in 2006-2007.

The Board publishes text books for the use at the undergraduate and postgraduate levels of studies. The publications also cover terminologies, dictionaries and monographs in science for students and general readers.

The academic disciplines in which the Board has so far published books are as follows :

(1) Agriculture, (2) Botany, (3) Chemistry, (4) Commerce, (5) Computer Science, (6) Defence Studies, (7) Economics, (8) Environmental Studies, (9) Geography, (10) Geology, (11) History, (12) Journalism, (13) Law, (14) Literature, (15) Library Science, (16) Mathematics, (17) Music, (18) Physics, (19) Physiology and Medical Science, (20) Popular Science, (21) Philosophy, (22) Political Science, (23) Sanskrit, (24) Sociology and Human Studies, (25) Statistics, (26) Teachers' Training, (27) Zoology, and (28) Physical Education.

In the year under review the Board concentrated on the publication of syllabus oriented text books. In 2002 the University of Calcutta thoroughly revised the syllabus of all subjects and the Board was considered as the principal organisation who are experienced in the publication of such text books. Therefore special efforts were made to constitute subject committees for a couple of subjects. So far 10 (ten) new books, as per the new syllabus and about 8 (eight) editions and the reprints were published during this period.

The Board participates in the Book Fairs in different places both within and outside the State and get good response there.

9.10 WEST BENGAL STATE COUNCIL OF HIGHER EDUCATION

The West Bengal State Council of Higher Education, established under West Bengal Act XXXVII of 1994 started functioning in April 1995. Office of the Council is located at 147A Rashbehari Avenue, Kolkata 700029 in a building owned by the Higher Education Department. Functions of the Council, as stipulated in the Act are stated below :

(a) Planning and coordination in the area of higher education in the State including co-operation with the UGC.

(b) Academic functions e.g. curriculum development, teachers' training and encouragement of sports, games and extension activities.

(c) Advisory functions in determining the basis and amounts of block maintenance grants, linking research with educational institutions and industry, framing and amendment of university statutes, regulations etc.

(d) Allocation of grants to different universities and colleges and make enquiries regarding utilization thereof.

Activities of the Council since its inception :

1. To formulate policy or action plan on important academic issues of general nature in consultation with the Universities of our state and within the framework of the guidelines issued time to time by the UGC or such other bodies. Some of the major issues on which the Council deliberated during the last one year and in some cases took policy decisions or finalized its recommendations are as follows :–

   i) Bringing some uniformity in the criteria for admission into BA/BSC/BCom courses as adopted by different State Universities in view of the decision of the Higher Secondary Council to switch over to gradation system in lieu of according marks practised so far.

   ii) Change in statutes of different State Universities in view of a recent order of the State Government granting leave salary to the teachers of the affiliated colleges on superannuation.

   iii) To find a solution to the very serious crisis faced by the teacher education programme in our state in having mandatory recognition from NCTE.

   iv) To review the status of Distance Programme conducted by the State Universities.

   v) To apprise the Goverment the problems faced by our universities and colleges in implementing the guidelines issued by different Central regulatory bodies, which are changed/modified quite often without taking account, in many cases, the ground relations.

   vi) To review the recent draft guideline issued by UGC in conducting M.Phil/Ph.D. programme throughout the country.

2. A major task entrusted to the State Council is to process and scrutinize the proposals for establishment of Degree colleges spread overa all districts under pay-packet scheme of the State Goverment and to make suitable recommendation to the Goverment on the desirability of establishment of such colleges taking into account a number of socio-economic factors. During this financial year, the Council has made spot inspection for 20 such proposals and submitted report to the Chairman.

3. The Council had been entrusted with the responsibility of processing and scrutinizing the proposals for establishment of self-financing General colleges, B.Ed. Colleges and Law Colleges in different districts of the State and also undertaking spot inspection, if considered necessary, to study the desirability, suitability and viability of such proposals and then submit a report to this effect, to the Chairman of the Council. During this year, the Council found several such proposals worth favourable consideration by the appropriate authority.

4. The Council is entrusted with the duty of considering proposals for affiliation of undergraduate colleges in new disciplines and to arrive at a decision on each such proposal in consultation with the concerned University.

5. The Council, through constant efforts of its Quality Assurance Cell (QAC), is holding series of workshops with Principals and Co-ordinators of affiliated colleges in order to assist them in preparing for NAAC assessment. Efforts are being made (i) to initiate Quality improvement measures in the post accredited phase as follow up step and (ii) to motivate the unaccredited/ yet-to-be accredited colleges to undergo NAAC assessment/process without further delay.

   During this financial year, as a result of very intense activities of the Cell, more than 100 colleges have been accredited by NAAC, bringing the total number of such colleges to 210, which is more than 55% of our total number of Degree Colleges, compared to the national average of 20%.

   (a) A number of workshops had been held within this one year where a large number of colleges had participated. In addition, one-to-one discussions had been held with some of those colleges. Several reports on such activities have also been published.

   (b) The Council as a part of its regular activities extend assistance to different Academic Committees appointed the State Government and offer a platform for discussions among different universities and other academic bodies like West Bengal State Council of Higher Education, State Council of Technical Education, State Council of Vocational Education and Training etc.

RESEARCH INSTITUTES AND AUTONOMOUS VOLUNTARY ORGANISATIONS

10.1 BANKIM BHABAN GABESANA KENDRA

Kantalpara, P.O. Naihati - 743 165
Dist. 24-Parganas (North), Ph. : 2581-9933
Established : 1999
E-mail : bankim_bhavan@vsnl.net
Director : Dr. Satyajit Chaudhury

Bankim-Bhaban Gaveshana Kendra is a research centre registered in the ancestral house of Rishi Bankim Chandra Chattopadhaya and maintained by Govt. of West Bengal in the Department of Higher Education. The aims and objectives of this centre include :

1. Renovation and restoration of the heritage building complex wherein Bankim Chandra was born and brought up and created most of his immortal literary works including the National Anthem 'Bande Mataram'.

2. Preservation of a huge collection of rare mutilated written manuscripts, letters, deeds, and other paper documents, textiles and other items of personal effects of the archive and Museum. It includes also the work of preservation and consolidation of a big bulk of rare mutilated 19th century text books and reference books used and read by Bankim Chandra, Sanjib Chandra and other family members.

3. Research on the life and works of Bankim Chandra Chattopadhya and his associates who contributed to the renaissance of the 19th century Bengal.

4. Research on the different aspects of the social history of Bengal and of the Bengali language and literature.

5. To continuously augment with new addition and alteration in display of the existing personalia museum on Bankim Chandra, and his associate writers as well as to develop it as a potential Regional Museum.

6. Expansion of the Museum in the newly renovated premises in the ancestral house of Bankim Chandra where he was born and brought up.

7. Digital documentation and preservation of the thousands of books and journal of the library : The nucleus of the library handed over to the Gaveshana Kendra, included a rare collection of old books and journals of the Chattopadhyay family, which subsequently, enlarged by other donations of books, journals, offprints etc. by eminent litterateurs.

8. To build up an archive with handwritten documents, records, genealogies and old Puthis on Palm leaf and country made paper and processing for publication.

The Archive :

A) Handwritten and Printed documents :

The nucleus of the archive was primarily the materials and written documents collected from the Chattopadhyay family numbering about 25 thousand pages and items, which include land and property deeds (since early 18th century A.D .), wills, pattas, diaries, letters, official reports, drafts, bills, notes, proof sheets, invitation cards etc. of Chattopadhyay family. It also includes correspondences of various writers and other eminent persons of the period.

On the other hand, in 'Mm. Haraprasad Shastri collection' hundreds of letters written by Haraprasad Shastri to his son, Benoytosh Bhattacharya, the Director, Gaekwad Research Institute and letters received from the eminent European indologists like Sylvain Levi, C. Bendall, J. Jolly, W. Caland, F. E. Parigiter, Louis de la Vallee Poussin, J. A. Bourdillon, Th. Stcherbatskoi, A. F. Rudolf Hoernle, G. Thibaut, K. Ohmiya, Denison Ross,H. Jacobi, and the top brass of the British Administration like Lord Curzon and Lord Lytton etc. written between 1901- 1930 is preserved.

Very rare papers of Pramathanath Mitra the founder of Anusilan Samity are preserved.

Similarly, papers of Samares Basu famous writer of Bengali Literature, collected from his family include many notes, letters, diaries, and interestingly, some papers of the great artist Ramkinkar Beij.

These rare archival materials are being cleaned and stored digitally, while the originals are laminated for permanent preservation. The up to date techniques are being adopted in this process. Till date more than 25,000 documents have been processed. This ongoing project continued in this year also.

These documents are very precious materials for research on 19th century Socio-Cultural History including the process of modernisation of the Bengali literature under the leadership of Bankim Chandra.

B) Puthi :

An important component of the archive is a collection of nearly 200 Sanskrit 'Puthis' donated by the descendants of Mm. Haraprasad Shastri. These puthis were used in the 'Toll' of Shastri family since 1760 and comprise of disciplines like *Smriti, Vyakaran, Tantra, Nabya Naya, Kavya* etc. Processing these manuscripts for proper preservation as well as preparing a descriptive catalogue of the same are two important research projects undertaken by the centre. Efforts are being made to procure more such puthis from the families in Bhatpara, Naihati, Halisahar, once renowned centres of Sanskrit culture.

A seminar and workshop on the Puthi collection of this institution was held in Bankim-Bhavan on 25th December, 2006 under the scheme of National Manuscripts Mission, Govt. of India, organised by the regional Centre under the supervision of Prof. Ratna Basu of Calcutta University.

C) A collection of variations of 'Bandemataram' song :

The Bankim-Bhavan Archive possesses a rich collection of records of' 'Bande Mataram' song, sung by eminent musicians, vocalists like Rabindranath Tagore, Pandit Omkarnath, Dilip Kumar Roy and Ms. Subbu Lakshmi and others. These old records have recently been cleaned with the help of HMV and preserved in Compact Disk.

Museum :

The present museum of Bankim- Bhavan Gaveshana Kendra is situated in the 'Baithak-khana' (Parlour), built by Bankim Chandra himself in the year 1862 where most of his literary works were penned. The famous *Bande Mataram* song was also composed here and set to tune by his music teacher famous Jadu Bhatta for the first time.

The personal mementos of Bankim Chandra, rare photographs of his family and associates are neatly displayed in the museum that attracts regular visitors from all over India. New exhibits in thematic units have been arranged, highlighting, in details, the creative activities of Bankim Chandra and his associates and of the period. Protective but transparent covers for the different units of exhibits has been devised and installed in the gallery. In this year 2102 persons visited the meseum.

The total collection accumulated could not be displayed due to paucity of space hence an annexe building is contemplated to extend the existing museum. Eastern Railway authorities were moved to handover a piece of land adjacent to the present museum for building the annexe. The present Railway Minister Sri Lalu Prasad Yadav has kindly sanctioned this prayer and the formalities have been already completed.

Library :

The nucleus of the library handed over to the Bankim Bhavan Gaveshana Kendra included the collection of books and journals received from Chattopadhyaya family. Presently it has around 7000 volumes of books, bounded volume of journals, off- prints collected from five different sources.

i. The collection of Chattopadhaya family, donated by Satanjib Chattopadhaya, grandson of Sanjib Chandra.

ii. The collection of Prof. Manju Gopal Bhattacharya, nephew of Mm Haraprasad Shastri.

iii. The collection of late Prof. Chintaharan Chakraborty of Presidency College.

iv. Books received as presentation from Paschim Banga Bangla Academy, Sahitya Samsad, Bimal Kar, family members of Samares Basu, Prof Sanat Basu, Sri Ramendra Nath Ghosh, and some others.

v. Recently a precious personal collection of late prof. Dilip kumar Biswas, nearly 2000 books and journals related to indological studies has been received from his wife Prof. Bharati Biswas.

vi. Some important reference books have been purchased from Govt. grant.

In a very short time the library has grown enormously and has become a vital component of this research centre.

Publication :

A) Bangadarshan :

Bankim Chandra established the famous monthly journal *Bangadarshan* in the year 1872. Subsequently the journal had been edited by Sanjib Chandra Chattopadhyay, Srish Chandra Majumdar, Rabindranath Tagore, Sailesh Chandra Majumdar and Mohitlal Majumdar until 1955.

This journal has been revived by Bankim-Bhavan Gaveshana Kendra in the year 2000 as a biannual mouthpiece of the Research Centre. From the very beginning of its publication, the revived *Bangadarshan* received warm appreciation of our scholarly world. Till now 10 numbers of Bangadarshan have already published. The Special issues on famous historian Prof. Niharranjan Roy and the artist Binod Bihari Mukherjee deserve special mention. Special articles also appeared on centenary of the theory of Relativity and the birth centenary of Jean Paul Sartre..

B) Other Publication Projects :

i) ***Haraprasad Shastri Rachana-Samgraha*** **:** *Volume V* edited by Dr. Satyajit Chaudhury and Dr. Bijali Sarkar, shortly to be published by the West Bengal State Book Board during Calcutta Book Fair 2007.

ii) ***Bangadarshan Parampara*** **:** A research monograph written by Dr. Bhabatosh Dutta and Dr. Bijali Sarkar. On the history of *Bangadarshan* Patrika successively edited by Bankim Chandra, Sanjib Chandra, Rabindranath & others. This monograph would contains full index of different periods of the publications of this journal. It has already been published in August, 2006.

iii) ***Bankim Chandrer O Bankim Paribarer Patrabali*** **:** A definitative edition of letters written by Bankim Chandra and his family members edited by Sri Krishnajiban Bhattacharyya, is also under the process of publication for near future.

iv) ***Rabindranather Bankim Chandra*** **:** a complete collection of writings of Rabindranath on Bankim Chandra with notes and references, being edited by Dr. Bijali Sarkar and expected to be published very soon.

v) Another important monograph in three versions- Bengali, English and Hindi, ***'The Source and Variations of Bandemataram-tune' (Bandemataram Sangiter Utsa O Sura Baichitra),*** a contribution of late Prof. Ananta Kumar Chakraborty will be published shortly. The Hindi version has already been published in December, 2006.

Seminars :

Two very important seminars were organised in this year.

i) Celebration of Bankim Jayanti on 28th June, 2006. Haraprasad Shastri Jayanti on 6th December, 2006.

Bangadarshaner Majlish : Regular seminars :

These seminars are regularly held on last Saturday of the month.

Regular discussions are held on last Saturday meetings about various interesting subjects that covers Art & Literature, History, Education, Health, Music, Cinema, Poetry-Drama-Short Story reading sessions. Nearly 100 interested persons regularly attend this sessions and participate in lively question and answer sessions.

10.2 CENTRE FOR STUDIES IN SOCIAL SCIENCES, CALCUTTA

R1, Baishnabghata-Patuli Township
Kolkata - 700 094, Ph. : 2462-5794 / 5795 / 7252
Fax : +91-33-2462-6183, E-mail : csscal@vsnl.net, postmast@csssc.ernet.in

The Centre for Studies in Social Sciences, Calcutta (CSSSC) was founded in 1973, mainly with the aim to undertake, promote and co-ordinate research in social sciences, with special emphasis on the problems of the eastern region and West Bengal.

ACADEMIC EXCELLENCE

CSSSC, commonly referred to as The Centre, has come to occupy a special prominence amongst the academicians and intellectuals. Eminent scholars from disciplines like economics, history, political science, sociology, geography and later media and cultural studies, were drawn to the Centre from its very inception. Over the years, there have been gradual and sometimes radical shifts in the interests of scholars at the Centre, but it has remained steadfast in its pursuit of academic excellence. The reports of the review committee of ICSSR and acknowledgements from distinguished scholars from India and abroad bear ample testimony to this.

ASSOCIATION WITH PUBLIC BODIES

Faculty members are often associated with bodies like State Planning Board, State Higher Education Commission, State Finance Commission and Sahitya Akademi. Many of them are on the editorial boards of academic journals and are office bearers of academic associations.

SUPERVISION OF DOCTORAL WORK

Several Ph.D. students registered with different universities, work under the guidance of CSSSC faculty members, though the Centre does not award any degree.

RECENT PUBLICATIONS BY FACULTY MEMBERS

Faculty members are quite prolific in publishing books and anthologies and also in contributing articles in newspapers, magazines and professional journals of national and international repute, like *EPW: International Journal of Comparative Sociology, Diacritics, Sociological Bulletin, Journal of Asian Studies, Inter-Asia Cultural Studies, Journal of South African Studies, Journal of World-System Research, Journal of Political Economy, Journal of International Trade and Economic Development.* Their seminal contributions, over the years, have been widely acknowledged by discerning readers both within and outside of the academic world.

PROJECTS

The main project emphasis of the Centre is related to the fields of agricultural labour, rural development, financial markets, informal sector, resettlement and rehabilitation, political economy and cultural studies with cross-disciplinary approaches.

In the past the Centre has carried out projects, assigned by various national and international organizations like RBI, SSRC, SANEI, DFID, ENRECA, World Bank, ICRW, CSDS, IDPAD, Massey University and Ford Foundation.

The Ongoing Projects are :

i) Resource Centre at CSSSC for the Asian Region - SEPHIS

ii) A Documentary History of Advertising in Bengal 1880-1950 –

iii) SSRC Resource Centre -SSRC, New York

iv) Industrial Finance -RBI Permanent Research Endowment Scheme

v) Joint Research and Training Program —ENRECA

vi) Property Ownership and Inheritance Rights of Women for Social Protection – ICRW

vii) Education, Decentralization and Social Inequalities -IDPAD

viii) New Cultural Histories of Eastern India —Ford Foundation

ix) Globalization, Income Inequality and Regional Disparity : Analyzing the Indian Experience in the 1990 - SANEI

x) Political Ethnography of Rural West Bengal —Boston University

xi) Decentralization in Panchayat Institutions in West Bengal –DFID

xii) Study of Democracy in South Asia -CSDS & Lokiniti, Delhi

xiii) Dialogue on Democracy and Pluralism in South Asia -Centre for Law Governance, JNU, New Delhi.

xiv) Exchange Program with Massey University.

IMPORTANT ACADEMIC EVENTS

The busy calendar of *Seminars, workshops, lectures, conferences and face-to-face interactions,* organized by the Centre, has come to occupy a prominent place in the intellectual life of Kolkata. A wide cross-section of Indian and International scholars are brought together at these events from time to time.

10.3 JAGADIS BOSE NATIONAL SCIENCE TALENT SEARCH

716, Jogendra Gardens, Kasba, Kolkata - 700 078
Telephone : 2442-8270, 2442-5191, 2442-8269 (Director)
Fax : 2442-5485, E-mail : jbnsts@vsnl.com
Estd. 1st July, 1960

To commemorate the Birth Centenary of Acharya J. C. Bose, India's first modern scientist, this unique institution was established in the year 1958 by visionaries like Dr. B. C. Roy, Sir Jehangir Ghandy, Sir R. Mudaliar and other noted educationists and industrialists. The program was inaugurated by Pandit Jawaharlal Nehru.

AIMS AND OBJECTIVES

- To identify talented students at a young age who will emerge as scientists, technologists and doctors of very high abilities in the future and become the "builders of modern India".
- To nurture them through enrichment programs to develop their talents.
- To motivate students to realize the importance of excellence in the scientific world and educate them to cultivate this goal in real life as students of science.
- Conserve scientific talent with a view to provide for the nation's need for science and technology personnel.

AREA OF WORK

Financed by the Department of Higher Education, Government of West Bengal, the functions of JBNSTS were primarily limited to West Bengal only. However, from the early 90's, it started to spread its activities to the neighboring states of Eastern and Northeastern Region. Presently, JBNSTS is engaged in a number of projects in collaboration with Dept. of Science and Technology, Govt. of India, Council of Scientific and Industrial Research, Govt. of India, Ministry of Development of North Eastern Region, Govt. of India etc. Apart from that, a project for training of science teachers of West Bengal has been undertaken in collaboration with Sir Ratan Tata Trust, Mumbai. This program is found to be very suitable by the Department of Higher Education, Govt. of West Bengal.

Presently, the activities of JBNSTS are extended to 14 States of India namely West Bengal, Bihar, Orissa, Jharkhand , Chhattisgarh , Assam, Tripura, Arunachal Pradesh, Nagaland, Manipur, Mizoram, Meghalaya , Sikkim and Andaman & Nicober Islands.

STATUS AND FUNCTIONING

JBNSTS is a registered society (Regn. no. S/ 4353 of 1960-61) under Registration of Societies Act,1860. It enjoys status of a special institution as declared by Department of Higher Education, Government of West Bengal.

JBNSTS undertakes various projects in collaboration with different departments of Central Government as well as State Government and reputed private Organizations, Trusts etc.

JBNSTS has a Governing Body with representatives from Higher Education Department, Government of West Bengal, industrialists, educationists and eminent professionals from various disciplines. Apart from that, there are eminent educationists in the Academic Advisory Board and it is a privilege to get their guidance in all academic matters.

Presently, Chief Patron of JBNSTS is Hon'ble Shri Gopalkrishna Gandhi, Governor of West Bengal. The President is Shri Jyoti Basu, former Chief Minister, Government of West Bengal, and Chairman is Dr. Purnendu Chatterjee, noted industrialist.

With a group of very dedicated staff as its asset, the office **"JB Centre of Excellence for Student Scientists"** is situated at 1300, Rajdanga Main Road, Kolkata 700 107.

Programs undertaken by JBNSTS in collaboration with Dept. of Higher Education, Govt. of West Bengal

a) Senior Scholarship Scheme

This is the core program of JBNSTS. Since the inception of this organization, this program has remained at the center of all the activities. Under this scheme, the undergraduate students of Pure Science, Medicine and Engineering appear in a multiphase selection procedure and those who are selected are awarded this prestigious scholarship. The selected scholars are motivated and nurtured throughout their M.Sc/MBBS/BE/B.Tech level. JBNSTS has a very luminous list of scholars like Professor A Ananthakrishnan, Former Director, GMRT, Pune, Prof. K. B. Sinha, Distinguished Scientist, Indian Statistical Institute, Delhi, Dr. Purnendu Chatterjee, noted industrialist, to name a few. Almost all the scholars occupy very high positions in their field of works.

The selected scholars get a monthly scholarship of Rs.500/- and book grant of Rs.1000/- per year during the period of the scholarship. Besides, they are invited to take part in various follow-up Programs like seminars, talent enrichment programs, and educational tours, project works etc.

b) WBDS Program

This program is aided by the Department of Higher Education, Govt. of West Bengal and meant for the middle school students of different districts of West Bengal. The main focus of this scheme is on the underprivileged but meritorious students of remote areas of the State. It is a very successful and popular program among the students and the teachers of the district schools. Presently, 7 districts are covered under this program namely Nadia, 24 Pgs (S), Birbhum, Purulia, Burdwan, Bankura and Hoogly . A number of science workshops were organized in different schools for the students of

those areas. A). Under this program, Residential and non-residential science workshops are organized rotationally in the districts for students of Class VIII and IX for 3 to 4 days. About 60 - 65 students nominated by the schools of a particular area and accompanying science teachers from each school take part in these workshops. A team of outstanding faculties conduct these workshops. The workshops consist of theory and practical lessons plus laboratory and outdoor assignments not included in the school syllabus. The participating students are exposed to the exciting and advanced areas of science, which are basic to the understanding of the core concept of the subjects. They are also encouraged to develop self learning through self exploration. It is an excellent opportunity for the young students to understand the basic areas of science as well as the global character of scientific activities. It surely is a very rich learning experience for the students.

OTHER PROGRAMS

a) CSIR Program

The Council for Scientific and Industrial Research (CSIR), Government of India has been contributing to the talent enrichment of selected scholars since 1962 and has in the past few years extended its support of JBNSTS to cater to undergraduate science students from Bihar, Orissa, Jharkhand and Chhattisgarh.

b) DST Program

Since 1999, Department of Science & Technology (DST), Government of India has been contributing to a range of Contact Programs for students of the Northeastern States as well as that form Bihar, Orissa, Jharkhand and Chhattisgarh. In the past two years Andaman & Nicobar Islands have been included in this Program.

c) DRDO Program

This year the Defence Research Development Organization (DRDO), Government of India has sponsored a few programs for the enrichment of senior scholars of the JBNSTS as well as the High School students of the Northeastern States.

d) SRTT Program

It has been just one year since JBNSTS has launched itself in the field of Teacher's Training in science teaching for middle school science teachers of West Bengal. This venture has been taken up by JBNSTS in collaboration with Sir Ratan Tata Trust, Mumbai, and has been successful in building a community of motivated, goal oriented and skilled middle school science teachers. This project shall eventually be recognized as a strong pedagogic movement within the State.

e) NER Program

From the year 2005-06, a project to motivate, identify and nurture the young talented science students from 8 northeastern States has been undertaken in collaboration with the Ministry of Development of North Eastern Region. Under this project, high school science students will be motivated to take up science as their future career. Talented students will be identified through talent identification tests and scholarship and book grant will be given to the selected students.

ACTIVITIES OF JBNSTS TOWARDS MOTIVATION, IDENTIFICATION AND NURTURE OF TALENTED SCIENCE STUDENTS IN 14 STATES OF INDIA :

Date	Programme	Details with Venue
May 6, 2006	Project Evaluation and Discussion	For the Senior JB Scholars (2004 Batch) held at JB-Centre of Excellence, Kolkata.
May 12, 2006	Junior Talent Search Test	Junior Talent Search Test for the 8 Northeastern States students held at Indian Association for the Cultivation of Science.
May 12 - 15, 2006	Follow up Program	Follow Up program for the same group of students. Visit to: Indian Association for Cultivation of Science,Kolkata; Jadavpur University, Kolkata; Birla Industrial & Technological Museum, Kolkata.
May 19-21, 2006	WBDS Workshop	WBDS interactive science workshop for middle school students (~ 54) held at Bethuadahari JCM High School, Bethuadahari, Nadia. Speakers : Prof. Basudeb Bhattacharya, Indian Sky Watchers Association, Kolkata; Dr. Debashis Dhar, GCM College of Education, New Barrackpur; Shri Siddhartha Sankar Chattopadhyay, Teacher, Biddhannagar Govt. High School, Kolkata; Shri Anshuman Das, DRCSC, Kolkata; Shri Anjan Bera & Smt. Chandra Naskar, NEEV, Kolkata.

10.4 INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE

Estd : 1876
2 A & B, Raja S.C. Mullick Road,
Jadavpur, Kolkata - 700 032
Telephone : 2473-4678 / 3372 / 3073

After immediate completion of 125 years and at the juncture of 75th Year of Discovery of Raman Effect IACS continues to strive towards excellence in basic science and allied technology covering several emerging frontline areas of materials research, atomic, molecular and optical physics, molecular science, theoretical science and biology. However, the acute shortage of funds remains a matter of grave concern for its all-round growth and development.

Research Activity in various departments and units :

Energy Research Unit

(i) An indigenously designed and fabricated prototype production line for the fabrication of large area integrated double junction (30 cm x 30 cm) a-Si.' solar modules have been set up and made operational in December, 2002. Initial trial with the line has been started.

(ii) High growth rate (4.5 A/Sec) has been achieved for intrinsic microcrystalline silicon films prepared by RF-PECVD method.

(iii) Microcrystalline silicon based single junction solar cell has been fabricated with 6 % efficiency.

(iv) Using transparent conducting ZnO (developed in our laboratory) at n/metal interface more than 10% increase in efficiency has been achieved in amorphous silicon solar cells.

(v) A new PECVD deposited material has been developed and applied in single and double junction solar cell with higher stability.

(vi) Plasma diagnostic of silane plasma mixed with different gases is on going.

(vii) Using insight gained from theoretical modeling, specially the fact that the p/i interface for the pm-Si:H cells is considerably more damaged than standard a-Si:H based cells, the deposition parameters were optimised to ultimately yield pm-Si:H cells, with conversion efficiencies higher than a-Si:H cells.

Polymer Science Unit

Researches in the following areas were conducted :

Living Polymers : Synthesis of living polyacrylamide (an important water soluble polymer) was accomplished for the first time using the atom transfer radical polymerization route.

Novel elastomer blends : Various combinations of accelerators and vulcanizing agents were investigated in order to improve upon the covulcanization of elastomers differing greatly in the level of unsaturation e.g. natural rubber + EPDM rubber.

Polymer crystallization : The crystallization of PET with the piezoelectric polymer poly(vinylidene fluoride) was explored.

Polymer gelation : Conductivity variation of polyaniline gels was studied. It was the thermodynamics of gelation of poly (3-alkyl thiophene) in xylenes.

Polymer based nanostructures : Progress has been made towards the synthesis of hollow polymer nano-capsules.

Polymer-surfactant interaction : Interaction between a physiologically important surfactant viz. bile salt and a biocompatible polymer, poly(vinyl pyrrolidone), was studied.

HONOURS AND AWARDS

Our faculty members have received national awards, they have been elected to distinguished Academies of Sciences and invited to address various national and international meetings.

10.5 INSTITUTE OF HISTORICAL STUDIES

Estd : 1961
35, Theatre Road
Kolkata - 700017
Phone : 2247-5236

The Institute of Historical Studies, Kolkata, founded by Dr. S. P. Sen, in April, 1961 as a pioneering organisation devoted to the cause of historical study and research completed the forty-fifth year of its fascinating history of sustained growth to attain a phenomenal height in the academic world. His

dynamic and dedicated leadership enabled the Institute as his spiritual child to receive in its early formative phase the warm and enthusiastic support of scholars and academicians all over India and abroad on its way to becoming what it is today – a leading all India academic forum for the advancement of historical knowledge with international recognization. The institute is now an automonous body, financed by both the Government of India and the Government of West Bengal on 50 : 50 basis.

10.6 PASCHIM BANGA ITIHAS SAMSAD

Sarat Bose Bhavan,
1, Woodburn Park, Kolkata – 700 020

Paschim Banga Itihash Samsad is one of the largest regional associations of professional historians, history- inclined academics and lay persons in India. It has maintained close link with the Indian History Congress for more than a decade now. The organization has more than 2000 members.

OBJECTIVES

The PBIS has consistently tried to promote the cause of teaching and research in history through the Bengali language and maintain links with other regional associations pursuing similar goals. It has also directed its efforts towards upholding secular and scientific values in all history – related endeavors. It has continued to devote its attention to rationalizing and updating the history curriculum followed in schools, colleges and universities of West Bengal. The publications of books and compilations of articles continued to form and integral part of Samsad's activities. The PBIS also organizes special lectures on education, political thought and historical geography apart from social and economic history of India.

ACTIVITIES IN 2006-2007

1. The 8th Ashin Das Gupta Memorial Lecture was delivered on 6th May 2006 at Jibananada Sabhagriha, Paschimbanga Bangla Academy by Professor Haraprasad Roy on "Madhyayuger Chin O Bharat Mahasamudra".

2. The 11th Sushovan Sarkar Memorial Lecture was delivered on 19th August 2006 at Presidency College, Kolkata by Professor Dwijendra Narayan Jha of Delhi University, on the theme of "Beef in the Hindoo Identity".

3. On 21 September, 2006 PBIS with collaboration of Sarsuna Association & Prativa Library, Behala, organised a book publishing ceremony (Pratapshandra's Bangadhip Parajaya), which was attended by the Speaker of Parliament Shri Somnath Chatterjee,Mayor of Kolkata Shri Bikash Ranjan Bhattacharya, Shri Sujan Chakraborty, M. P, Nirmal Mukherjee, Chairman, Kolkata Municipality etc.

4. On 16 December, 2006 Paschim Banga Itihas Samsad organised Seminar on the Great Revolt of 1857 jointly with the ABTA,East Medinipore district committee at Hamilton School,Tamluk.

10.7 THE RAMKRISHNA MISSION INSTITUTE OF CULTURE

Estd. 1938

Gol Park, Calcutta - 700 029

Telephone : 2464-1303, Fax : (91-33) 2464-1307, E-mail : rmic@vsnl.com

The Ramkrishna Mission Institute of Culture is a Branch Centre of the Ramkrishna Mission, Belur Math. It was established in 1938 in a small rented room in North Calcutta and shifted to Gol Park in 1961. Pandit Jawaharlal Nehru inaugurated it on 1st November 1961.

OBJECTIVES

The activities of the Institute are directed towards fulfillment of its three main objectives : (i) proper interpretation and appraisal of Indian culture, (ii) the promotion of mutual understanding between India and other countries, and (iii) the promotion of the study of cultural heritage of India and of mankind as a whole.

ACTIVITIES DURING THE YEAR – 2006-2007.

It was a year of some spectacular events, such as conferment of Vivekananda Award and Vivekananda Medal.

Dr. Vladislav S. Kostyuchenko, Moscow, formerly Prof. of Philosophy in the Moscow State University and an eminent scholar well-known for his study and research on Swami Vivekananda in Russia was selected by the Institute for the Vivekananda Award 2006. On 2nd August 2006 in a meeeting in the office of Mr Kapil Sibal, Indian Ambassador, Moscow, Swami Prabhananda, the Secretary of the Institute handed over a cash award of $2170 (Rupees one lakh), a photograph of Swami Vivekananda and the citation elegently decorated and aesthetically prepared, to Mr Sibal to present the same to Dr Kostyuchenko. Swami Jyotirupananda, President, Ramakrishna Vivekananda Centre, Moscow, read out the citation. Prof. Kostyuchenko, Mr Sibal and Swami Prabhananda addressed the gathering. SEWA Rural, Jhagadia, Gujarat was selected for the Vivekananda Medal 2006. The Award consists of a gold medal, cash award of Rs. 25,000/ -and a citation. With a day long programme the Institute celebrated its 69th Foundation Day on 29 January 2007. Mr Gopalkrishna Gandhi, Hon'ble Governor of West Bengal attended a Reception and inaugurated the Children's Art Exhibition set-up by the Sarada Devi School of Arts and Crafts. The Governor presided over the Foundation Day meeting. The Foundation Day Oration was given by Professor B. B. Bhattacharya, Vice-Chancellor, Jawaharlal Nehru University on "Challenges of Social Disparity in India" .

To mark the 144th Birth Anniversary of Swami Vivekananda, a Grand Music Festival on 12 January 2007 was inaugurated by Swami Prabhananda. Like previous years, the Institute celebrated Birth

Anniversary of Sri Ramakrishna, Sri Sarada Devi and Swami Vivekananda with a colourful procession followed by Rally on Nazrul Mancha on 18 February 2007. At the Rally devotional songs were sung. The function at Nazrul Mancha started with Vedic chanting.

For the spread of knowledge and promotion higher values, the Institute throughout the year, maintains, as regular activities, a busy schedule of lectures, seminars, symposia, music programmes etc. 275 public functions were held throughout the year.

The Institute also conducted an All India Elocution Competition on Swami Vivekananda in which there were 790 contestants from various Schools, Colleges and 73 candidates won prizes.

One of the busiest sections of the Institute is its Library in a well-ventilated, adequately illuminated and spacious Reading Room with an average daily attendance of 1649 readers and average daily issuance of 1544 books in a computerised environment. The Library has 3 Wings -General, Children and Junior Section. The number of books purchased, obtained as gifts and bound periodicals during the year upto December 2006 was 4282 raising the stock to 225226 (General 203204, Junior 7381, Children 14641).

Research is the inherent and continuous activity of the Institute inasmuch as the activities of the Institute are directed towards dissemination of knowledge for the promotion of the concepts of harmony of religions and the basic unity of man and his culture. In pursuance of this objective, the Institute through this Centre, carried on, during the year under report, research work in the renovated research department as in the previous year, with scholars of the country and abroad. During 2006 the number of Pre-doctoral and Post-doctoral scholars are 14 and 4 respectively. Some scholars have completed their project and gone abroad. At present there are a few foreign scholars in the Centre. The total number of Research Professors and Visiting Professors are 20. The Centre organised a 3-day International Workshop-cum-Seminar during 13-15 January 2006 on **"Consciousness : A Deeper Scientific Search"**. The Centre with the support of UNESCO and the Ministry of Human Resource Development, Government of India has conducted a 9-month Advanced Course on **"International Understanding in Human Unity"**. UNESCO and MHRD shared their knowledge and experience, while delivering lectures to the participants of the course. The Convocation of the participants in the said UNESCO approved Course was held on 11.7.2006. Ms. Minja Young, Director, UNESCO, New Delhi delivered the Convocation Address and Mr Yushi Kazu Takeuchi, Consul-General of Japan graced the occasion as the Guest of Honour. The Convocation of the Centre was held on 20 November 2006 in which Dr. Ramaranjan Mukherjee, formerly Chancellor, Tirupati University , delivered the Convocation Address.

The Institute's School of Languages is a major wing and centre of activities of the Institute. During the year under report the School teaches 17 languages: 5 Indian -Bengali, Hindi, Sanskrit, Tamil and Urdu and 12 foreign - Arabic, Chinese, English, French, Germany, Italian, Japanese, Latin, Persian,

Portuguese, Russian and Spanish. The total enrolment in 2006 was 15,986, English accounted for 82.49%. 166 scholarships were given to needy students of the English Language Course and 100 Oxford English Intermediate Dictionaries were distributed among other needy deserving students of English Language. The convocation of the School of Languages was held on 1 April 2006. Hon'ble Mr Justice V. S. Sirpurkar, Chief Justice of Calcutta High Court delivered the Convocation Address, gave away the prizes and certificates. Tulsi-Beena Goswami Debate Competition was held on 30 October 2006. The topic was **"In the Opinion of the House Agriculture is the Life line of India"**. 77 students participated in the debate. The French magazine **"La Pionnier"** was brought out by the students and teachers of the French Department during the year under report.

To encourage young people to imbibe the ideals of the Ramakrishna Mission, the Institute started a Youth Forum called **Vivekananda Study Circle** and later on another youth wing called **Vivekananda Anushilan** for a deeper study of the life and philosophy of Swami Vivekananda. The Vivekananda Anushilan conducted 26 sessions with an average attendance of 70. The Institute in its Value Orientation Programme carried a man-making message of Swami Vivekananda further to the youth at large through 162 Youth Conferences held in 11 districts of Kolkata, Howrah, Hooghly, Nadia, Burdwan, Bankura, Murshidabad, Paschim Medinipur, Purba Medinipur, South and North 24 Parganas in which 32, 134 youth participated. Besides this 2 Central Youth Conventions were held on 12 March 2006 and 15 October 2006 at the Institute in which 2350 youth delegates from 166 organisations covering 11 Districts took part.

In pursuance of the guidelines framed by the Department of Secondary and Higher Education, Ministry of Human Resource Development, Government of India, the Institute organised Value Education Programme in several sessions involving three vital sectors of the society, namely, students, parents and teachers. The Value Education Workshop for 192 teachers was organised during 6- 8 June, 2006 respectively.

The Institute's activities towards dissemination of knowledge for different disciplines are supported by its publications and the Institute has a very active and productive Publication Department. The monthly **Bulletin** with contributions from eminent scholars on culture in all its aspects was regularly published. Among other publications brought out this year mention may be made of *Philosophy and Science of Value Education in the Context of Modern India; Life, Mind and Consciousness; Bharatatattva, Vol. II and Swami Vivekananda : Manishider Chokhe.* A good number of the Institute's earlier publications were reprinted during the year.

The Museum and Art Gallery has developed itself as a place of interest in the city of Kolkata, particularly to the art-loving people of this metropolitan city .It helps people gain a representative knowledge of Indian Art in its diverse forms. It has 5 major sections -Painting, Sculpture, Folk Arts, Manuscript and Metal Wares. There are altogether 1201 exhibits in the Art Gallery .During the period, Museum purchased 4 Art objects and sent 7 Textile items for restoration to INT ACH, Lucknow. The Annual

Art Exhibition of the Sarada Devi School of Fine Arts and Crafts was held on 29 January 2007. Mr Gopalkrishna Gandhi went round the exhibition set up by the children of the School. 294 students got admitted in the School during this year.

A major academic programme of the Museum and Art Gallery is to run a 10 -month Post-Graduate Diploma Course in Appreciation of Indian Art which is recognised by Kavi Kulaguru Kalidas Sanskrit University, Nagpur. More than 36 Art Historians, Art Critics, Artists are attached as faculty .The Convocation for the Academic Session 2005-2006 was held on 20 November 2006.

During the period under Report, with the income from endowments created by the donors, the Institute gave a large number of scholarships and stipends to needy but meritorious students. Besides this, 3 scholarships of Rs. 1,00,000/ -each for higher studies abroad were awarded to 3 scholars through Debesh-Kamal Scholarship; also a few more scholarships to medical students in West Bengal. The total educational assistance rendered by the Institute during the year is Rs. 19,08,300.00.

During the year under report, the Institute served 1/2 litre milk and 200 gm. bread, a bun bread everyday to 450 poor children up to 6 years of age. They were given Puja garments, woollen caps, sweater and shoes too. Besides this 300 Pieces of blankets were given to the poor, old, destitute in Winter.

The Institute has an International House meant for the Institute's guests, scholars and students from various parts of India as well as abroad. They help create the bridge which unites minds and spirits of the people with different backgrounds. During 2006 3666 guests stayed at this International House.

10.8 SOCIO-ECONOMIC RESEARCH INSTITUTE

Date of establishment : 7th July 1959
C-19, C-39 & P-16 (Tower Block), College Street Market, (1st Floor), Kolkata - 700 007
Phone : +91(033) 2241-0775, Fax : +91(033) 2219-8169
E-mail : socioecoresearch@vsnl.net

The Institute is devoted to the study of social and economic problems of India, past and present. Prof. Asis Kumar Banerjee is the President and Prof. Durga Prasad Bhattacharyya is the present Secretary of the organisation.

The ongoing research projects of the Institute are the following :

1. Pre-Census Population Project of India sponsored by the Planning Commission and the Registrar General, India :

The purpose of the project is to compile and publish descriptive and statistical materials on any part of India — Provinces, districts, cities, towns, taluks, thanas, villages from the ancient

period of 1870 when the first census was conducted. It is proposed to publish 8 volumes, one volume for the period up to 1800, and one for each decade from 1801 to 1870. Four volumes relating to the period 1801-1840 have been published by the Registrar General, India. The manuscripts for Volume VI (1841-1850) and Volume VII (1851-1860) is ready for publication by the Registrar General, India.

1.1 The Registrar General, India has sanctioned a grant of Rs. 12,89,400 for compilation of three volumes - 5000 B.C. to 1800 A.D., 1861-1870 and a residual volume.

2. A Bibliography of Bengali writing on social sciences 1948 onward sponsored by the Indian Council of Social Science Research (ICSSR), Union Ministry of Human Resource Development :

The Institute has compiled a bibliography of economic and sociological writings in Bengali up to 1950 with the support of the ICSSR. The Paschim Banga Bangla Academy has published the bibliography of economic writings in Bengali. The Institute has completed a catalogue with annotation of books and articles for a bibliography of all branches of social science from 1948 to 1990 and the manuscript of secondary sources is ready for publication.

3. Economic History of India: Documents. 1858-1901—Agriculture and Irrigation—sponsored by the Indian Council of Historical Research (ICHR), Union Ministry of Human Resource Development :

Two volumes of the manuscript are in the press.

3.1 As requested by the ICHR, a proposal for compilation of materials on agricultural and irrigation of India has been submitted to them with a budget of Rs. 6 lakhs.

4. Bengali Writings on Science and Technology, 1800-1950 :

The Institute is going to publish Bengali Writings on Science and Technology, 1800-1950. The West Bengal Government has sanctioned a grant of Rs.25,000. The manuscript is being processed for publication.

10.9 SRI SRI SITARAMDAS OMKARNATH SAMSKRITA SIKSHA SAMSAD

107, Southern Avenue, 'Vaikunthadham',
Kolkata - 700 029
Ph : 2466 4983

Activities during the year 2006-2007 :

The Samsad which was founded in 1986 and registered under the West Bengal Societies Registration Act, is dedicated to the cause of Sanskrit and Vedic learning as also dissemination of the message of Indian Culture throughout the Country. It is recognised by the Government of West Bengal and the Government of India and is receiving grants from both the Government. It is progressing slowly but steadily towards attaining the status of centre of excellence. With a view to achieving its aforesaid objectives, the Sam sad undertook the following activities during the year '2006-07'.

The Samsad has become the premier institute in the Eastern Region of the country imparting instructions in Sanskrit and other oriental subjects in accordance with syllabus prescribed by the Government of India. It is also concurrently running a very important traditional course leading to the titles of 'Adya', 'Madhya' and 'Upadhi', through Examinations conducted by the Vangiya Sanskrita Siksha Parishat, a wing set up by the Government of West Bengal to monitor Sanskrit learning in the State. Performance of its students in these examinations during the year was very satisfactory. Alongwith these courses students are also being taught in modern subjects and Computer Application with the ultimate object of preparing them to sit for the Secondary Examination. This will, no doubt, enlarge the scope of their employment. During the year in question, the Samsad had been maintaining 65 students in its four units.

During the year six of its students who were eligible to appear at the All India Examination held annually by Maharshi Sandipani Rashtriya Vedavidya Pratishthan at Ujjain passed the said examination creditably. It is encouraging that three of them secured first class.

The Samsad has a publication wing and a few books on Indology, Sanskrit and Bengali literature have already been published and few others are under process.

The Samsad had already set up a cultural unit, which holds such cultural programmes as would promote Indian culture. Besides, research works in different areas of Indian culture and performing arts are being carried on in this Unit.

As in previous years, the Samsad organised during the year a few seminars and lectures on Indian studies and culture, each of which was intended to highlight the relevance of Sanskrit and Vedas in

the contemporary world. In particular, a 2-day National Seminar on the theme, "Sanskrit & Modern Indian Languages: A Search after Commonality" which was sanctioned by the Ministry of Human Resource Development, Government of India was organised by the Samsad on January 31 -February 1, 2007 at Ramakrishna Mission Institute of Culture, Kolkata. Many eminent Scholars of National and International fame participated in the Seminar who made the Seminar more meaningful by their learned speeches. The Seminar Hall was packed to capacity by the enlightened persons of the city.

The Samsad does not confine its activities to traditional subjects alone, but it tries to make its students conversant with some basics of science and new scientific developments through discourses on various scientific topics. During the year arrangements have been made for certain sports and games. The students are now regularly playing Football and Cricket in the afternoon in the adjoining field.

The Foundation Day of the Samsad duly observed on August 17, 2006 at Vaikunthadham, 107, Southern Avenue, Kolkata- 700 029. On this occasion a Wall-Magazine titled, "Sura-Sristi" with contributions from the students only was inaugurated. The Foundation Day Oration was delivered by Justice Shyamal Kumar Sen and the function was presided over by Prof. Ramaranjan Mukherji.

As in previous years, this year also Samsad held its own Examination at Kolkata in 'Adya','Madhya' and 'Upadhi' in accordance with syllabus drawn by the topmost scholars in the country. The Examinations evoked keen interest and as many as 600 candidates from various districts appeared thereat.

The Samsad has already established itself as one of the leading Research Institutes in the country. As recommended by the State Government the following projects were earlier allotted to it by the Government of India :

(i) Compilation of Anthology; (ii) Art of Life; (iii) Compilation of a Dictionary of Sanskrit Poetics; (iv) Iswar Chandra, Bankim Chandra, Swami Vivekananda, Sri Aurobindo and Rabindranath Tagore in Sanskrit.

While the work on the first three projects have already been completed and final Report sent to the Government of India, the work on the remaining project is in progress. Meanwhile, two other important projects entitled "Translation of Certain Sanskrit Texts into Bengali" and "Relations between Sanskrit and Concepts originating in contemporary society", have been allotted to Samsad by the Government of India on the recommendation of the State Govt. The work on these projects, which has already started, has made considerable progress.

Principal : Swami Asaktananda

The Ramkrishna Mission Ashrama, Narendrapur, is a premier branch centre of the Ramkrishna Mission with a wide range of activities. It had a very humble beginning as a Students' Home for college students in North Calcutta in 1943 and later on shifted to its present site in 1957. The campus occupies an area of 150 acres with a road length of 7 km and stays rich green throughout the year. The activities of the Ashrama can be classified as :

Activities and Achievements during 2006-2007

Academic Attainments :

B.Sc. (Honours) Courses :

Year	Percentage of success	First Class holders in Honours
2006	100%	69 (Phy. 23, Chem. 21, Math. 4, Stat. 12, Eco. 2, Comp. Sc. 5, Hist. 2)

H.S. Course :

Year	Percentage of success	1st Div.	2nd Div.	Star Marks	900 marks & above
2006	100%	120	6	97	34

Research Institute and Autonomous Voluntary Organisations :

H.S. J.E.E. -Results, 2006

Successful candidates : 75 (Medical Rank – 4)

Student were successful in the Joint Admission to M.Sc., 2006 : All India Rank

Chemistry : IIT – 15, IISC – 1; Statistics : IIT –13, IST-8;

Mathematics : IIT-3, ASI – 1; & Physics - 3, Pune University - 4

Game and Sports :

Regular training is given to the students to develop skills in sports, physical exercises and athletics. They played a number of friendly football, cricket and table tennis matches and participated in several tournaments oganised by C.A.B and C.U in 2006-2007.

The college also co-hosted the 8th Inter Non-Government College Athletic Meet and Football championship 2006, at the district level along with the Department of Education, Government of West Bengal.

The Annual College Sports was held on 8th and 9th December, 2006 at our Ashrama Sports complex.

Our college participated in the Inter-College Cricket Championship organised by the Department of Sports, Calcutta University in March, 2006. The Intra-College Table Tennis tournament was held between 3rd and 4th week of August, 2006.

Social Service (NSS) :

Social service camps are organised by the N.S.S. unit in rural areas where students and teachers work in collaboration with the local youth. Usually the regular programme of work includes road construction, road repair, cleaning tanks, adult literacy work, sale of T. B. seals, giving dictation to the blind boys, conducting classes for poor local students and the like. On 4th November, 2006, 151 students and inmates donated blood at a blood donation camp organised by the Voluntary Blood Donors Association, W. B., on our Brahmananda Bhavana Premises. Rs. 1200/- was raised by selling T. B. seals and the collected amount was sent to Bengal Tuberculosis Association.

10.11 CALCUTTA MATHEMATICAL SOCIETY

Fax : (91) (033) 2337-6290

The Calcutta Mathematical Society (CMS) undertook various activities during the year 2006- 2007, related to the development of teaching and research in Mathematics and Mathematical Sciences for which objectives the Society was established in 1908 at the Senate House of Calcutta University with Sir Asutosh Mookerjee as the founder President and Sir Gurudas Bandyopadhay as one of its founder Vice-Presidents. It is carrying on its distinct culture, heritage and its independence. It is now in the voyage its Centenary. It is one of the oldest Mathematical Society of the World and is now recognized as International Center of Excellence.

Major activities and achievements during 2006-2007 :

Publication of Journals : The Society has published all its four internationally recognized series of journals namely, "Bulletin of the Calcutta Mathematical Society" (bi-monthly), "News Bulletin of the

Calcutta Mathematical Society" "Review Bulletin of the Calcutta Mathematical Society", and the new title "Journal of the Calcutta Mathematical Society" for the year 2006 on time.

Several valuable research articles of the eminent scientists of the World like Henry Poincare, W.H.Young, H.Lamb, G.H Hardy, W.Sierstinski, F.Riesz,A.R.Forsyth, D. Smith, M. Frechet, E.T. Whittaker, Meghnad Saha, C. V. Raman, S. Chandrasekhar, S. N. Bose, Ganesh Prasad and many others were published in the Bulletin of the Calcutta Mathematical Society, which are now bound and kept in the library.

The recent work of Professor Dahlberg (Sweden) proving the converse of the ***Four vertex Theorem*** completes hundred-year-long thread of ideas initiated by Bengali Mathematician Syamadas Mukhopadhyaya and published by Calcutta mathematical Society in 1909.

Other Publication of the Society :

i) Silver Jubilee volume of the Calcutta Mathematical Society.

ii) Golden Jubilee volume (Part I and II) of the Bulletin of the Calcutta Mathematical Society.

iii) Sir Asutosh Mukerjee Birth Centenary Commemoration volume of the Bulletin of the Calcutta Mathematical Society (1964).

iv) Proceedings of the Seminar on Scientific Contributions of Professor S. N. Bose (1973).

v) Diamond-cum-Platinum Jubilee Commemoration volume (1984).

vi) Research monograph of eminent Indian and Foreign mathematicians.

vii) Proceedings of the International Symposium on Recent Advances in Mathematics and its Applications - ISRAMA 2005.

Library : Over the years the library of the Society has attained the distinction of being one of the richest libraries in the country particularly in the field of Mathematics and Mathematical Sciences. Library has now more than 20,000 volumes of books and journals altogether. The Society has exchange relations with more than 100 different Universities, Institutions and Learned Societies allover the world under 'Journal Exchange programme'. Society now receives 120 foreign journals from USA, UK, Japan, Yugoslavia, China, Korea, France, Australia, Germany, Spain, Czechoslovia, Italy, Poland, Canada and 25 journals from different states of India. Library also maintains manuscripts and letters of Professor S.N .Bose, life history of Professor Bhibhuti Bhusan Dutta (later known Swami Vidyaranya). Several valuable papers of the eminent scientists of the World like Henry Poincare, W.H. Young, H.Lamb, G.H Hardy, W.Sierstinski, F.Riesz, A.R.Forsyth, D. Smith, M. Frechet, E.T.Whittaker, Meghnad Saha, C.V.Raman, S.Chandrasekhar, S.N.Bose, Ganesh Prasad and many others had been published in the Bulletin of the Calcutta Mathematical Society, which were bound and kept in the library.

Academic activities of the Calcutta Mathematical Society :

Seminar & Symposia : The Society organized National Seminar and International Symposium with the financial support from the Govt. of India and Govt. of West Bengal.

(A) National Seminar : The Society organised a National Seminar on 'Mathematics Education and Research in India' during 6-8 September, 2006 to celebrate its 99th Foundation day. More than one hundred Mathematicians and Physicists from different states of India participated in this Seminar.

(B) Symposium on Einsteinian Physics : Society organized an 'International Symposium on Recent Advances in Mathematics and its Applications' (ISRAMA2006) during 16-18 December, 2006. More than 200 scientists throughout the world participated in the seminar. The programme include invited lectures by eminent researchers as well as contributed papers. Professor Erik Trell (Linkoping Univ., Sweden) inaugurated ISRAMA 2006 and Professor M. R. Adhikari described the role of Calcutta Mathematical Society for promotion of Mathematics Education and Research. Professor Y.Shikata, J.K.Kim, B.Ishwar gave speech on this occasion. Prof. P. Muldowney, was the Chairman of this function. Renowned scientists namely Prof. N. Manickam (USA), Prof. T.Yamase (Japan), Prof. Y. Matsyuama (Japan), Prof. K. Kazuyoshi (Japan), Prof. N. Onoda (Japan), Prof. D.C. Tonyali (Turkey), Prof. Dr.J.K.Kim (Korea), Prof. A.Biswas (USA), Prof. B.Roy (ISI, Kolkata) to mention a few actively participated and gave lectures in the Seminar. Seminar provided an ideal forum for participating scientists to exchange ideas in the developments in different areas of Mathematics and their applications including medical sciences, information technology, cryptography, censor network, DNA secret shearing, physics, environmental science. ISRAMA-2006 is a significant landmark, in the life of many young participants who have attend the requisite level of knowledge. Indian participants specially young scientists had the opportunity to exchange ideas and for possible scientific collaboration with many Indian and foreign scientists in the recent developments in different areas of mathematics and their applications.

The meeting has held in fostering friendship among the scientists of the participating countries.

- **Special lectures:** Society organized special lectures throughout the year. One such lecture was delivered by Dr.Sitansu S. Mitra, Ph.D., Database Engineering (Reader Computer Sc. Corporation, USA) on 13.1.2007 at the hall of the Society. The topic was 'How secure is your information' ?

- Society organized weekly lectures by the renowned mathematicians for the benefit of the researcher and students.

- Different awards and scholarships from school level to research level were given during this period.

- Society organized different academic training programme throughout the year to motivate the students to higher education in mathematics and mathematical sciences.

Calcutta Mathematical Society is in the voyage to its centenary. Society lays out many new plans and programmes and has accepted the proposal for hosting the Asian Mathematical Congress 2008 during the centennial celebration of the Society, 2008- 2009.

10.12 INSTITUTE OF SCIENCE, EDUCATION AND CULTURE (ISEC)

ISEC House, 42-B, Syed Amir Ali Avenue

Science provides individual employment, gives economic gain to the society and generates political power to the nation. It is globally agreed that the prosperity of a nation depends on development of science and its acceptance by people. Therefore no nation can ignore the development of science within its boundary.

In this perspective, ISEC was established in 1980 by a team of renowned educationists in the fields of science, engineering, technology , medicine, education and environment from various universities, research centres and colleges of India.

Goal of ISEC

The Institute of Science, Education and Culture (ISEC) is a registered, independent and not-for-profit Society .It is a professional organization and has the status of a learned body. Its objectives, if brief, are development and diffusion of knowledge of science, science education and science-based culture in the Society .ISEC has crossed 25 years of service in propagating and diffusion of scientific knowledge in the country (1980-2005) by the activities of publication of science journal and books, organizing seminars, talks, exhibitions, etc. It helps and co-operates with other scientific bodies to work with ISEC for their development also.

Activities During April 2006 To March 2007

ISEC celebrated its Silver Jubilee Year by organizing various activities throughout the year (Nov 2005-Nov 2006). Activities (2006-07) in nutshell are as follows : -

Publication of "Indian Science Cruiser"

ISEC has been publishing the international standard journal : ***Indian Science Cruiser*** - five issues a year in January, March, May, August and November. The following five issues have been published : -

Indian Science Cruiser, Vol 20, No 2, May 2006

Indian Science Cruiser, Vol 20, No3, Aug 2006

Indian Science Cruiser, Vol 20, No 4, Nov 2006

Indian Science Cruiser, Vol 21, No 1, January 2007

Indian Science Cruiser, Vol 21, No 2, March 2007

Indian Science Cruiser is covered with the aspects of science, engineering, technology, medicine, education, environmental issues etc. Articles are written by the renowned authors throughout the country and also by the writers from overseas countries. Up-to-date information of the above fields are published in the sections like Articles, We hear from, Search & Survey, News Review, Book Review, Conference Report, Editorial. ISEC invites all to send their thought-provoking articles, news, conference reports etc for publishing in Indian Science Cruiser.

Seminars, Symposium

ISEC Silver Jubilee Year commenced on 29th November 2006 by organizing various activities like seminars, invited talks etc.

The following seminars were conducted by ISEC as a part of ISEC Silver Jubilee celebration this year :

1) ISEC Silver Jubilee Celebration Committee organized seminar on **History of Science** in collaboration with Corpus Research Institute, Kolkata on 10th June 2006 in the Jibanananda Sabhagriha of Bangla Akademi. Educationists like Prof Nripendra Nath Ganguly, former Director, BARC, Dr Bani Kumar Sarangi, Prof Chittabrata Palit, Prof Mahua Sarkar, from the History Department, Jadavpur University, Dr. Nupur Dasgupta, Artisan Technology Department, Jadavpur University, Dr. Tapan Ganguly, Director, Science City, Dr. Aparajita Basu, Secretary, Bangiya Bigyan Parishad addressed on this occasion.

2) Seminar on World Population was organized on the occasion of World Population Day on 11th July 2006 in the Jibanananda Sabhagriha in collaboration with Indian Science Congress Association (ISCA), Kolkata Chapter. Distinguished persons like Prof N C Datta, ISCA (Ex-

President of ISEC), Dr. Dilip Coomer Ghosh, Asiatic Society, Dr. Ranesh Poddar, National Union of Journalists, Dr. B. Roy, ISCA addressed in this seminar. Prof. R Srinivasan of NITTTR, Kolkata presented his paper on current scenario of population growth in India.

3) Symposium on **Medicinal Plants : Resource Developments And Utilization** was organized in the seminar hall of Chemistry Department of Bengal Engineering and Science University, Shibpur (BESU), Howrah in collaboration with BESU, Botanical Survey of India on 31st October 2006. Distinguished scientists like Prof. Dr. Gouri Pada Datta, Prof. N C Datta, Prof M M Biswas, Prof C R Lahiri, Prof Sujay Basu, Prof R C Talukdar, Prof. Anil Kumar Ghosh, Prof N C Ghosh -from ISEC, Prof S C Pakrashi, former Director, IICB, Kolkata, Prof S P Goswami, Dean, Faculty of Applied Sciences, BESU, Dr Tapas Ghosh, Bose Institute, Dr. P K Debnath, J B Ray, Ayurvedic College & Hospital, Dr G S Giri, Jt Director, Botanical Survey of India, Dr R K Sharma, Scientists, Emami Ltd, Prof. Jayati Datta, HOD, Chemistry Department, BESU, Dr B K Ghorai, Chemistry Department, BESU addressed on this occasion and nicely elaborated on utilization, conservation of medicinal plants as Ayurvedic drug as per ancient culture.

4) Seminar on **Science, Education and Culture** was organized on the 29th November 2006, on the occasion of ISEC's yearlong Silver Jubilee Concluding Ceremony in the Auditorium of Birla Industrial & Technological Museum (BITM), Kolkata in collaboration with BITM.

Hon'ble Justice Shyarnal Kumar Sen was the Chief Guest, Shri Nandagopal Bhattacharya, Hon'ble Minister of Water Investigation & Development, Govt of West Bengal, the Guest of Honour graced the occasion. Dr. N R Banerjea, President of ISEC and Vice-Chancellor, Bengal Engineering & Science University, Sibpur, Howrah delivered his welcome address. The following speakers presented their speeches in the seminar.

Dr. Debi Prosad Duari, Director, Birla Planetarium elaborated nicely with slides on **The Fantastic World Of Stars**, (2) Dr Jayanta Sthanapati, Director, BITM gave an outstanding deliberation on **Enhancing Public Understanding Of Science Through Science Museum** and (3) Shri Kanishka Sen, Illumination Expert showed the audience some interesting lighting design. Thereafter the concluding ceremony ended with some cultural events. Shri Tarun Das of BITM showed some magic under Science Magic Miracle.

Library

ISEC maintains its technical library with various books on science, technology, environment, education etc.

Acknowledgements

ISEC acknowledges the financial support of Department of Higher Education, Govt of West Bengal and also of Department of Science & Technology, Govt. of India, New Delhi for its activities.

10.13 INSTITUTE OF DEVELOPMENT STUDIES, KOLKATA

Calcutta University Alipore Campus,
1, Reformatory Street, 5th Floor,
Kolkata - 700 027
Ph. No. 2448-8178/2225, Fax : 2448-1364
E-mail : idsk1@vsnl.net / idsk@rediffmail.com

The Institute of Development Studies Kolkata (IDSK) has been promoted by the Government of West Bengal as an autonomous centre of excellence in social sciences. It was founded in 2002 as a society with an autonomous governing body, with one of the most eminent historians in India, Professor Irfan Habib as President, Professor Amiya Kumar Bagchi as Director and with a Governing Council on which are represented the Vice-Chancellors of two leading Universities in West Bengal, namely Calcutta University and Jadavpur University. The Governing Council also includes such eminent academics as Professor Nirmal Chandra, Professor Suranjan Das, Professor V.K. Ramachandran and Professor Malini Bhattacharya as its members.

Important Activities during 2006-2007 :

Some near-term projections

The UNDP (India) has recognized the IDSK as the nodal institution for Human Development Studies in the eastern region and authorised IDSK to conduct a certificate course in human development studies.

A new agreement has been signed with the Rosa Luxemburg Stiftung (RLS), Berlin for carrying out a research project on 'Women, work, education and disparities'. The project shall start from 1 April 2007.

A memorandum of Understanding (MOU) has been signed with the South Asia Institute (SAI), University of Heidelberg, Germany to promote a better understanding between the faculty and students of SAI and the faculty and students of IDSK. This MOU shall remain in force for three years.

II. Research Programmes :

A. The programme on 'Women and media in the context of globalisation' funded by the Rosa Luxemburg Stiftung (RLS)

The Institute of Development Studies Kolkata (IDSK) with the support of the RLS, has implemented a research project on 'Women and Media in the Context of Globalisation' in cooperation with four other centres — School of Women's Studies, Jadavpur University;

School of Women's Studies, Bhubaneswar, Utkal University; Women's Studies Research Centre, Gauhati University, and Saajhi Dunia, Lucknow.

The final report of the project, 'Women and Media in the Context of Globalisation' was completed and sent to Rosa Luxemburg Stiftung, Berlin, in November 2006. A final interactive session in which the partners participated as well and an exhibition of the materials prepared and produced (reports, posters, leaflets etc.) were held on December 8, 2006.

B. Documents on the economic history of British Rule in India 1858-1947

The Indian Council of Historical Research (ICHR) has appointed Professor Amiya Kumar Bagchi, General Editor of the project of compiling the basic documents on the economic history of India under British rule and Professor Arun Bandyopadhyay, Nurul Hasan Professor of History, Calcutta University, Associate Editor of the project. Under the revived project, Dr Bhubanesh Misra was appointed as Editor in charge of the further volumes of railway documents, working under the guidance of the General Editor. A forth volume of the railway documents has been prepared and will be soon sent to the ICHR. A volume of documents on the agrarian situation and living conditions in Bengal from 1860 to 1880 has been prepared.

C. The project on 'Monitoring of school level history textbooks'

The IDSK has undertaken a project on 'Monitoring of school level history textbooks of West Bengal' sponsored by the Ministry of Human Resource Development, Government of India. For this it has set up a (history textbook) monitoring cell. A report of the study has been submitted to CABE Committee on regulatory mechanisms for textbooks and parallel textbooks taught in the schools of West Bengal. Observations of the survey were incorporated in the main text of the CABE Committee. Evaluation of textbooks for class V prepared by West Bengal Primary Education Council has been done and the report has been submitted in July 2006. The analysis of history textbooks for classes IX and X prescribed by the West Bengal Board of Secondary Education has been completed and the final report will be submitted by June 2007.

D. Allocation and Utilisation of Resources for Social Sector Programmes in Purulia District (with special reference to programmes for women and children)

A study of the reasons for poor utilization of resources meant for social sector programmes in backward districts like Purulia in West Bengal has been carried out by a team of IDSK led by Professor Achin Chakraborty along with Dr. Subrata Mukherjee and Shri Subhanil Banerjee, with funding support by the UNICEF. The report analyses allocation and

utilisation of financial resources for the social sector in West Bengal, focusing on Purulia. Based on the findings of the study, a number of policy suggestions have been made. The final report has been submitted in February 2007

E. Possibilities of closer economic ties between India and Australia in capital goods industries in the WTO regime

The Institute has taken up a project on 'Possibilities of closer economic ties between India and Australia in capital goods industries in the WTO regime' sponsored by Macquarie University, Sydney, Australia. Dr. Uttam Bhattacharya of IDSK is coordinating the project along with other researchers in India. Dr. Pundarik Mukhopadhyay of Macquarie University and Dr. P.K. Basu from the Charles Stuart University are in charge of the project at the Australian end. Two interim reports already have been submitted to the Australian partner Institute.

F. Women's health and empowerment in ICDS – An exploratory study in West Bengal

This exploratory project, in collaboration with the National Commission for Women, is implemented by making field studies of ICDS and women's empowerment initiatives. Engaged in exploration of challenges and options for woman's health and empowerment, the study covers three districts in the state of West Bengal, namely, North 24 Parganas, Birbhum and Murshidabad. Dr. Krishna Soman is the coordinator of this project. The project is at the concluding phase.

G. The State Development Report

The Development and Planning Department, Government of West Bengal has approached the IDSK for preparing a State Development Report for West Bengal. The work on the project was started in January 2007 under the direction of Professor Debdas Banerjee. It is expected that the report will be ready by end-June 2007.

III Collaborations

Collaboration with the University of Calcutta

IDSK has launched a multidisciplinary M.Phil Programme in Development Studies, in collaboration with the Centre for Social Sciences and Humanities (CSSH), University of Calcutta in 2006. The M.Phil degree is to be conferred by the University of Calcutta. The teaching faculty mainly consists of the IDSK faculty and the University faculty associated with CSSH.

Collaboration with Sciences PO, Paris, France

IDSK and the Fondation Nationale des Sciences Politiques (Sciences Po), Paris have entered into a collaboration agreement. Under this agreement two students of Sciences Po had come as interns for attending the M.Phil Course in Development Studies for one semester. Sciences Po will arrange for a scholar to visit Sciences Po as holder of a Chaire Finances Internationales.

Collaboration with Maison des Sciences de l'Homme, Paris

IDSK and Maison des Sciences de l'Homme (MSH), Paris have entered into collaborative relations. IDSK faculty members have held fellowships at the MSH. In the academic year 2007-08, a collaborative Conference between the two institutions, on 'Utopia, Dystopia and Development', has been planned.

IV Teaching and Research Guidance

a. M.Phil in Development Studies

The M.Phil. Programme in Development Studies is multi-disciplinary in nature, and designed to provide an understanding of various perspectives on development issues, through a rigorous course work and guided research. The perspectives are drawn from different disciplines, with a strong emphasis on the classics in social sciences and humanities. The curriculum emphasizes a heterodox perspective on social science paradigms and the methodological underpinnings of social science research. The strength of the course particularly lies in the balance it maintains between theory and hands-on training on tools of analysis – both quantitative and qualitative.

The M.Phil course in Development Studies for the session 2006 –2008 in collaboration with the University of Calcutta has been commenced in July 2006. Eighteen students have been attending this course.

10.14 INDIAN INSTITUTE OF SCIENCE EDUCATION & RESEARCH, KOLKATA (IISER-K)

Indian Institute of Science Education & Research, Kolkata has been established by the Government of India, Ministry of Human Resource Development, Department of Higher Education with the objective of imparting quality education and research in basic sciences at par with Indian Institute of Science, Bangalore and IIT's. IISER-Kolkata, a registered society and fully funded by the Government of India is poised to be an Institute of National importance. The foundation stone of IISER-Kolkata was laid by the Honourable Prime Minister Dr. Manmohan Singh on July 11,2006.

The permanent campus for IISER-Kolkata has been proposed at Haringhata, adjacent to Bidhan Chandra Krishi Viswa Vidyalaya, Kalyani on 201.65 acres of land in Mouja Haringhata Farm after, detailed survey and discussion with the officials of Higher Education, Animal Resource Development and Land & Land Reforms Departments of Government of West Bengal.

The central theme of IISER-Kolkata is to integrate education with research so that undergraduate and postgraduate teaching as well as doctoral and post- doctoral research works are carried out in symbiosis.

IISER-Kolkata has started functioning from Kolkata Campus of IIT , Kharagpur with effect from August 17, 2006. 38 (thirty eight) students got admitted in the First year of the 5-year Integrated Master of Science Programme through the extended merit list of IIT -JEE 2006. IISER, Kolkata will select one hundred students who qualify / have qualified in any of the IIT JEE-2007, Olympiad Examination 2007 & KVYP 2005 for admission in the first year in the academic session beginning in July, 2007. The IISER programme is fully residential and it provides every admitted student a fellowship of Rs.3,000/- (Rupees Three Thousand) per month.

Ph.D programme has started at IISER and four fellows (three are NET Qualified) have been doing doctoral research. More students are likely to join the Ph.D and post-doctoral research programme soon.

The Government of West Bengal has offered a piece of land measuring 201.65 acres in Mouja Haringhata Farm for the permanent Campus of the Institute. It is expected that the Campus will be functioning from July, 2009 at Haringhata.
